# Manager's Corner - Jeff Belle

Hello Camelot East Residents,

Football, "cooler" temperatures, and the start of cool mornings is the feeling of fall here in Camelot East Village! We also start the return of our residents, so welcome to those who have returned already! August was a month to remember with the heavy rains that Hurricane Debby brought upon our community. The community encountered some minor flooding and minimal damage, as we persevered through the storm and got the community back on track. Many thanks to our stormwater and wastewater vendor, Novak Environmental Solutions for ensuring our sewage and freshwater were in fact working with very minimal issues. Other areas of Sarasota were not as lucky and experienced major flooding. Another "Special" thank you to our lifestyle department and to our own Arlene Kretzmer for assisting with notifications through our social media page and the HOA media page to keep our residents updated. As we are in the primary peak month for Hurricanes, please remain vigilant and ensure that you have a plan in place in the event a major storm comes our way.

The activities for August were certainly the place to be as the month started off with our residents to discuss "What's Happening" which was held on August 6, 2024. The 8-minute hearing screening held by our own lifestyle department on Friday August 9, 2024 certainly saw many of our residents getting their hearing checked, (me included) to the Deck party hosted by the HOA on August 9, 2024. Trivia is always a staple of our community, along with Movie Night and Karaoke! Music by the pool seen many of our residents enjoying the sounds of John Rinell, and last but certainly not least, "A Night in Santorini Greece" was certainly an event to remember! As always if there is something you're interested in and do not see, feel free to mention it to our lifestyle team. I am sure Aly and Victoria can accommodate your activity request! For a complete list of activities, feel free to check out the monthly calendar.

# Manager's Corner - Cont'd

Beginning September 3, 2024, we will begin 360 notices for All homes in the community. You will either receive a letter thanking you for the upkeep of your home, or a notice advising you of the areas of concern that require attention. Letters will begin with the homes that require the most attention and will be completed with those homes that are immaculate. The areas of concern that we will be reviewing are as follows:

- Mold on home
- Gutters not cleaned
- Faded driveway that require painting
- Items not properly stored under the carport/driveway/around the home
- Weeds in planters or around the home
- Overgrown landscaping
- Missing siding
- Dirty driveway
- Overall condition of home

Lot fee collection for the month of August decreased with only thirteen letters sent. Four notices of eviction were sent, and those amounts have been addressed or payment plans have been setup. Please remember that we cannot assist you if you do not reach out to request assistance. We want to make sure we understand your situation and provide a solution if needed. In addition, please remember that you can make your payment through the Resident Portal , EFT, drop of box (located at the front of the clubhouse) or in person. Please ensure that your account is paid up to date as it will incur additional fees. Late fee notices are sent out on the 12th of each month. If you are unsure of what your monthly amount is, please do not hesitate to contact the office. If you are having hardships, please contact the office to discuss your account. Failure to pay the monthly amount required can result in eviction.

My quote for the month of September is simple, "A fallen leaf is nothing more than a summer's wave goodbye." Hello Autumn and goodbye to you summer!

See you around the neighborhood!

- What do Jedi trees say to each other in the fall?  
- May the forest be with you
- What do farmers wear under their shirt when they're cold?  
- A har-vest.
- Why shouldn't you tell a secret in a cornfield?  
- Because the corn has ears.
- What can a whole apple do that half an apple can't do?  
- It can look round.

**Hello Camelot East Residents,**

**We've had a fantastic summer together, and as we transition into the fall months, we're gearing up for some exciting festivities! There are so many incredible events on the horizon that I'm eager to share with you, but first, let's take a quick look back at last month.**

**We began the month with our 'What's Happening' event, which takes place on the first Tuesday of each month. This gathering gives you all the insider information on upcoming events, including exclusive previews of what's in store. It's also a perfect opportunity to discover how you can get involved—and enjoy a treat! Hearing Simplified joined us for free 8-minute hearing screenings, and Aaron was incredibly helpful, keeping busy with a full schedule of residents eager for his services. If you missed him this time, don't worry, he'll be back! Our HOA hosted a delightful 'Music by the Pool' event with John Rinell. It was such an enjoyable evening, and I want to extend a big thank you to everyone who helped make it happen. Mr. Game Show returned with another round of fun as we played Majority Rules (look for photos in next month's newsletter). We're already excited to welcome him back for more events. We ended the month with a special theme night: 'A Night in Santorini Greece.' A huge thank you to our amazing Lifestyle Ambassadors: Spike Jones for grilling, Arlene Kretzmer for making Spanakopita, Pam Carides for the Baklava and Greek memorabilia, Cindy BonDurant for sharing her Santorini photos and travel stories, and Pam Powell, Ina Hetzler, Linda Sue Callie, and anyone else I may have missed for your helping hands. Working with the members of this community to put these events together is truly the best part of my job—I love getting to know you all better at each event.**

**If you thought last month's events were great, just wait for what's coming up! HOA will kick off the month with the Labor Day celebration featuring Holly Rae! Enjoy sub sandwiches, cornhole, and music by the pool with your neighbors as we celebrate Labor Day. Then, on Tuesday, September 3rd, we'll have our 'What's Happening' event at 10 AM, as mentioned above. If you're able, I highly encourage you to join us. The One Blood Bus is back, and remember, one blood donation can help up to three patients in Sarasota County. All donations stay local, so your contributions directly benefit our community. There's a sign-up sheet in the front office, stop by if you have any questions. On September 4th, join us for Wine Wednesday with performer Sara Santiago. These events are always a great time. Edward Jones will be presenting a Coffee Club on September 17th—come for a casual discussion on current events, the economy, and investing. We're also excited about our \$6 Lunch with John Rinell! Enjoy pizza and ice cream while listening to good music—what could be better?**

**Looking ahead to the fall, start practicing now for our Lip Sync Battles in October! We'll also be hosting a Pumpkin Paint and Sip, Halloween Music Bingo, and by popular demand, a concert with Mark Raisch. You won't want to miss the HOA Halloween party with Holly Rae, Mr. Game Show's Halloween Music Bingo, and more fun events in November that will be discussed at our What's Happening!**

**We've got a full schedule of exciting activities planned, and I'm thrilled for another exciting fall season with all of you!**

## Ol' Timers

We call 'em Ol' Timers  
But I wonder if we will see  
The Value of that ol' man  
In the park - there by the tree.  
He may not seem important -  
There's no shine upon his shoes,  
As we pass him with our briefcase  
To a world beyond his view.

But his value might be greater  
And his worth a thousand times  
When we stop to think of sacrifice  
For this land of yours and mine.  
Like when the country was in trouble  
And they fought to keep her free,  
It is taken all for granted  
What they did for you and me.  
So when we see Old Glory waiving,  
Lets not forget who kept her there,  
And give respect and gratitude  
To those Ol' Timers everywhere.  
We call em' Ol' Timers  
But I wonder if we will see  
The value of that ol' man  
In the park - there by the tree.

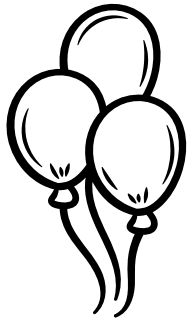

Chet Stanhope

If you'd like to submit anything for the newsletter, please reach out to your Lifestyle Team! All submissions must be received by the 16th of the month. Please note that while we strive to include all submissions, we cannot guarantee when or if they will be published. We will do our best to feature them as promptly as possible.

### The ROMEO Group ( Retired Old Men Eating Out)

is a group of men who meet monthly for lunch and some good conversation. Normally the group tries to visit different eateries in the nearby community. There are no requirements other than being a resident of Camelot East. It is a good way to meet some of the members of the community. It also lets you know what is going on and keeps you informed of the gossip which is always rampant. Come join us the last Friday of each month. We always meet at 11:30 am at the tennis court parking lot or contact Dean Keller at <deke4744440@gmail.com> for more information.

## Fun Facts About September

- The name "September" comes from an old Roman word, "septem," which actually means 7. That's right – September was the seventh month of the year on the Roman calendar – It did not become the ninth month until the advent of the Gregorian calendar.
- The Romans believed that September was looked after by the god of fire. So they always expected fires and volcanic eruptions to occur during this month.
- Out of all 12 months of the year, September is spelled with the most letters. It contains nine letters, and it happens to be the ninth month of the year. No other months have the same amount of letters as their number in the calendar year.
- This September "Harvest Moon" is the fullest moon of the year. When you gaze at it, it looks very large and gives a lot of light throughout the entire night. No other lunar spectacle is as awesome as the Harvest Moon.
- The first day of fall is typically on September 22 or September 23 in North America. This is when the hours in the day are almost equal to the hours in the night. This occurs at the same time as the Spring Equinox does in Australia.
- A little-known, but highly significant holiday falls in September. September 17th is Constitution Day, which marks the day that the U.S. Constitution was adopted.
- There are more pop and classic songs with "September" in the title than any other month.
- We all know that Labor Day is in September, but did you know that September also has a few little known holidays? Among these are National Grandparent Day, National Cheese Pizza Day, and National Drink-a-Beer Day.
- September is known as Harvest Month. It's a great month to harvest in preparation for the coming winter months. In fact, in Old England, it was called "Haerfest-monath", meaning Harvest Month. Some of the best crops to harvest are onions, apples, raspberries, and tomatoes.
- Zodiac signs in September are split between Virgo (August 23 – September 22) and Libra (September 23 – October 22).
- Virgos are known for being loyal, practical, thoughtful, analytical people who sometimes come off as cold, but it's only because they're taking a methodical approach to friendship (like most aspects of their lives).
- Libras are a little different. Their main characteristics include being diplomatic and fair. They like harmony, dislike being alone, and always strive for peace and justice in the world.
- Famous people born in September include Adam Sandler, Amy Winehouse, Bill Murray, Bruce Springsteen, Confucius, Freddie Mercury, Queen Elizabeth, Stephen King, and Sophia Loren.
- The birthstone for September is the sapphire which is said to reduce inflammation, treat fever and act as a lucky charm for the person wearing it. It symbolizes intuition, clarity of thought, peacefulness, as well as loyalty and trust.
