Happy Easter RGV!

Spring is upon us. I love spring, with new beginnings, fresh flowers, a special smell in the air. Happy Easter!

- Before you leave - Just a friendly reminder before you leave to go back home up north. Please take a moment and look around your yard, look for loose debris and items that are not left outside just in case we get a hurricane this 2025 hurricane season. Please, have someone maintain your flowerbeds, power wash your home, and turn off your shut-off valve. Make sure someone knows you are gone by coming to the office. You can get that form at the office. By doing this, we also know how to send your mail to your northern address unless you tell us you are going. This way any mail will be sent to you instead of your address here.

- Summer is around the corner- Make sure your irrigation system is working. I see a lot of systems working while it is raining out, it would be a great idea to install a rain sensor on your system. This will help prevent your system from coming on while it's raining or just raining.

Manager's Hot Topics CONTINUED

- Hurricane Season is almost here- Please secure your home and make sure it is ready for the storms. If we have an active hurricane season this year, everyone needs to be prepared. Please take a moment to clean up your lawn ornaments, and make sure they are secured and ready for the season. I would also make sure that you are well stocked and ready for the season. This is something all Floridians need to be ready for. Please call the office if you have any questions, 352-624-0140. Please be safe this season and follow our lead if we do get a storm, we will, as always, inform you if a storm is scheduled to hit our area. If you need special medical, you will need to follow this site and print out the application, fill it out, and submit it now. Please go to this site, <https://www.marionso.com/special-needs-program>, go down to Special Needs Program Application, hit that link and print the application. They have limited space available. Please do this today. See below;
- No more pool bands- Starting March 1ST 2025, we will no longer use the pool bands at the pool. They are ineffective and our teams pretty much know who our residents are and who is not. If someone is new, they will approach the new residents and welcome them to the pool area.

SHERIFF'S OFFICE

Dear Marion County Citizen:

Marion County Emergency Management is responsible for maintaining the special needs registry for those that qualify within Marion County. In the event of a hurricane or other major disaster, this agency would coordinate special medical sheltering and transportation, if needed.

The Florida Division of Emergency Management has come up with a statewide registry that requires every county to use the new system. In doing so, we have to make sure that we have the most current information from you. This can be accomplished by filling out the enclosed form and mailing it back to our office or going on line at <https://snr.floridadisaster.org>.

We want to make sure that everyone who needs this service has the opportunity to apply. It is critical that all residents have a plan in case of disasters. Once the application is completed, please mail it to the address below. If you have any questions, please feel free to give our office a call at #352-369-8100.

Sincerely,

BILLY WOODS, SHERIFF

Front Office Hot Topics

- RV Storage
 - By now you are aware that we are now charging for RV lot storage, starting May 1st. Hopefully, everyone has moved their vehicle to the center of their site. If you have not turned in the new Storage Form and received your key to the new locks, please come to the office. We will still need a copy of your tag registration and insurance. The new locks will be placed at each gate on May 1st, so you will need your key to get in. Also, trucks, cars or vans will no longer be allowed in the storage areas.
- Happy April
 - Incident reports need to be completed if you are the recipient or witness a violation. A rule violation is someone not following the prospectus. We need a completed form with your name and address and the perpetrator's name and address. Without this information we cannot send a letter of violation. We cannot go on a description of a car or tag, only the police can do that. If someone physically attacks or abuses you, a pet or your property, then you must CALL THE POLICE. When you get a copy of the police report, bring us a copy and then we can send a letter of violation. Without a name or address of the offender we cannot send a letter of violation.
 - Thank you to all the residents who have been cleaning up their yards and power washing! This makes our community look great, as well as appealing to new buyers.
 - I know many residents will be heading back North, we ask that you have your home looking clean and orderly before you leave. This includes picking up and/or securing yard ornaments, chairs, tables, umbrellas etc., as well as power wash home and awning if needed. We greatly appreciate your time and effort addressing these details.
 - I am still working on all delinquent accounts. If you receive an 'account summary' in the mail, this is to inform you there is a balance on your account. If you have questions about the balance or need clarification on your monthly rent due call the office and ask for Shea.

MAINTENANCE HOT TOPICS

Hello, I hope everyone is doing well.

- Please have your name added to our stump grinding list by March 31st.
- Thank you to all of you who bag all your yard waste and put it in small manageable sizes. It really helps the maintenance team getting everyone's yard waste picked up.

EMPLOYEE OF THE MONTH

**Marki Parmar, Sales Team
February 2025**

**Shea Terrell, Front Office Team
March 2025**

Marki Parmar is from LA (lower Alabama) where she met her husband, Robert, when they were in fourth grade. She went on to live in Hawaii for twenty years where she taught high school English. Upon returning to Alabama, Marki changed careers and began working as system administrator for Health Information Management at Infirmity Health. That's where she and Robert reconnected, and they married in 2012. Now she is working as a Sales Associate for Rolling Greens Village. Marki enjoys her job because she gets to meet new people, and she loves showing off the community to prospective residents.

Please help me to congratulate Shea Terrell, our office Admin, for Team member of the Month for March 2025. Shea has been an asset to the property on many levels. She has not been with us very long. But she is really making an impact on our community in a positive way. She is hard working, smart and willing to learn. Thank you Shea for all of your help. You Rock!

Judi Crites

We want to take a moment to deeply thank Judi Crites for her hard work, dedication, and the incredible love she brought to the Lifestyles team. Her commitment to the "Home of the Month" and "Surprise and Delight" programs has meant so much to everyone, bringing joy and positivity into the lives of the residents.

Judi has always gone above and beyond, often giving up time from her own personal life to keep these programs alive and vibrant, ensuring they remained a source of excitement and something new to look forward to. She poured her heart into making sure every nomination was seen and heard, striving to be fair and inclusive, offering many residents a chance to be recognized and celebrated.

The joy Judi felt in introducing the "Surprise and Delight" winners was contagious. It was always such a privilege to ride along with her and watch as she shared the good news with the winners. You could feel her genuine excitement and pride in making those moments so special.

We know life has its ups and downs, and even though Judi has faced her own fair share of challenges, she never let that stop her from showing up for the program and for all of you, the residents. She brought light, kindness, and a sense of hope to everything she did, and we are truly grateful for her presence.

Judi, thank you from the bottom of our hearts for everything you've done. Your dedication, your compassion, and your spirit will always be remembered. - Lifestyles Team
