A COVE COMMUNITY

## HARBOR HIGHLIGHTS

September 2024

newsletterlakeharbor@gmail.com

### LGHVAA MESSAGE by Tom Zimmer

It's hard to believe summer is coming to an end and many of our friends and neighbors will be returning soon. Activity events will start to ramp up in October and stay busy for many months to come.

Please pick up your Harbor Highlights and read the articles and follow the calendar to stay up to date on events. Thanks and see you around the community.

### HOA MESSAGE by Charles Ball

It will not be long before the snowbirds will be back and activities will pick up, and HOA will be having more educational opportunities for the community. On November 7<sup>th</sup> at 2:00 pm we will have a speaker from the Global Alzheimer's Platform Foundation come and give a talk. This should be very interesting, and I hope we can have a good turnout for this event. I will have a sign-up sheet in the clubhouse to get an idea how many we will have at this event.

Soon the weather will start cooling down, so let's turn our attention to our properties. Well maintained lawns and weeded gardens are essential to presenting an inviting community to any prospective buyers. Let's all do our part to keep LGHV a beautiful place to live.

By now you have made it through the Primary Election and may have decided that you are not registered with the right party or maybe you are new to Florida. Now is the time to make sure you are set for the November Presidential Election.

If you have any issues, you can visit the Supervisor of Elections on 441 across from Advent Hospital in Tavares.. You can call the election office at 352-343-9734 or go to [lakevotes.gov](https://lakevotes.gov) . If you need any help, don't hesitate to reach out to either Lucy West or Nan Rosenthal.

It is hard to believe we are already in September. Where has the year gone! Continue to stay prepared because September is still an active month for hurricanes and storms. So, do not let your guard down. School is back in session, so be mindful of the little ones when you are out and about in the morning and afternoon.

Labor Day is usually considered the unofficial end of summer, so remember all the contributions and achievements of the great American workers as you celebrate with friends and family at cook-outs or barbecues. Keep a lookout for activities here in the community as well as in the local area. A lot of places will host festivals this time of year.

Look at the area around your homes to ensure the gutters are clean, trees are trimmed, yards are watered, and homes are pressure washed. We hope everyone has a safe and fun September and maybe we will start to see a change in temperatures for the better.

### Some Helpful Tips to Remember:

1. If you are going to have someone living in your home, they must fill out an application at the clubhouse.
2. We are currently working on improving the bocce ball courts and cleaning out the ditch line by the nature preserve. Adding lights to some of the side streets will be coming later this year.
3. We are still in the planning and permitting phase of the docks. This is a lengthy process because we must go through so many governmental agencies.
4. We did get a new roof for the clubhouse.
5. Make sure you have your pets on leashes when you are out in the community.

## MEAL BRIGADE

Is actually something new, but not really, because it's been around for a while.

But now it has a name - "**MEAL BRIGADE**".

No one knows when for health reasons meal preparation isn't possible. We've all been there one time or another. Now at LGHV we have an organized "MEAL BRIGADE". Should you or your family member need a daily meal prepared and delivered, please reach out to me. LGHV isn't short of people who readily step up to help one another out.

The Brigade, without hesitation, has stepped up a few times in the past weeks to help out. Please don't hesitate to ask for help.

## **BINGO by Henry Barrett**

Hello to all my Bingo players! We play every Tuesday at 6:30 p.m. We would love for you to join us!

To all our new park residents, if you are interested in playing Bingo and want to try it out, come on down and I will give you a free 15-game packet. The first one is on us! Ask for Henry and I will set you up. We want you to see how much fun it is!

Thank you for all your support of the Leesburg Food Bank with your donations of food, cash, and other items. It is greatly needed and appreciated by the community.

I would like to thank my Bingo volunteers tremendously for without them there would be no Bingo. If you are interested in volunteering, please call or text me at (619) 733-8906 or email me at mail-man1013@gmail.com or come see me at Bingo.

## **LINE DANCING by Joyce Woodington**

Come and join us for line dancing at 10:30 am on Thursdays. It is a lot of fun and great exercise.

I will be posting on LGHAA facebook page on Wednesdays if there is a change or cancellation.

# **THIRD THURSDAY CRAFT CLASS**

## **SEPTEMBER 19th at 5:30ish**

I want to thank the four wonderful guest instructors who stepped up over the summer. These ladies didn't hesitate to come up with an idea and organize a class. Beth Sullivan, Hila Verdin, Alice Woerner, Tina Harshbarger - a heartfelt thank you for the summer off.

Now, for my first class back I want to try something we haven't done before (of course). I would like to make a set of MOSAIC MUSHROOMS for the yard. The design, color, details all will be up to you. The glass tiles were purchased pre-cut in every shape and color. Glass shards with glass nippers just in case you want to cut your own. Each mushroom will be close to 5" tall, perfect size for your garden, flower bed, lanai.

This is a \$15.00 class for a set of the Mosaic Mushrooms, all materials furnished.

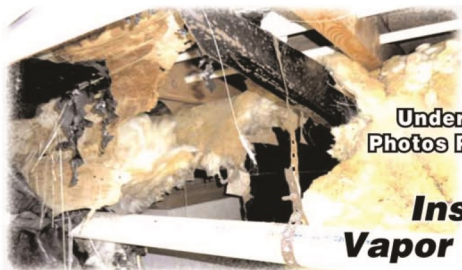

Back to basics, please drop off \$ in envelope with your name on it to my red mailbox at 226 Seashell. Questions just ask.
