Bob graduated from Belding High School in Michigan in 1958 then attended Ferris State College for 4 terms or semesters. On September 5, 1963 Bob was drafted into the Army. Even though he was married he was still drafted. Shortly after being drafted a law was passed not to draft married men so men were lining up to marry so they wouldn't be drafted while others went north to Canada. Bob went through Basic Training in Fort Knox, Kentucky then was sent to Fort Polk in Louisiana. There he was put through training for marching in a parade on November 22, 1963. Bob said they didn't know what happened and were marched back to the barracks. That was the day that President John F. Kennedy was shot so everything was put on hold.

Bob was assigned to the Land Navigation Committee and ended up being an instructor teaching the use of Map and Compass. Bob was on the Rifle Team, ran in one track meet in San Antonio, TX and drove a water truck and watered down trainees while in training. Bob was also a gunner in a Tank on Patrol stating that this was very dangerous.

Bob tried out for the EIB Award, the Expert Infantry Badge. He explained that it involved numerous challenges but he did it and succeeded. Out of approximately 160-170 that tried out only 6-7 made it. Quite an achievement Bob!

Later Bob worked at the Officers Club as a bar waiter, the pay being \$0.75 per hour and he walked one mile to and from work. Bob attended Mardi Gras saying it was dangerous even at that time. He made Sargent and became a squad leader. Bob was discharged on September 4, 1965 as an E5.

Bob mentioned that after discharge he joined the American Motorcycle Association and the Michigan Hill Climbers Association, becoming the President of the motorcycle club. Every Sunday approximately 125 cycles of all classes, men and women, would race cycles up hillsides with trophies for winners. Bob said he was competitive and semiprofessional. He raced with Triumphs and Yamahas. He did this from 1966-1968. Bob still owns a 1969 500cc Kawasaki, bought brand new, he doesn't ride it just talks about it. He also has 1972 175cc Kawasaki and a 1984 400cc Suzuki that he gave to his grandsons.

Bob went to 2 summer camps, one at St. Cloud, Minn and the one at Camp Graling in Michigan. He worked as an Ironworker out of Local 25 in Detroit, Michigan and retired in 1995. He was a trustee and on the Examining Board. Bob also attended the 1996 Olympics in Atlanta, Georgia.

Bob has one son and one daughter, 6 grandchildren and 5 great grandchildren. He and partner Donna Sutton have been together for 11 years and live at Holiday RVV year round.

Remember Misery, Agony and Heartbreak Hills in Fort Knox, Kentucky!

Welcome back if you are just returning. Please be sure to get your new car sticker on your vehicle for easy entry into the community. Check in with the mailroom so they know to open your mailbox. We are looking forward to a fun filled winter season.

It has been a long October already with a week to go. I would like to share with you a picture of the last few weeks through my experience and eyes. Prepare, prepare, prepare – how do you truly prepare for a Hurricane? No matter how much you prepare a Hurricane is a force like no other. It is a double-edged sword. You pray that your people and community will be spared, but you know someone else will be hit. As the storm approaches, each hour seems like a day. Why is it that hurricanes hit in the dark of night? Oh, it gives you time to prepare for what you will see in the light of day. You keep telling yourself you need to sleep to prepare for recovery. Who sleeps as the king of destruction is headed toward our community? You start to hear the wind ripping across the roof and trees cracking and falling. The minutes seem like hours and the hours like days as you wait for the light of day to see the destruction left in its path. Prepare??? for what I would find? I prayed that everyone was okay, but my heart grew heavy as I assessed the property. It was difficult making my way around as so many streets were closed due to downed trees or metal carports/debris that you were not even sure where it came from. As I made my way slowly through the community, my greatest fears were realized when I came upon several homes with uprooted trees resting on them. Fortunately, the residents were not home. They say a picture is worth a thousand words. Not in this case. The pictures do not even begin to provide a true picture of what I saw during those first hours of driving around the park. Recovery started immediately and it made for many long hard days. I am so grateful for our HRV Team and am proud of their determination to recover from the effects of Milton. The outpouring of support from residents, relatives, and vendors giving of their own time and expense was amazing. I cannot express my gratitude for your caring and support. As I look back, the most comforting thing I can focus on is that we did not have a loss of life. Looking forward, we are still working at total recovery, but it will come. Please be patient as the vendors secure equipment and can address the outstanding issues. The power surges were rough on electronic equipment and the tree limb could not have fallen 2 feet in the other direction away from the Activity Center a/c condenser. We are also waiting on a contractor to come to address the Comfort Station Roof issues.

As we head back into season.....

Pickleball

A small group of PB players are meeting on Mondays, Wednesdays and Fridays at 7am. Experienced players, come and join the fun! The courts are open for play- except for when they are reserved for lessons or RoundRobin. Open play is welcome any time the courts are empty- even after dark, we have lights! (Be mindful of the HRV Quiet Hours rules).

Lessons will be Tuesdays at 10am when more of our Northern friends have arrived. The start date will be announced soon.

Once we have enough people, RoundRobin will be on Tuesdays at 11am after Beginner Lessons. Dear beginners, the courts are reserved for beginner play during the lessons on Tuesday-Thursday and Saturday at 11am for one hour. During scheduled beginner play times, we are planning to have experienced players there to help with rules and techniques. This does not limit beginner play to 3 hours a week. Anyone can play at any time as long as the courts are unoccupied.

Holiday Yacht Club

The first membership meeting of the season for Holiday Yacht Club is Tuesday, November 12 at 4 PM in the Activity Center. Please leave the room with tables covered and lights turned off. Just as a reminder no one under the age of 18 is allowed in the Pool Room. At 7:00 p.m. we draw pills for partners and commence playing every evening. The league will be starting in November. We would love having an audience; however, due to lack of space, the pool room is closed the day of the tournament. Safe travels for those who are coming back down! Vincent Feik

Machine Embroidery Club

Ladies, we still need your Summer Projects and Show and Tell! New members are always welcome. Safe travels to those who will be coming back to Holiday for the Winter Season! Kathie Feik

We begin meeting the first Monday in November. This group is for all who crochet, knit, cross stitch, embroidery, etc! If you don't know how to do one of these crafts, but would like to learn, there are people in the group who would love to show you how. For those who are already in the park, feel free to get together. I will be coming down in the later part of November myself. I am so excited to see all of you again, and to enjoy our time together!

Save the Date – Christmas Golf Cart Parade

The Annual Christmas Golf Cart Parade will be Saturday, December 14, 2024 at 1:30 PM. This event is sponsored by the Residents' Fund and hosted by the Holiday Yacht Club. This year's theme is "Jingle Bell Jamboree". Everyone can participate! You can decorate a golf cart, boat, bicycle and win prizes or vote and view the parade participants.

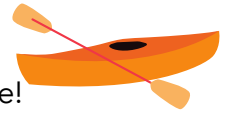

This event will be accepting donations for the annual Toys for Tots drive and non-perishable food and pet supplies for our local area.

More details about the parade line-up/route and the After Party will be included in the December Newsletter. In the meantime, if you are packing to head south before the parade, remember to look around your home for items that can be used to decorate your parade entry.

Happy Holiday Kayakers

Pray everyone has weathered Milton as best as possible. What a great Community we have! Our weekly outings have resumed with our group leaving from the Park Entrance parking lot at 8:00 am for November. This month's scheduled outings are as follows:

Thursday - 11/07 Chassahowitzka River ® with Lunch at The Freezer (which is CASH ONLY)

Wednesday - 11/13 KP Hole on Rainbow River® with Lunch at Swampy's

Wednesday - 11/20 Silver Springs State Park® with Lunch at Mojoes Grill

Wednesday - 11/27 Marsh Bend Boat Launch with Lunch at Catfish Johnny's

Cancellation due to inclement weather will be posted at least ½ hour prior to departure time.

When our adventures go outside the Park, we encourage ride & transportation shares to decrease the vehicles as well as to assist those with transportation needs for persons &/or crafts. If you plan to join us &/or require transportation assistance of person &/or craft, you must notify us by 5 pm the day before the scheduled paddle. We have three locations this month where rentals (®) are available for those interested, but your reservations will need to be made individually. The trips normally involve a 2 to 3-hour paddle, & we plan a lunch stop afterwards at a local restaurant. We need headcount for restaurant reservations.

All crafts must have a life jacket, paddle & whistle. We strongly encourage dressing in layers, sunscreen, water & snacks in reusable containers. A dry change of clothes is also a good idea to keep in transport vehicle. We do request emergency contact information for anyone paddling with us, just in case.

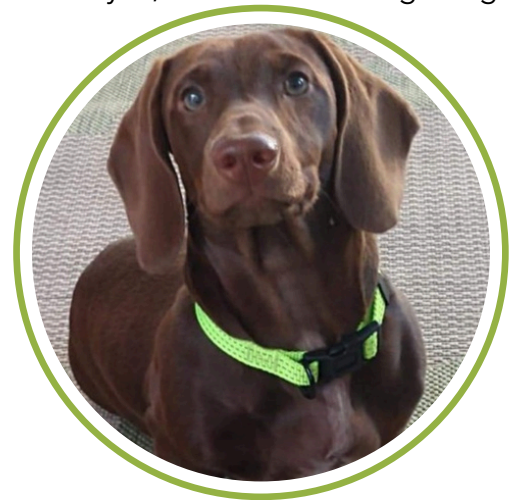

If you are not using a kayak & might be interested in loaning &/or selling, please give us your details. We would like to remind everyone they can join the Holiday Yacht Club, if you own a kayak, which is another great group of people in our HRV community. Happy Holidays.

Dog of the Month

Meet Jaxson!
As told by his mother...

Bill & Melinda Refenes are my servants, or Parents LOL

We decided 14 years after losing our other sweet little girl dachshund Heidi, that we were ready for another. We jokingly call Jaxson our "covid baby". With Bill being retired, and I was home part time that summer, we decided that we would have the time to spend with a puppy, and work with him so he could get "us" properly trained before going back to work in the office full time. We were able to get him his very own basket for the golf cart, and the rest is history. Everyone can see him coming, he loves everyone he meets, (except Newman of course) his nemesis.

Jaxson is a Chocolate Dachshund, with green eyes. True chocolates will have a white star on their chest, and green eyes. He was born May 10, 2020. He is 4 years old, and our "mini" dachshund weighs in at a huggable 25 lbs.

His all-time favorite treats are anything and everything, except peanut butter flavored, he is the one dog in a million that hates peanut butter. He loves his toys, but I think his favorite is a small soccer ball, he will pile toys at your feet, until he gets his point across to us that he wants to play.

His favorite things to do are go for walks, with Bill, and golf cart rides to visit his "friends" We often hear people calling out to Jaxson, we are always an afterthought. He has decided that he loves swimming in the ocean, and swimming in his Aunt Susie's pool, and sitting on Mel's lap in the hot tub enjoying the bubbles, he's never ready to get out, he would stay all day if he could.

Reminders

Articles for the December 2024 newsletter are due in the Lifestyles email inbox no later than 5pm, November 17, 2024. Articles must be submitted via email to holidayrvactivities@covecommunities.com

Hello, friends. A big welcome back to those who we have missed the presence of the last six months!

Firstly, it is true that I am moving.

My family and I are moving to Michigan, we're hoping by the first of the year. We have to find a cash buyer for our home which is not an easy task. We've been talking moving for a while as some of you know, but the last hurricane really pushed us. We need the support that we have up there and don't have here. It has been an amazing opportunity to work here and meet all of you. I thought I was done being a Lifestyle Coordinator before working here. Residents in luxury apartment complexes can be brutal. You have all been patient and supportive. You have made my time here fun and memorable. I will miss you all so much and forever cherish some of the conversations we have had. If you have any advice or recommendations for a Florida girl who has never been in snow, I will happily be accepting them.

If you are an ambassador, please be sure to turn in a head count for your activities by the 25th. If you have an event that people pay a ticket price for, we need to know how much was collected and where it is going. We have our Harvest Homecoming coming up. It would be nice to see you all dress up and vote Harvest Queen and King. You can nominate yourself or others in the Lifestyle Office, but please verify their attendance to the Harvest Homecoming dance first!

Our preliminary Cove's Got Talent Show is scheduled for Friday February 7th at 7pm in the Activity Center. Last year our winner, Danny Insley, went on to the finale and got 2nd place! We hope to have a great turnout this season as well. Everyone is welcome to perform. We will have three judges from outside of the park. All proceeds collected during Cove's Got Talent benefits DAV. You can register to perform starting in December. Start planning your performances, I cannot wait to see what you have in store for us this season!

Now that we cannot do 50/50s for DAV, we need other fundraising ideas. I plan to do a 5k but need more ideas. We are not doing any sort of craft fair, other than the Resident Led Christmas Bazaar. Please come see me if you have any ideas/suggestions!

No one is to host a 50/50. The Residents Fund Committee is working on fixing the signboard in front of the Activity Center. I miss my furry friends, so be sure to stop by Yappy Hour at the end of the month!

Happy Fall everybody!
