LENDING CLOSET

Before you purchase any necessary Durable Medical Equipment:

Check with the Strawberry Ridge Village Lending Closet, located at the Clubhouse, which provides medical equipment to our residents upon request. Call us and one of our volunteers will be happy to assist you by providing many of your needs on an available basis. This service is at no cost to our residents, is a great cost-saving measure, and the loan of the equipment has no time limit. You may keep the equipment if it is necessary.

We have wheelchairs, transfer chairs, crutches, canes, walkers, bed rails, potty chairs, and shower chairs. These items are available for all our residents to borrow. Donations of the mentioned items are also accepted. There are limits on the type of supplies we can accept. We cannot accept respiratory items, diapers, walking boots, medications, stability belts or other disposable items. All that we ask is that when returning borrowed items or donating items please ensure that all items have been cleaned and are fully operational. The volunteer staff does not have the ability to clean or repair any items. Presently, the Lending Closet is in short supply of Rollator Walkers. Any donation of or return of one no longer needed would be appreciated.

If you have any questions or need any of these items, please contact one of the people listed below. If you are donating items, please call any of the numbers so we may secure them for future use.

MEET YOUR NEIGHBOR

By Rhonda Hartzler

I'm sure many of you have seen our neighbor of the month around the Village, as she is an avid walker and swimmer. I am excited to introduce you to Sue Moucha. Sue has lived here in the Village for 10 years. She is a true Floridian, having been born and raised in the Brandon area.

Sue is a celebrity in her own right. Sue was born with cerebral palsy which affects the right side of her body, but she has never let that slow her down. In college Sue became interested in track and swimming, and after college started competing. In all of her years of competitions in swimming, track and weights she has amassed an amazing 250 trophies. She became a four-time member of Team USA at the Paralympics, winning two gold medals in running and two silver and two bronze in swimming, where she set a world record and two American records. She was a 1996 Olympic torchbearer. She has competed in local, national and international competitions. She continues to compete in Masters Swimming competitions on occasion.

Sue's suggestion for anyone just retiring is to find something you enjoy doing and keep involved in that activity. She enjoys living here in the Village and takes advantage of many of the amenities, especially the fitness center and the pool areas. I have just scratched the surface of Sue's many accomplishments. Google her name and you will find many articles to read. If you see Sue out and about in the Village, please introduce yourself and let her know you read about her in the Toppings!

News from Strawberry Ridge Village Office

Matthew Clark
Community Manager

Hello Residents,

It's February and love is in the air. Let's show our love for our community, our neighbors and the team we have to assist everyone. How can you spread love this month? Offer help to someone in need or plant some new plants/flowers. As always, following the rules and regulations helps me and my team. Your dogs must be on a leash when outside and you must pick up after them. We get daily complaints about dog owners being irresponsible. Stop at all stop signs and do not park on the street overnight.

Now that we are in 2025, several planned projects can begin. The first of the projects is the storm water drains that run the middle of the front half of the park. We are sending a camera into the system to find where the breaks are in order to make the repairs. An engineer was out in January to provide guidance on Lake Tahoe and the overflow that occurs there.

I hope all of you have a great month,

Matthew

Happy February All!! I hope everyone had a Happy New Year! Now that we are settled in with the new rent increases for 2025, I would like to address some things. When putting the lot rent checks in the box please do not send Cash or Change as it is not acceptable; also, please do not staple or tape the checks to the statement, they make holes and rip the check. If you are a renter or you rent your MH, please let the office know when the renter leaves so we can update the system and deactivate decals as needed. Thank you!

Strawberry Ridge HOA News, Nuggets and Notes

February already, I really do not know where the time goes. Maybe it's because we have so many great things to do and we never get bored. Below are the confirmed HOA sponsored events for the month but remember there could be additions.

Watch out for Lunch and Learns during the year that may not be on this calendar, we had a lot of interest from vendors at our Resource Fair and dates may be set up after publication of the Toppings.

- **Our Annual Meeting has been moved to March 8th**, this is to allow for the required number of days to notify you of the date. There are amendments to the bylaws that need your vote. If you care about your community, it is important that you attend this meeting as we need 54 people to attend that can vote to get the bylaws passed.
- All applications for board membership must be submitted by the February HOA meeting. Forms are available at the HOA office. There are 3 positions available this year.
- Please remember that you will need to be a paid member of the HOA to vote on the Bylaws amendments and new Board Members at the March Annual Meeting. The last day to join to qualify is January 31st. Membership is \$6 a year or \$15 for 3 years. Forms are available at the Activity Center or contact the Chair of the committee, Jodi Hamel, at 813-728-0110. If you are already a member you will be contacted to remind you of your renewal.

January was another busy month. Elvis paid us a visit and of course was as entertaining as always. Even though the power went out before the end of his show, he stayed to have his photo taken. The Magic Show was a first and did not disappoint. Keep your eyes open for more new events and entertainment throughout the year.

I would like to take this opportunity to thank the Event Committee and the many volunteers who continue to make the events wonderful for all of us. The commitment of their time and energy to ensure that we have a good time is above and beyond.

There have been a lot of comments made that our Toppings dates and information are often incorrect. Please bear in mind that we must write this for the next publication by the 15th of the previous month. There are times when things have to change due to circumstances beyond our control. Please understand that we try our best to give you the correct information. Visit the Strawberry Ridge HOA Facebook page where we post changes as and when they happen.

If you want us to post something please email me, Liz Fields, President. pressrhoaf@gmail.com.

Matthew and Park Maintenance continue to work on everyday issues and repairs. Thank you to them all for their continued hard work. If you have any issues, remember that there is a member of the Board handling this. Your board member contact for such issues is:

Mazie McMahon who can be reached by email at mam.dirsrhoaf@gmail.com or by phone at 813-373-0319.

Jeannie O'Dell, (205) 688-6525, Lisa Beckmeyer, (813) 610-9696 or Willie Clark (931) 212-5940.

The Strawberry Ridge Benevolent Fund Inc. (Fund) has been in operation for a number of years and was recently incorporated as a 501(c)(3) organization to provide food and household supplies in Strawberry Ridge Village. There are families in our community who struggle to pay for the necessary expenses of food, transportation, medical costs, and utilities. The Fund provides monthly food bank distributions as well as arranging for limited household maintenance, such as pressure washing and gutter cleaning. The Fund is operated by the monetary and food donations of the residents and welcomes any donations (monetary donations are tax deductible). If you know of anyone or are yourself in need of food, please contact one of the individuals listed above.

THE GOLDEN GILD

John Jones

I would like to tell you about a new group/club that I would like to start in the Village. "The Golden Gild" is the name and "The Golden Rule" will be its creed. My hopes for "The Golden Guild" or "The Gild" for short will have activities designed to reestablish something we have lost in the last few years. Kindness and charity of our neighbors inside and outside of our village, our city, state and county may even the world. We are separated by so many physical and mental barriers that it makes it so hard to feel like part of a community, anymore.

However, we can change things if we all decide as a group that we aren't going to allow it anymore. The Golden rule will be our guide: to do to others as you would have them do you in all circumstances! Please let me know if you want to take the journey with me to renew Strawberry Ridge and all the rest! There's going to be Great things on the Horizon! -John Jones, floydk2525@gmail.com or 352-219-3964.

Strategies for a Stress Free Life at Strawberry Ridge!

These days and one the greatest problems during water outages is not having water for Flushing and drinking, right? Did You know that the internet thingy says it takes approximately 2 gallons or less of water to flush most toilets and the average person needs 1 gallon of drinking water per day? So what if I told you that you could solve BOTH problems for 15 bucks. The first thing you have to do is ACCEPT that Water outages will occur AND that the only person who can mitigate the situation is YOU not the Office or the Government. The second thing you must do is to be prepared. To buy a gallon of bottled water in Valrico starts at \$1.25 (Dollar Tree) so for \$15 you can get 10 gallons of water to use as an emergency drinking water supply. Also, if you drink milk or other drinks that use one gallon plastic bottles you can rinse the container out and refill with tap water to use for non-drinking purposes, like flushing or hand washing. Keep all the water in a temperature controlled location like a hall or bedroom closet for best results. 10+ gallons of non-drinking water and 10+ gallons of Drinking water will go a long way in reducing the stress of a water outage and that's the Key. Start prepping now, Kids!

Suggestion: Ask your neighbors or family members for any of their extra clean milk or water Jugs to quickly stock your emergency non-drinking water supply. When you borrow empty jugs from your neighbors you can let them know what you are doing and why so they can also be better prepared for the next outage as well! In addition, It's better to buy drinking water because it's in sealed containers, and If you prefer to buy smaller water bottles in cases that's fine too!

10+ gallons of Drinking water On hand plus 10+ gallons of Non-Drinking water On hand

= LESS STRESS DURING WATER OUTAGES

Do you have questions or need help setting up your emergency water supply please contact me or a Golden Guild Member and we'll try to help.

Finally, If you need help because of the cold this winter then PLEASE let someone know.

You can contact: Mary Phillips at 813-654-7655 C.E.R.T or Jeanie O'Dell at 205-688-6525 at the Benevolent Fund; or even me, John Jones, at 352-219-3964 at the Golden Guild and I'll try to Contact someone on your behalf.

BOOK CLUB

Karen Myers 813-431-2748

The Strawberry Ridge Book Club meets on the second Monday of each month at 1:30 PM in the Activity Center.

It was great gathering together for our first conversation in 2025 and what a conversation it was!! Some of us enjoyed last month's selection, others did not. A few folks mentioned books that have movies based off them and we even discussed watching one together. Two books that we enjoyed since we met last were "Still Life" by Louise Penny (first of the series) and "Recipes for Murder" by Karen Pierce. There was some discussion about how we could elaborate more on our monthly selection. It was suggested that as we read the next book, we think of one or two specific questions to present to the group for discussion.

The selected book for our next discussion is "Agatha Raisin and the Case of the Curious Curate" by M. C. Beaton. We are enjoying having new faces at the "extended" table each month, so feel free to be our "newbie" on **Feb10th!**

Strawberry Ridge Village Ping Pong Club News

Jack Beedon (585)766-0028

The Ping Pong Club at Strawberry Ridge meets on Monday, Wednesday, and Friday from 9:00am - 10:30 am in the Club-house. We also meet Wednesday nights from 5:30pm - 6:45pm. This is a special time for those who work during the day but love to play ping pong.

The picture for the month of February shows an international flavor to our club. The picture is our international friend, Paul Martin from Ontario, Canada with his doubles partner, Wes Campbell. Paul and his wife, Marilyn, are here at Strawberry Ridge for the winter months, and he just dropped in one morning to watch us play and has been with us ever since. He plays a very good game and told us he played ping pong many years ago and decided to give us a try and liked what he saw. So, if you would like to give us a try, please feel free to do so. We have lots of fun, and we always enjoy new people.

To our valued customers;

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.

*Wishing you good health and safety,
The Florida Anchor & Barrier Team*

Are Your Tie Downs Tight?

- **Stabilizing Devices** • **Roof-Over Strapping**

- *Replace Rusted Anchors* • *Add Anchors*

If your home moves even a few inches during a storm your home will suffer severe damage. Loose tie downs do not protect your home, they must be tightened every 3 to 5 years. Have your tie-downs inspected NOW, before the storms!
