Hello all,

October flew by. Lifestyle keeps adding different events and outings to our Lifestyle calendar, thanks again to our resident volunteers who we could not do this without and Mckenna and Jeanette who do an excellent job and have fun doing it.

We wanted to talk a bit about the improvements we have made over the last few months:

1. 51 New Bollards lights have been installed.
2. We continue to fill in potholes and utility hole covers, if you see any please bring them to our attention.
3. The club maintenance team has power-washed all the pavers at the pool.
4. We had just under three hundred palms trimmed.
5. We are refreshing mailbox stations.
6. We painted all the arrows, parking spots, golf parking and yellow parking blocks.

Golf, Grill and Lifestyle:

We are combining Lifestyle with Golf and the grill, please support these departments, and share your feedback with us. We will also be doing a resident survey in March 2025, so please give us your feedback when the survey comes out.

Cypress Lakes Village- Rental Guidelines for Homeowners:

All renters must complete a Residency Application and be approved prior to arrival. *Fill out application, pay the fee (\$50 US Citizen/\$150 non-US Citizen) and provide required income verification. *All renters must be at least 55 years old. Per the community rules and regulations there are no rentals allowed within the community for less than 30 days. Upon arrival your renter will need to stop at the Sales & Administration Office to obtain a car pass for the length of their stay. It is the homeowner's responsibility to call the front gate with the renter's information to gain access to the community. Renters do not get issued north gate cards. Renters are required to follow all the community rules and regulations. A copy can be picked up at the Sales & Administration Office.

Residents' Concerns:

1. Please pick up after your pet.

A friendly reminder that if you are planning to sell your home here in Cypress Lakes, please reach out to Team Cypress here in our Sales & Information Center. Your Cypress Lakes Sales Team sells more homes, at higher prices, than ALL other agencies combined!

Please join us for "Coffee Talk" 8am on the second Wednesday of each month. This is an effective way to meet with residents, and you can also meet me one on one after the meeting.

Team Member Corner: "Shout Out" Bob Agar is Caught Being Cove Team Member of the Quarter

We recognize his tremendous support of other teammates with a great attitude. When I have needed him on a moment's notice, he is right there plus on Monday nights, he takes his shop vac, bucket and mop and rain guard glass cleaner to do all the glass in the gatehouse and the desktop. He recognizes that he has time to do it, and his other two mates really appreciate that he gets all the bugs and eggs out of the gatehouse. (Bonnie Binns: Courtesy Patrol Manager)

Tish Moore and I (Julie O'Hara) want to thank ALL our CLVPB club members who participated in our 1st annual "GRIP & RIP" Rally Tournament held on September 14th, and made it a success. What a turnout!

A special "thank you" to our tournament sponsors Les Middleton with HEALTHCARE ASSOCIATES, PRICE BUSTERS AIR CONDITIONING, and CLV PRO SHOP for your generous contributions that helped make this happen. We couldn't have done this without your kind support!

And last but not least, a toast of gratitude to Becki Byers for creating our amazing tournament hats, and to the volunteers who helped man our tournament tables, baked cookies, and more: Lorrie Baldwin, Cheryl Courtot, Vicki Drexler, Alvin & Michelle Hayes, Patty Herblet, Charlie Lefebure, Chris Nelson, and Bonnie Tokas. We couldn't have run this tournament without you. Let's do it again next year!

TENNIS

Hello Cypress Lakes Village -

This month's newsletter was intended to be outstretched hands welcoming our seasonal residents back with gladness. Well - Hurricane Milton paid us a visit and now our outstretched hands become one with hope their homes fared well and for those who didn't fare well - we sympathize with your predicament 😊

As Milton gave us an unexpected life event causing damage to many homes - members of the Tennis Club have given assistance to many in need and will be willing to help those in need. Dieter, Bob and Leonard - are doing whatever is in their wheelhouse to help - and there may be others giving assistance as well.

So with that said - let's show Milton he can't stop tennis here at Cypress Lakes Village and put life back into our tennis game. We are happy to see you again - see you on the courts 🎾

Interested, have questions, contact Lynda Pineseault - 248-672-0833 - a cheerleader for tennis!

*Happy
Thanksgiving*

CURTAIN TIME PLAYERS

Well, we've put the October show to bed, and we hope all of you that attended enjoyed it as much as we all did! We are now resting for a moment before gearing up for our next productions.

Come check us out at the Holiday Tree Lighting where Dave Hansen and his crew will entertain you with a very Cypress Lakes version of the 12 Days.

Our upcoming February production will be a presentation of 50 Shades of Cypress Lakes, written and directed by Cliff Greene. You will not want to miss seeing what happens when the love bug bites at Cypress Lakes Village! Auditions will be held on December 9th so mark your calendars and look in the community email for more information.

Our Creative Committee recently met, and we have selected our productions for June and October of 2025. In June, Sandie Wiegert will be presenting Grits & Gravy and in October Vicki Apsey will be presenting Medium Rare.

We're always looking for new people to get involved in our community theater group. In addition to being on-stage there are many opportunities to contribute to a successful production including sound/light, ticket sales, ushering, creating sets, props and costumes, stage management, etc. Come on out to one of our meetings and check us out.

We normally hold our monthly meeting in the Cypress Room on the 4th Wednesday of the month at 4:00. Check the community email for any changes to this schedule.

Please visit our website at curtaintimeplayers.com where you can view past performances including our most recent performances or find us on Facebook.

BCMGA

This is the fifth commandment of golf. Bunkers. When you leave a bunker, you should remove all evidence that you were ever there. A few extra careful strokes with the rake to smooth the sand is always required. Think of the times you have had to hit from another's footprints or inconsiderate raking. With all this rain, we tend to walk to the ball a lot. Please take time to fill your divot with sand and help out by filling a couple more when you see them. I have been remiss and not mentioned the people who made a hole in one on the South course. Congratulations to all!

SWINGERS

Holy Moly hurricanes! I hope all of you made it thru Helene and Milton unscathed. I know the hurricanes have pushed back some arrivals of our members, myself included. Keep checking our FB page for any new updates on games.

Most of our members should be back at this time.

Dues and Donuts will be January 18, 2025. 7:30, North Course Clubhouse.

The games will continue to be best ball scrambles until January.

The tee off time will change to 9:00 in December. And continue through March.

Ladies, if you are looking to play golf with a fun group, consider coming out on Saturdays with the Swingers.

Swingers, are a women's only golf league that plays 9 holes on the North Course on Saturday mornings. No handicap is required to play and we mostly play scrambles, so come out and join us. Our sign up sheet is located in the billiard room next to the Pro shop.

PLEASE NOTE: If you have not signed up by Thursday you will have to go to the Pro Shop so there is enough time to put the cards together.

We are always welcoming new members. \$15 Membership, .25/week for Chip-in's. We play Scrambles every week with 2 or 4 people teams, unless noted on the schedule.

We meet at the North Clubhouse at 8:00 to go over play and 4somes. Tee off is at 8:30 with lunch at The Grill afterwards.

If you would like more information please call our President, Michele Wilson. Please leave a message as she doesn't answer calls that are not in her contact list.

Members, Remember that Donuts and Dues will be in January and not October. If you are on Facebook, please friend Michele Wilson as she will invite you to join our page, Cypress Lakes Swingers Golf League. It will keep you informed of what is going on with play, and other information that will be pertinent to our league.

All games are subject to weather and number of players. If you are not playing please call the Pro Shop @ 863-859-6871.

LOOKING TO IMPROVE YOUR GAME?

Meet Tom Shaw, some of you may already know me. I have lived on Grackle Loop with my lovely wife Nancy since 2014 and we have enjoyed every moment. Golf has occupied a major portion of my life and I have been fortunate to have a long career through the sport. I started as a young teenager working on the local golf course in Oregon, where I developed my love for the game. My competitive career began in high school winning two state titles, earning a golf scholarship to the University of Oregon, resulting in a Pacific Coast Conference title with All American status. After college I joined the PGA Tour, winning 4 tournaments along the way. The Champions Tour followed adding two more victories including a major, the 1993 Tradition. After playing on the tour, I joined the Jim McLean Golf Academy in Miami, FL becoming a Certified Lead Master Instructor. During the past few summers, I have taught in Boylston, Massachusetts at Cyprian Keyes Club teaching 8 weeks of Junior Golf School as well as individual lessons. My experience has allowed me to learn proven teaching techniques to help improve golfers of all levels. I am currently available for individual and 2 for 1 lesson which include bringing a partner or a friend for the price of one. To schedule a lesson, call the Golf Shop or cell phone 954-684-0038.

NEIGHBOR TO NEIGHBOR

What is Neighbor to Neighbor? We are volunteers in Cypress Lakes Village who help to provide companionship and safety to our neighbors. We check in on those who live alone or have caregivers that need additional support. We are also a resource for information about different agencies providing rides, cleaning, handymen, caregivers, and more. Our biggest challenge is identifying those who could use our services and ask that you keep us in mind should you or someone you know need help. We are also always looking for volunteers! For more information about Neighbor to Neighbor and our services, or to volunteer, please contact Cheryl Goetz at (863) 606-5265 or cln2n2021@gmail.com. Join us on December 9, in the North Club House at 3:00. A representative from Senior Connection Services will be joining us to help us navigate programs that are helpful to us!

Living with Alligators – Information from Florida Wildlife Conservation Commission (FWC)

Alligators are an important part of Florida’s landscape and play a valuable role in the ecology of our state’s wetlands. Alligators are predators and help keep other aquatic animal populations in balance. A better understanding of the facts and information regarding these creatures will help ensure that people and alligators can continue to coexist.

Alligators & People

Alligators are a fundamental part of Florida’s wetlands, swamps, rivers, and lakes, and they are found in all 67 counties. Florida continues to experience human population growth. Many new residents seek waterfront homes, resulting in increased interactions between people and alligators. Although most Floridians understand that we have alligators living in our state, the potential for conflict exists. Because of their predatory nature, alligators may target pets and livestock as prey.

****PLEASE KEEP YOUR PET ON A LEASH AND NEVER LEAVE PETS UNATTENDED**

[**Note from CL Management per the Community Rules and Regulations]

In the past 10 years, the Florida FWC has received an average of nearly 16,000 alligator-related complaints per year. Most of these complaints deal with alligators occurring in places such as backyard ponds, canals, ditches and streams, but other conflicts occur when alligators wander into garages, swimming pools and golf course ponds. Sometimes, alligators come out of the water to bask in the sun or move between wetlands. In many cases, if left alone, these alligators will eventually move on to areas away from people. Generally, alligators less than four feet in length are not large enough to be dangerous unless handled.

**One of the best things about Cypress Lakes is the wildlife... However, SAFETY FIRST, Always! Residents should educate their guests.

If you feel an alligator is aggressive or has lost its fear of humans, please call the Cypress Lakes office and Management will address this.

[**Note from CL Management]

Please be aware that “nuisance” alligators are destroyed, not relocated. Visit MyFWC.com/Gators for more information.

TURKEY TIPS

The USDA recommends thawing your turkey in the refrigerator. This is the safest method because the turkey will thaw at a consistent, safe temperature. This method takes some time, so allow one day for each 4 - 5 pounds of weight. If your turkey weighs 16 pounds, it will take about four days to thaw.

To achieve a perfectly golden, juicy turkey, let the bird spend time both covered and uncovered in the oven. We recommend covering your bird for most of the cooking time to prevent it from drying out; then, during the last 30 minutes or so of cooking, remove the cover so the skin crisps in the hot oven.

HOMEOWNER ASSOCIATION NEWS

Many of our snowbirds are back and the activities and fun are ramping up for the season! Your HOA Board of Directors has been busy. Summertime is a chance to rest and rejuvenate, work on on-going responsibilities and imagine new projects. We took the opportunity and you benefit! We welcome volunteers to assist with everything from stuffing envelopes to working on our many committees. Be a part of the team! The more the merrier!

Our first October BOD meeting of the season identified many tasks completed and many in process. Reports were given summarizing Statutory work on lease agreements and pass-through ad valorem tax, HOA membership, safety & security, upcoming events and more.

Our Nominating Committee will gladly receive your bio if you wish to run for the Board at our January 15 Members Meeting. We have several positions open awaiting your interest and talent and commitment! You must declare by the December 9 Board meeting.

For those of you with expiring HOA Memberships, we will reach out to you in plenty of time for your renewal. You must be a current HOA member at the January 15 meeting in order to vote. When you receive your proxy (hand delivered to your home) please note the important response date!

Will we see you at the Veterans Dinner & Dance? What about the Talent Show? Planning to be at the next Pancake Breakfast? Or Community Yard Sale? Or the Shredding Event? Remember to put all the special events on your calendar like the Annual Tree Lighting too! Angel Tree tags will be available in the Activities Office for Seniors and children. You don't have to do it alone. Clubs or neighborhood groups are a great way to make more than one Christmas morning special!

It's that time of year when we enjoy our turkeys in photo ops throughout the community or fully dressed on our tables! Many of you are returning to your winter home maybe worrying about damages from the season's hurricanes. There were some damages to property and homes here in Cypress Lakes. By individuals and neighbors working together and with administration, we are making those vivid memories of fallen trees and high water fade as we quickly return to regular routines and activities. We are an amazing community and YOU make it special! Change? Only to improve on our perfect piece of Paradise!

Remember the community Thanksgiving dinner for those who are alone. We will all be embracing that food coma and giving thanks. For a year of inspiration and support. For starry nights and sun soaked days. For friends and memories made. For the freedom to enjoy it all. From my Cypress Lakes family to yours. Happy Thanksgiving! Gwen Snook, HOA President

SAFETY & SECURITY

As I write this article, I am in KC MO for a planned trip to visit kids here. We are happy that the decision to leave or stay was already made. We left just before Milton came and will be home early next week. As many of you now know, hurricane Milton flooded our streets but thankfully, we all survived the onslaught. We are in the recovery mode; we see what a great community we have with neighbor helping neighbor. A big thank you to all the first responders, who were available to help via air boat. Please remember to stay safe as we begin the big clean up.

Please remember to abide by all posted signs, stop at stop signs, our speed limit is 15mph for a good reason, we have many walkers and golf carts that need to share the road.

From a medical view of this fall please make sure you are up to date with your flu, COVID and pneumonia vaccines. Vax on Site will be here on November 7 from 1200 -130 PM, and they will be able to administer each of them if your insurance covers them. Please bring your insurance card to the visit.

As usual, please feel free to call, text or email me with any questions or concerns.

CITIZENS ASSISTED PATROL (CAP)

Would you like to participate in this group sponsored through the Polk County Sheriff's Department? We assist Access Control in monitoring traffic at the North Gate, especially when emergency responders have entered and the gate is open. Volunteers are asked to give two hours of their time weekly and we encourage more residents to sign up to assist us in patrolling our community. Applications are in the Oak Room and can be mailed directly to the Polk County Sheriff Department, address on the form. You will receive a complete background check (it takes approximately 60 days) and training through the Sheriff's Department.

Many seasonal residents have returned, and we are wrapping up the summer House Checks. Thank you to Joanne Arnold and Cheryl Courtot and Lori Dunn-Haley and Pat Haley, Tish Moore, Kurt Smith, Carol Allen, Sandy Longval & Carla Vassar who provided this service during a really hot summer! This program provides peace of mind for our snowbird residents as we do a regular exterior walk-around of their home. CAP members are trained by the Polk County Sheriff's Department to 'Observe and Report' and if we 'See Something', we 'Say Something!' You will also see us out assisting with traffic control during the annual Craft Fair on November 4. We stay busy helping in our community!

With more people out and about enjoying great weather and activities, everyone needs to be more aware of increasing pedestrian traffic around the clubhouse and throughout the community. Slow down and proceed with caution! Walkers, for your own safety, please walk in single file in congested areas or blind spots.

There will not be a regular meeting in November or December but we will stay in touch through email. Contact Gwen Snook or John Miller if you have questions.

"BETWEEN THE LANES"

by Bonnie Binns, Courtesy Patrol Manager 863-209-2887 bbinns@covecommunities.com
The mission of Courtesy Patrol is to provide a secure, quick and pleasant entry experience into Cypress Lakes Village for our residents, guests, visitors and contractors, with accuracy and accountability and an emphasis on safety with our Rover Patrol.

This month we would like to share with you:

Golf cart safety tips...

Golf carts aren't just for golfing these days. They're also a great way to get around retirement communities. These can be a lot of fun to drive, so it's important to remember that golf cart safety should be taken seriously while driving through our Cypress Lakes Village:

- read the owner's manual for important safety information and to get to know your cart,
- during lightning stay away from your golf cart and golf clubs,
- check your state's laws for driver's license requirements,
- check your vehicle insurance for appropriate coverage,
- only carry the number of passengers for which you have a seat,
- never allow children to operate a cart, operator must be 16 years of age,
- never allow anyone to stand in a moving golf cart,
- never walk your pet(s) on a leash while operating the cart,
- always operate a cart from the driver's seat ONLY and
- always fully engage the parking brake and remove the key before leaving the cart.

As you drive:

Obey and follow all traffic rules. Stop at Stop Signs and travel at the 15 MPH speed limit. Watch for wildlife, pedestrians crossing at the cross walk at the Clubhouse or walking their pets and our landscaping crews working street side...they have the right of way! Stay in your lane and slow down or stop if necessary. Keep feet, legs, hands, and arms inside your cart always. Make sure the direction selector is in the correct position before accelerating. Bring the golf cart to a full stop before shifting direction, and .

slow down before and during turns. Never text and drive the golf cart. Do not drive the cart while intoxicated. Laws are changing in Florida and while we are on private property, we adhere closely to the rules set by the FDOT with an emphasis on safety

As you park:

Park in the spots with golf cart signage at the Clubhouse to leave the other spots open for bigger vehicles and take note of the spots marked Disability. Check behind you before operating in reverse, always yield to pedestrians and use seatbelts, if available.

Adapt to your terrain:

Stay on the golf cart paths when on the golf course after heavy rain. Check with the Pro Shop to see if they have any weather-related golfing instructions. Parking and driving on the grass throughout the community is strictly prohibited. Use extra care and reduced speed when driving in poor conditions or on poor surfaces. Slow down on rough terrain and avoid steep slopes. Be aware that sudden stops or changes of direction could make you lose control of the vehicle.

Whether you're driving a gas or electric golf cart on the course or off, staying safe should always be your priority!

The entire Courtesy Patrol Team wishes you and your family a Happy Thanksgiving!

Congratulations to
Bob Agar

Quarter

As the owner of that vehicle, you have the right to choose where you take your vehicle for repairs.

Minor Vehicle damage, but don't know where to start?

Douglas Collision is introducing curbside estimating in the Cypress Lakes Community Clubhouse Lobby
November 7th
10AM - 12PM

Stop by and have one of our estimators look over your vehicle and write you a collision repair estimate

WREATHS across AMERICA

December 14, 2024

The Cypress Lakes Veterans Assoc. Auxiliary has had a long-standing practice of sponsoring Wreaths at the Florida National Cemetery (Bushnell, Fl.) by "Say the Name" project. It is said a person passes twice. Once when they leave this earth and a second when their name is no longer spoken.

Sponsoring a veteran's wreath is a personal gift of gratitude and remembrance for someone who served this country so that we can be free. The veterans name will be read aloud and insures they have not been forgotten.

The cost of a wreath is \$17.00, payable to the CLVAA. The cutoff date is November 17, 2024 to submit the names.

Please contact Maggie Mott 863-603-8931 or Margie Holmes 856-981-5580 for an order form if you wish to sponsor a wreath in your loved one's name.
