A Message from Your Hyde Park HOA

We made it through October, some of us better than others, but all of us safe! Our HOA and resident volunteers worked hours raking and bagging the leaves along the streets, thank you to all!

HOA Membership applications and your information to be included in the 2025 phone book will be inserted in the November newsletter. You do not need to join the HOA to be included in the phone book, but you do need to return the form. Your membership dues of \$20. per household enable the HOA to hand deliver a monthly (or bi-monthly) newsletter to every household, provide updated information on our bulletin boards, and help to fund our events, and in appreciation of the support of our members, if you have submitted your application and dues money on or before December 1st, 2024, you will get \$5.00 off of your December 14th Holiday dinner ticket purchase (one per household) Will this be the year you will join?

Hyde Park Village is our home. Please be respectful to the rules in place and to all who reside here. The HOA Board works many hours hoping to make this a community to enjoy. Anyone is welcome to help, just ask! We'll find a spot that serves your needs as well as ours.

Veterans Day Celebration

On Monday November 11, Veterans Day, Hyde Park HOA will hold a short ceremony to honor our veterans for their patriotism, love of country and willingness to serve and sacrifice for the common good of America.

We will gather in the garden by the flag pole at 10:45 am to honor these men and women. We will recognize our Hyde Park neighbors who have served in the

various branches of the armed services, then at 11:00 am we will observe a moment of silence coinciding with the time that the armistice ending of World War I took effect. This time is celebrated all around the world.

We extend a special invitation to all our veterans to be recognized. We also invite all residents to come together to show our appreciation for these special people and their service. Coffee and pastries will be served.

Movie Matinee Monday

On **Monday, November 18th at 1:30 PM, Movie Matinee Monday** returns with the showing of the 1963 classic, **Charade**, starring Audrey Hepburn and Cary Grant. Other cast members include Walter Matthau, James Coburn, George Kennedy and Ned Glass, in this romantic comedy/mystery thriller . The movie was filmed on location in Paris and has earned the reputation of being “the best Hitchcock movie Hitchcock never made”. Henry Mancini’s score features the popular theme song “Charade”.

The HOA will again provide popcorn and lemonade. We hope you will join us in watching this classic film!

Hyde Park Village residents—It’s that time of year again when we begin the process of fundraising for next year’s operating expenses and events. Several years ago, the Board decided to eliminate ads in our monthly newsletter and instead to have a publication dedicated solely to advertisers supporting our park, as we support their businesses. Thus, The Hyde Park HOA Informer was created. A dedicated few pounded the sidewalks, made endless phone calls, and sent many emails starting this booklet. 2025 will be the sixth year we have published The Informer. We are asking for help in keeping this going, hopefully expanding as we move forward. If you are a great sales person, let us know! If you have business contacts who you think would be a good fit for The Informer, contact us, pick up a sales/information packet and take it to them. And as a reminder to all residents, patronize the current advertisers and let them know how you found them! Contact Kathy Weisner or any board member for more info.

With us moving into the holiday season, pay close attention to your newsletter and notices of upcoming events. This is a great time of the year to come out and enjoy each other's company. Thank you to everyone that plans and executes these events. Fall is a time for harvest, a time when farmers reap the fruits of their labor. It's a season of abundance, where markets overflow with fresh produce like pumpkins, squash and apples. The bounty of the earth reminds us of the importance of gratitude and the connection between our food and the land. Remember that anyone living in your home must be registered at the office and a background done. If they are renting, then a background and credit check are done. Any work being done to the exterior of your home must be approved by the office and you must obtain City permits. The work on the pool to resurface it has been pushed back to 2025, due to unexpected expenses from Hurricane Helene and Milton. Thank you to everyone for your quick reaction to clean up around your homes after Hurricane Milton. It was greatly appreciated.

Some Helpful Tips to Remember:

- Speed limit in the community is 15 MPH. Be Careful for wildlife and grandkids.
- If you use some form of bill pay to pay your lot rent, make sure to adjust your payment to the new amount so there are no issues with the payment in January.
- The parking lot by the office is for temporary use only and no commercial vehicles should be there long term. Resident's vehicles should be parked at their home.
- Please be mindful of scammers who prey on people after natural disasters. If it is a contractor then make sure they have a license with the state and never pay upfront.
- Everyone, please check your carports and declutter and put away items that don't belong there. They are not to be used for storage or a workshop. Also, there are homes that need to weed your flowerbeds and pressure wash. If you receive a notice, please make sure and take care of it in the time allotted.
- We have noticed an uptick in solicitors in the community and the entrances are clearly marked no solicitation. If that is the case, then you can let the office know but also contact the nonemergency number for the police department.
- We do have a lost and found at the office, so if you have lost something around the clubhouse then it might be in there.

"Gratitude is a most powerful catalyst for happiness."

Remember to sign up in the Library on or before 9:00am on the Monday prior to the Wednesday of the Lunch and Learn you will be attending. Lunch and Learns start at 11:30am. If you have signed up and find you are unable to attend, please let Edith know.

NOTE: Our November Lunch and Learns will be the 1st and 2nd Wednesday of the month, due to the Thanksgiving holiday.

November 6th— K2 Medical Research will be here for an informative session on the MIND Diet and how physical activity and involvement help in managing cognitive decline as we age.

November 13th—Tom Hoffman from Baldwin Brothers Funeral and Cremation Society will bring us an educational seminar. Tom always gives us a lot of information on something we try not to think about, but should.

Notes from our Librarians, Suzie, Karen & Rosemary:

Our Librarian Team of 3 is doing a great job of organizing our tiny but mighty library. Did you know we have published authors residing herein Hyde Park Village? Their works are currently being highlighted in our library. Always keep in mind the library's size, and is just for books, puzzles, CD's, and DVD's, and perhaps a few calendars!

The OCLS Bike BookMobile comes to Hyde Park Village on the 2nd Tuesday of each month at 10:00am. Ethan and Gabby hand pick books for our residents to enjoy, but if you would like to request something specific, give the Winter Garden branch a call or let one of your HPV librarians know and hopefully it will be available to bring with them. This service has been enjoyed by a small number of our residents, we'd like to see many more come out to see the Bike BookMobile, chat with Ethan and Gabby, get a library card, and check out a book or two! Their next visit will be on Tuesday, November 12th at 10:00am!

Get to Know Your Neighbor - Danielle Cook

The colorful history of Danielle is a continuation of her parents' legacy. For example, her parents met at a Missouri Army base when her Air Force pilot dad, as a decorated war hero, selected Danielle's mother, an Army transportation officer, to accompany him to St. Louis on a war bond tour to raise funds. A year later she acquiesced when he selected her to be his bride!

Although she originated in Baltimore, Maryland, only four months later she, mom, and sis Geneen, were residing with Dad in Tokyo as he helped rebuild Japan's Coast Guard. Later the family was thrust into the Washington D.C. political environment when Dad served as a Pentagon liaison. His military portfolio even included a tour in Turkey as a CIA associate.

A duo set of memories are vivid for her; she wrote a children's suspense story at age 8, which was a foretaste of her love for writing now. She also was a U.S. representative in a choral group performing in Expo '67 in Montreal.

Edgewater HS, Orlando, nurtured diverse talents in Danielle as she performed in musical theatre productions and was in the Latin Club. A University of Florida political science degree was obtained to possibly fill a position of campaign manager; but after a brief taste of Congress, politics faded in job attraction. Attractions in college included sky diving, working with an active women's movement, and registering Blacks to vote. During her earlier years in Orlando, many signs of prejudice were glaringly evident. Taking a pleasant occupational hiatus, Sahara Casino, Tahoe, beckoned Danielle to meet Sammy Davis Jr., Liberace, Elvis Presly, and Steve McQueen.

In her childhood flexibility of adjusting to multiple military residences, Danielle as an adult readily assumed multiple business positions in numerous locations, national and international. She also incorporated many business components in her positions that helped her establish a firm foundation for management positions and later self-employment and partnership with her younger brother Gordon. For example, the ladder rung of Yardley of London helped her traverse PR, sales, and brokerage. Building momentum, she became manager of 17 West Coast HH Robbins Pharmaceutical employees. She consulted with international companies as she helped them negotiate all aspects of establishing their firms in the U.S., like the Australian Company Thursday Plantation, who developed Tea Tree Oil to prevent fungal infections. With blossoming confidence, Danielle succeeded in positive self-talk training to encourage others to achieve the success she had already garnered. In later years, Danielle received awards for her writing and her multimedia art projects in Florida.

At age 60, Danielle determined her life contained enough accomplishments to share with a spouse, Howard Cook. They thrived together for the next 15 years as traveling companions all over the world, including multiple cruises, before Howard passed away.

She vividly recalls the Arlington National Cemetery burial with full honors for both of her parents. She also celebrated her husband Howard's life with a memorial sailing expedition with cherished participants.

Danielle has resided at HPV since 2020, where she writes, creates multi-media art, works part-time at the SOBO art gallery, and takes a sculpturing class. Her older sis Geneen presently resides in Orlando. Danielle is an "ordinary person who got to lead an extraordinary life."

November Pet of the Month

Hello
Hyde Park

Meet 'our boy' Bo who just turned 16 years old in June. Ellen and Jeff Helfgott adopted Bo when he was 2 weeks old, just fitting in the palm of their hands. Bo moved up with them from South Florida to Hyde Park 5 years ago and is now one of us senior citizens (except he doesn't collect social security). Bo has always acted more like a dog than a cat. He is **very** affectionate. He fetches (well when he was younger) and he is a lap cat, sitting on Ellen and Jeff (mostly Ellen) and enjoying tv with them. He meows to Jeff looking for treats while he follows Ellen everywhere she goes in the house. Bo is an inside cat but loves the lanai, sitting out there watching our neighbors go by and watching the birds and lizards. If he ever caught a lizard in the lanai he would only play with it, but not for long, because Ellen would take the lizard and release it back out to the wild, as Bo watches. Ellen and Jeff finished by saying.....Bo has been the most loyal and loving pet!

AT YOUR SERVICE

Our First Rummage Sale A Large Success!

Thanks to the generosity of our residents we had a jam packed clubhouse of merchandise for sale at our inaugural rummage sale on October 12. With the proceeds from our food concession and well received bake sale, we were able to realize a profit of just under \$1400.00. Wow! We thank everyone who donated merchandise, baked goods or their time and energy. We had dedicated volunteers who worked all week long, even in the hurricane, to organize and price everything. The day of the sale we had plenty of volunteers helping buyers, loading goods, collecting money and then at the end packing up the left-overs. The left-overs were donated to the Hope Center to be sold in their store with proceeds helping the local community.

Your HOA will be using the proceeds from this sale for various projects here in Hyde Park. The first project will be to Light Up the Park for the holidays along with a tree lighting ceremony. Details in this newsletter.

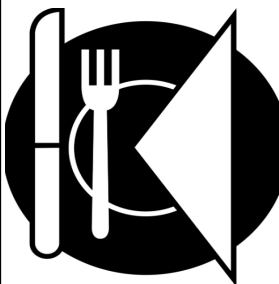

DINNER COMMITTEE

Many thanks to those who helped at the Food and Bake Sale Table during the Rummage Sale on October 12th.

Many of our wonderful bakers here made delicious treats to raise money for the HOA "Light up Hyde Park Village for the Holidays" fund. We sold out of everything! Our donuts, ☕ coffee helped the workers and shoppers fuel up for the morning. Lunchtime started early for many of us, with hot dogs available by 10:30.

Looking ahead, November 9th will be our Fall Harvest Dinner, a Traditional Thanksgiving Feast! And the rumors have been confirmed, there will be 2 Elvis' in the Clubhouse that night. And then, before you know it, the Holiday Dinner on December 14th will have the return of Adrienne and Scott. They are always a crowd pleaser!

Pam enjoys working out in the yard and keeps everything trimmed, and weeds pulled. Their side yard is planted with Lemon trees, Avocado, Plumeria and Loquat.

Pam and Doug will receive an Ace Hardware gift card from Hyde Park Village. Congratulations!
