FROM THE FRONT OFFICE

Managers Hot Topics

Communication If you want to receive the latest news, you can come to the office and fill out the request form, and we will add you to the list. When I first came to RGV, we only had 400 users, now it is 829 users. For your information, Facebook, Robocalls, email blasts, and Campers APP, are how we communicate with our residents. Robocalls show up on your cell phone as CALLMULTIPLIER 877-357-3575. Many residents block that number and want us to re-enter them into the system. At this point, you will need to unblock that number to receive these calls. I hope that helps.

What is a guest? A guest is visiting for 2 weeks and plans on leaving at the end of their visit. If you have someone living in your home for more than 2 weeks, they will fill out an application and get approved to live in the community. It is a simple process and is necessary to keep everyone safe and it is our rule. We are finding more and more people not seeking approval to live here at Rolling Greens. Please remember this is your responsibility as a homeowner to report this to the office and do the right thing. If you do not, we will send you a letter indicating you have an unauthorized occupant living in your home. This could lead to an eviction. Please follow this rule. Thank you!

Pools Please make sure you shower before entering the pools. Also, when you use another pool, lake, or ocean, please wash your suit before entering our pools. That is a great way to contaminate our pools. Also please ask your guests to use the pool bands. If you need guest bands, please go to the concierge desk and they will provide you with them. We will be enforcing the pool bands this summer. Enjoy and have a great summer.

Maintenance Concerns Please call the office at 352-624-0140 or after-hours # 352-456-9280 if you have an emergency. If you have a maintenance issue and think it is our responsibility, please call the numbers above. We find way too many residents calling vendors without calling us first and then wanting us to pay the bill. That goes against our policy, and we will not reimburse anyone who calls a vendor first. It is our policy to send maintenance out to address your concerns. If it is our responsibility, we will fix it, or call a vendor to repair it at our expense. If the maintenance team comes out and finds it's your issue, they will tell you directly before leaving your home. Then you may call whatever vendor you wish. Moving forward no invoice will be reimbursed to a resident. This is our policy, and we will be enforcing this policy.

MAINTENANCE CORNER

Maintenance Corner

Hello, I hope everyone is enjoying their summer and is ready for cooler weather! Thank you in advance for your cooperation on the matters addressed below.

Yard Waste

Yard Waste **MUST** be put out before 7:00 a.m. each Tuesday and Friday. With the wind picking up, having yard waste out the night before pickup has helped keep the community a whole lot cleaner. Thank you all who have been putting your yard waste in bags and containers. It helps us tremendously. Please trim all branches to 3 feet or less and stack them neatly so that we can pick them up without hurting ourselves. Thank you.

Sewer issues and water leaks

Please make it a point to locate your water main shutoff. If you do not know where it is or cannot find it, please call the office and one of my maintenance men will help you locate it. I am asking that if you experience a sewer backup or see a leak, please report it right away. I have received quite a few after-hours calls in the last few months about these issues only to find out the resident knew about it earlier in the day. Your cooperation is greatly appreciated. Thank you.

After Hours Calls

A friendly reminder that after hours calls are only for maintenance issues. If you need other emergency assistance, please call 911. Thank you.

Water Usage

I have been noticing for quite some time that folks are running their irrigation way too long and way too frequently. The County has tight restrictions on when we can water our lawns. Please abide by these rules. I am currently working with St. John River Water Management regarding our community water usage. Please be mindful and adhere to the following:

- 1) Water on appropriate days as per local regulations
- 2) Water for no more than 15 minutes.
- 3) **DO NOT WATER DURING RAINFALL.**

Install a rain sensor on your irrigation system if you do not have one.

Ocala Irrigation Schedule

Water wisely with an irrigation schedule!

IRRIGATION DAYS

Do you adjust your irrigation days throughout the year? If not, now is the time to start. Irrigation restrictions in the City of Ocala change based on the time of year.

DAYLIGHT SAVINGS TIME

When Daylight Savings Time is in effect, landscape irrigation shall occur only in accordance with the following irrigation schedule and limitations:

- Odd or not numbered addresses: Wednesdays and Saturdays
- Even-numbered addresses: Thursdays and Sundays
- Non-residential properties: Tuesdays and Fridays

EASTERN STANDARD TIME

- Odd or not numbered addresses: Saturdays
- Even-numbered address: Sundays
- Non-residential properties: Tuesdays

IRRIGATION TIMES

- Residential and non-residential irrigation should not occur between 10 a.m. and 4 p.m.
- No more than three-fourths inches of water may be applied per irrigation zone on each day that irrigation occurs, and in no event shall irrigation occur for more than one hour per irrigation zone on each day that irrigation occurs.

IRRIGATION EXCEPTIONS

- Irrigation using a micro-spray, micro-jet, drip or bubbler irrigation system is allowed anytime.
- Irrigation of new landscape is allowed at any time of day on any day for the initial 30 days after the landscape is planted, and every other day for the next 30 days for a total of one 60-day period, provided that the irrigation is limited to the minimum amount necessary for landscape establishment.
- Watering in of chemicals, including insecticides, pesticides, fertilizers, fungicides, and herbicides, when required by law, the manufacturer, or best management practices, is allowed at any time of day on any day within 24 hours of application. Watering in of chemicals shall not exceed one-fourth inch of water per application except as otherwise required by law, the manufacturer, or best management practices.
- Irrigation systems may be operated at any time of day on any day for maintenance and repair purposes not to exceed 20 minutes per hour per irrigation zone.
- Irrigation using a hand-held hose equipped with an automatic shut-off nozzle is allowed at any time of day on any day.
- Discharge of water from a water-to-air air conditioning unit or other water-dependent cooling system is not limited.
- The use of water from a reclaimed water system is allowed anytime. For the purpose of this subsection, a reclaimed water system includes systems in which the primary source is reclaimed water, which may or may not be supplemented from another source during peak demand periods.
- The use of recycled water from wet detention treatment ponds for irrigation is allowed anytime, provided the ponds are not augmented from any ground or off-site surface water, or public supply sources.

All of Marion County, including the City of Ocala, is to follow the St. Johns River Water Management District (SJRWMD) restrictions. The only exceptions are The Villages and the City of Dunnellon, which should follow restrictions of the Southwest Florida Water Management District.

To learn more about the St. Johns River Water Management District watering restrictions, visit:

<https://www.sjrwmd.com/wateringrestrictions/#restrictions-summary>

For more information, please contact the City of Ocala Water Resources Department at 352-351-6772.

Lifestyles Corner

Happy Fall RGV, the Lifestyles team has been preparing for our busy season and is excited for a fun and exciting season at RGV! Welcome home to all our new residents who have recently moved in and welcome back to our snowbirds who have migrated down early. We encourage new residents to find their way to the Community Center once settled into their homes. This way the lifestyles team can introduce ourselves and address any questions residents may have about our programs. We have a lot of fun events coming up and updates to share with you.

Ambassador Program

- DID YOU KNOW that the Ambassador Program is more than just assisting at events? If you enjoy reaching out to new neighbors, helping residents in need, planning events and hosting them reach out to any of the lifestyle team members and we can assist you in becoming an Ambassador.
- CURRENT AMBASSADORS - If you have not received your lanyards or your pin for being an Ambassador please let someone at the concierge desk know and we will get those for you.
- Ambassador Banquet - The Banquet will be on Thursday, November 14th. Ambassadors who have signed up with the Lifestyles team this year will receive an invitation with the location a few weeks in advance to the banquet.

Voting

It is that time of the year again and we need your vote for Ambassador of the Year and Resident of the Year. Voting cards will be available at the concierge desk. The last day to vote for both awards would be Friday, October 27th. Resident of the year award will be announced at Wine Down Wednesday Wednesday, November 13th and Ambassador of the Year will be announced at the Ambassador Banquet on Thursday, November 14th the location is to be determined.

Suggestions

If you have any suggestions for the lifestyles team please fill out a suggestion slip which can be found at the concierge desk. This suggestion box is for the lifestyles team only, if you include suggestions for other departments we will relay that information to that department.

Employee Spotlight

I am honored to announce, that Maddie Van Horn Housekeeping Lead, is a Team member of July 2024. Maddie has been with RGV since 02/2022. When you see her, please stop and congratulate her on this award. She has such an amazing work ethic and is such a hard worker. She does whatever it takes to make RGV clean and always look amazing. She looks beyond the surface, and she is so caring toward residents and her fellow teammates. Maddie, we appreciate everything you do for us. She does an amazing job as team Lead for Housekeeping. We appreciate everything you do for us. Thank you, Maddie! - Terri Passaro

Ambassador Spotlight

For September, we are highlighting Denise Eades as ambassador of the month. Denise has dedicated her time as an ambassador for almost as long as she has been living here so we asked her why she wanted to become an ambassador. Denise and her husband signed up to become ambassadors around Halloween so that they could help decorate for the party and from then on they were hooked. Unfortunately, her husband has since passed but that has not stopped her from honoring his memory as the Ambassador Host for the annual 9/11 Tribute Ceremony. Denise spends a good portion of the year planning and organizing with her team for 9/11 but that doesn't stop her from exploring other activities. Activities include, swimming, attending events, sewing, dancing, and working with Patricia and Deb with their jewelry line Paper Divas. Thank you, Denise, we see you and the work you have done and we appreciate you.

Home of the Month

Les & Theresa Linn 1711 West Gleneagles

Surprise & Delight

We nominated Joe Jutras for all the work he does for so many people in RGV, helping many people we are both happy to have him and his wife Joyce as neighbors! If you would like to nominate a fellow resident for Home of the Month or Surprise & Delight, please e-mail Judy Crites at judycrites@gmail.com Prizes for Home of the Month/Surprise & Delight will be given at the following Wine Down Wednesday.

Veteran Spotlight

This month we are highlighting Bob Parham for our Veteran of the Month. Bob was enlisted with the U.S. Marine Corps in the year 1966 for four years. During his time he made long lasting friendships and is still keeps in touch with most of them to this day. Bob drove for the Admiral in New Port Rhode Island and ended his career with the Marines in Vietnam. Staying in touch with friends and family back home was challenging, there was no internet back then so letters and calls were the only way to communicate. Basic Training was "what it was" he was just a kid when he enlisted. Throughout his time Bob enjoyed fishing and there was one time during Basic Training when they covered someone in sawdust because they couldn't climb the rope. Bob's perception had changed since getting out, he felt like he matured quite a bit in his four years. Thank you Bob for your service and for sharing your story.

Resident Spotlight

Mick & Chris Venditte with Ven Rosa's Rolling Bistro

For the month of September we are highlighting Mick & Chris for Resident (s) of the month. This month Katlynn, Lifestyles coordinator interviewed the Venditte's to try to get to know them better and we are so glad she did! The Venditte's have been living in RGV a little over a year now and we can thank Chris's dad for this one. While visiting their dad they fell in love with the Community, sold everything they owned and moved to Fl. from New York. The couple never thought they would end up in Florida let alone have the opportunity to enjoy this type of lifestyle at an early age but are thankful they can get together with friends, family and are so blessed that Mick recovered from open heart surgery so they can continue enjoying everything RGV has to offer. As Katlynn closed this time with them she asked how Mick and Chris wanted to be remembered, Mick would like to be known as the great drummer in the band, how they both enjoyed having fun and feeding people.

We would like to give a shout out to the office staff at RGV and Cordwin tree service for taking care of a dead bee infested tree on the side of our house. If it wasn't for the work of the concerned staff, the next strong gust of wind could have been a disaster for us and our neighbors home. Thanks to all of you! Terri, Janice, Terrell, Barbara, Dave, John, and Steve and anyone else we may have missed.

Sincerely, The Husk Family

THANK YOU! THANK YOU! THANK YOU!

The Humane Society of Marion County wishes to thank all of the generous residents of RGV for their donations. They are so greatly appreciated and go a long way towards the care and well being of our beloved furry friends. Our organization only exists because of the generosity of folks like you, as we receive no tax dollars. Our donation box is located in the Community Center for drop offs. You can visit our website Thehsmc.org to find out more about our Shelter and our mission and other donation opportunities. Again, Thank you all! Bill Steward HSMC

ACTIVITY HIGHLIGHTS

[Rolling Greens Village Library Corner - by Barbara Critchfield](#)

Wow! The month of August is over and we're welcoming September. Here in Ohio we look forward to September for its cooler weather and the changing colors of the leaves. As I write this article we've had some very warm days. It was almost too hot to sit around the pool today with the temperature reaching the high 90's. If you're ready for a trip north to the New England states, the library has some beautiful books with travel suggestions and pictures that will entice you to travel. The leaf peeping tours are very popular, but the leaf raking not so much. Glance through some of the travel books located on the shelf above the computer, plan a trip or just explore using your imagination. Feel free to use the computer for your research and reservations. I see that many activities are now taking place in the Community Center Lounge area. Looking at the pictures on the Forum lets me see all the fun the residents are having. Thanks to Rachelle and the Lifestyles team for providing such creative activities. It looks like the puzzle table is often used as a party table lately, but I also see that there are lots of puzzles in the library that you're welcome to borrow and take home for a little while. You can challenge yourself with puzzles as small as 100 pieces to as large as 4000 pieces. Pick up a puzzle, movie, music, magazine or a good book next time you're at the Community Center. I can be reached at 352-433-0924 if you have any questions about the library or have items you'd like to donate. I'll see you at the library in early October.

[Rolling Greens Village Blessing Box - Summer hours Monday's 9:00 a.m. to 11:00 a.m.](#)

The Blessing Box is open for donations and distribution of food/beverages from/to our RGV residents. We will accept donations at the main clubhouse during this time. If you are in need, please come pick up food on Mondays. We accept ONLY dry goods at the Community Center on the counter next to the Kitchen. If you are interested in volunteering, please contact Linda Bakos at (804) 921- 2914 and leave message.
