On Friday, April 18th, several members of the Cove staff teamed up with ASI Landscape Management to volunteer at Feeding Tampa Bay. By the end of the day, we had sorted 24,000 pounds of food and packed 20,000 meals—some of which will go on to support families right here in Polk County!

Resident Appreciation Luncheon 2025 was a fun one!! Thank you to everyone who came out! Plan ahead for next year April 2nd, 2026

CYPRESS LAKES VILLAGE VETERANS ASSOCIATION AUXILIARY (CLVAA)

Well with the weather being so beautiful it's hard to believe that summer is upon us. Some of us will be heading north for the summer, some sailing to exotic ports and others just hanging out in the beautiful neighborhood we claim as home. Enjoy whatever you have in store. Be happy and be safe.

At our April meeting our guest speaker was John Quirk from St. Vincent de Paul Cares who gave a brief outline as to what this organization does for the homeless veterans. We were able to present John with a \$4000.00 check for this organization that does so much for our veterans in need.

Our May 5th meeting at 630pm in the Main Hall will be our last until September. We will be having a thank you pizza party to celebrate all the good deeds our organization works towards while getting the scoop on how we are all going to spend the summer months.

We have completed our winter rotation of hot dogs and sweets for the bingo crowd on the 1st and 3rd Tuesday of the winter months. We wish to thank all of you for your support. We will pick up again in October. Also – we want to thank all of you also for your support with the 50/50 proceeds during the Bar Games. All of these funds go to support our Veteran charitable organizations.

Remember we will continue to help with our organizations throughout the summer. Clothing, food, medical supplies etc. are always welcome as the need comes about.

Given the opportunity – thank a Veteran or Active Military member for their service. It means a lot to them and makes you feel good too.

See you in September.

Debbie Rondeau – CLVAA Secretary

CYPRESS LAKES VILLAGE VETERANS ASSOCIATION (CLVA)

Our next General Membership meeting is May 21st, 2025 at 7:00pm.

**Flight to Honor Mission #10 is set for April 29th, 2025. All Veterans who have not been on a prior mission are encouraged to apply at <http://polkveteranscouncil.com> If selected, the Veteran flies for free. Anyone wishing to accompany a Veteran as a Guardian is also encouraged to apply. Guardians pay \$500.00 to participate in a life changing day. **Still a few that haven't sent in their 2025 dues. Drop them off in the Oak Room or take them to Donna's house. Also fill out the form she sent along with dues notice.

**If your flag is torn or tattered, Contact Bob Collins at 727-687-1178 to obtain new one.

**If you are a veteran of an allied country, you are eligible to join our organization. Pick up an application in the Oak Room across from the Activities Office or contact Donna McCormack at 315-842-5543.

**Business of delivering donation was strong in March. Dave made 3 trips to Outreach New Life Ministries and 4 trips to Talbot House. Donations consisted of men's and women's clothing, shoes and also housewares.

Also delivered an electric stove, dryer, small tv, microwave and a large chair. April started off strong making multiple trips to both places with donations. Big thanks to Joe and Sandy Patterson for their help serving meals. Looking for volunteers to serve meals at Talbot House. Sign-up sheets will be available at our next GM Meeting. Consider serving on Saturdays, for about two hours. This is such a rewarding experience.

**Let Dave Glassburn know if you have anything to donate to Talbot House. They can use clothes, shoes, work boots and bikes, especially blankets, sweaters and coats during this cold weather. Please call David at 941-626-0757 or email rosendave1@icloud.com to donate items.

**All CLVA members please join Cypress Lakes Veterans Association Facebook page for all our important dates and upcoming events.

Bob Collins, CLVA Secretary

PROGRESSIVE CLUB

We’re excited to announce that our next CLV Progressive Club meeting will be held on Wednesday, May 7, at 7:00 PM in the Main Hall.

Our guest speaker is Timothy Sizemore, Teaching Elder and Pastor of Beacon Hill Fellowship, a progressive Christian church in Lakeland. Many of us heard Tim speak recently at the Hands Off Rally in Munn Park, where his message was both uplifting and thought-provoking.

Tim is married to Regena Sizemore, a dedicated public school teacher, and together they are the proud parents of three adult children. We’re grateful that Tim has graciously accepted our invitation to address our group so we have the opportunity to hear more from him in a smaller, more personal setting.

We hope you’ll join us for what promises to be an inspiring evening. Please mark your calendars and plan to attend.

COURTAIN TIME PLAYERS

Curtain Time Players are hard at work rehearsing for our Summer show. Show dates are June 20th and 21st. We will be bringing you a night of classic radio suspense from the master – Hitchcock! We will be performing Vintage Hitchcock – A Live Radio Play including The Lodger and 39 Steps. You'll love this show full of thrills and fun sound effects. The show is directed by Phyllis D'Ambrosio and produced by Diane Murray.

Coming in October is a new original play written by our own Dave Hansen and Dan Kaufman. Dance of Death is a spooky parody of a Cypress Lakes Village Halloween dance. Suspense, laughter and mayhem all in one show! Curtain Time Players recently passed new by-laws, and we are now a membership organization. Come check us out and join this fun group! Only \$5.00 to join and you get a tote! We're always looking for new people to get involved in our community theater group. In addition to being on-stage there are many opportunities to contribute to successful productions including sound/light, ticket sales, ushering, creating sets, props and costumes, stage management, etc.

We normally hold our monthly meetings in the Cypress Room on the 4th Wednesday of the month at 4:00. Check the community email for any changes to this schedule.

KENTUCKY DERBY

AT THE BIG CYPRESS GRILL

SATURDAY, MAY 3RD

3:30PM - START TIME

5:00PM - HAT CONTEST

6:50PM - POST TIME

AQUA TABATA WITH WENDY & LYNN

WEDNESDAY AND SATURDAY AT 9:30AM

Spring/Summer Wednesday's and Saturdays will be at 9:30 AM.

What is Aqua Tabata you ask? Wendy or Lynn will lead on Wednesday's and Saturday's at 9:30 am. Each class lasts about 45 minutes. The first set of 8 exercises are warm-ups. Exercise is in the form of Tabata – ten sets of eight 20 second rounds of an exercise with a 10 second rest between.

We do use water weights, but it is not necessary to have them; as you can use your hands or a noodle for resistance. We encourage everyone to bring water with them as we do take a water break about ½ through, will increase to two when needed.

This is held in the walk-in pool closest to the Fitness Center. This class (like any outdoor class) is weather permitting and if we are going to cancel, we do send out an e-mail on the CL Groups.io and at least two of the Facebook pages. Typically, we check to be sure that the temperature is going to be about 70 degrees at class time.

This class is for anyone who wants to participate. Come on out and join us.

KENTUCKY DERBY FACTS

The Kentucky Derby has never, ever been canceled

The Run for the Roses has lived through some hard times in American history. But since its founding in 1875, the race has never been canceled. Come rain or shine, come depression or war, come what may, there will always be a race on the first Saturday in May.

Mint Julep is the official drink of the race

A hot day at the live horse races requires a refreshing beverage. Mint Juleps are the official drink of race lovers. Attendees drink more than 120,000 of these things during their visit at the track.

Extravagant hats are a deep-rooted tradition

Kentucky Derby facts aren't all about the horses. The founder of the first race in the Triple Crown series wanted this event to compare to Paris Fashion Week. To this day, women come dressed to the hilt. Every year gets more and more fabulous.

Q: It has keys, but no locks. It has space, but no room. You can enter, but can't go inside. What is it?

Q: Ask this question all day long, but always get completely different answers, and yet all the answers will be correct. What is the question?

Garden Club, Yard of the Month

Our winners for May 2025 Yard of the Month are Mark & Karen Frederick of 2101 Cypress Cross Dr. Here is a garden frequently upgraded and always well-maintained. In the front of the home is a large Pink Trumpet tree which is sure to bloom any day and a crepe myrtle. In that same large island are Ditch lilies and Barbados lilies creating lush greenery with lots of color. You will find new guinea impatiens tucked up close to the home for added color. To the side of the home facing BCB, there are three very large islands, all with crepe myrtle and more lilies of both varieties! These will provide blooms most of spring and summer. Please join us at the Garden Club and stop by to congratulate Mark & Karen on their well-loved garden. We, at the Garden Club, thank everyone for working on their yards/gardens and we look forward to all the beautiful ideas you will create! Remember it's your efforts to create beautiful gardens that enrich our community and make ours still one of the best of its kind anywhere.

Happy Gardening! Kathy Dunlevy, 404-387-1902

DOG PARK

Dog Park Bake Sale Every 2nd and 4th Tuesday- 5:30-6:30 pm (Main Hall) Many thanks for your continued support. Join us for some GREAT baked goods for you and your puppy. If anyone would like to volunteer to bake cookies, please contact either Susan Bodrie (734-812-7735) or Debbie Haynes (804-994-1938).

JUST A THOUGHT:

Both dog parks will be closed for the month of June. We will be reseeding and spraying throughout the month. Our yards need to be cared for and given time to heal and grow.

Be nice. Don't correct someone else's dog, but notify the owner if you observe misbehavior. If someone complains about your dog's behavior, keep an open mind, and try to remedy the situation. The dog park and community will not be much fun if you make enemies. Janice Simmons, Chairman (423-943-1286)

PET(S) OF THE MONTH:

Say Hi to Zoey and Fussy (brother and sister), they are five-year-olds Golden Habra Doodles, their parents Tony and Deb Laforet live on Prestwick Pass.

Both like to go on car and golf cart rides and love to go on walks. Of course, they have lots of toys to play with when they are not walking.

Please feel free to contact any member of our Board with any ideas for YOUR park.

REMEMBER: Your Doggie can't flush so YOU need to PICK UP!

HORSESHOE PITCHING

The winter season of horseshoe pitching for the 24-25 season is quickly coming to an end. By the time you read this, I will have returned to my home in Iowa for the summer months and will be getting my horseshoe league going there.

We have had a good season of pitching this year with a total of 30 players who came out to pitch. Most were our regular players who pitch almost every week. Others are players who get in a few games off and on when their busy schedule allows, and we have those family members and guests who join us when they are here for a visit. They are always welcome. We had a very good Can/Am tournament this year and for the first time in the 11 years I have been pitching here, the Canadian champion, Cecile Bedard took home the Can/Am championship! Well done!

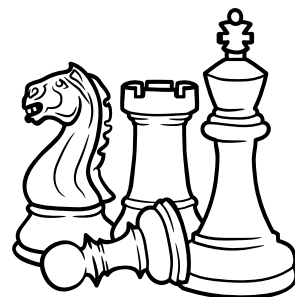

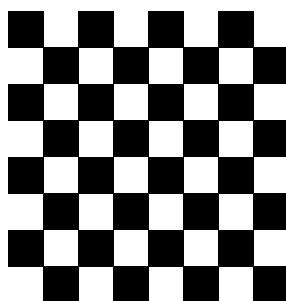

Throughout the summer season, organized horseshoe pitching will continue as usual on Wednesday mornings at the horseshoe courts, (Weather permitting). Three, 20-shoe, count-all points, handicapped, singles games are played each week, changing opponents after each game. Initial court assignments are determined by blind draw and play begins promptly at 9:30am. This is a fun and competitive activity for anyone who enjoys pitching horseshoes. This activity is open to men, women, residents, snowbirds, and visitors. We have horseshoes available at the courts, or you can bring and pitch your own. There are no fees, no dues, or any cost to participate. Averages and handicaps are maintained and updated by the league director, and the results are emailed to all participants each week. Come when you can, weekly participation is not required.

CYLPRESS LAKES RC CLUB

Interest and Excitement revolving around your Cypress Lakes RC Club continue to build. It seems each week we are adding new drivers, attendance at the RC races is increasing and overall the feedback is that folks are having FUN (that's our goal)! We can't go without saying that your support is so much appreciated!!

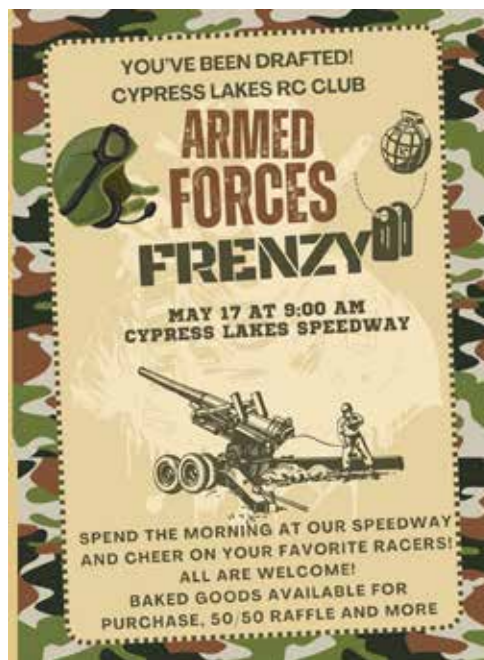

Our most recent race event that we can report on prior to the newsletter print deadline was the Shamrock Shuffle which took place Saturday, March 22nd. This was an afternoon race featuring 21 heat races and 3 finals with one of our largest fields of drivers taking to the track to test their skills. Several new trucks/cars debuted as well as one new driver. And the weather was PERFECT! Where else would you have seen a leprechaun emcee, our own Bill O'Masi (actually Bill Masi)? We did miss out on a rainbow but that was OK given the beautiful sunshine we enjoyed. Drivers, Race Officials, Pit Crews and Spectators alike took advantage of the 50/50 Raffle and bake sale (oh so good)/bottled water sales, Thank You! Driver skills continue to improve as we work on alternatives for making the "Race" experience better for everyone. Congratulations to Steve LaScola, Denny Lamans (first time winner) and James Harmon (our newest club member) for making their way to the "winners circle" to share the Shamrock Shuffle Trophy. Big Cypress Grill continued to offer "Speed Weekend" menu items to coincide with the races, thanks so much to management and staff for their support.

Several club members took advantage of our third Road Trip on Wednesday, April 9th to SS Raceway in Tampa. This facility offered not only a covered dirt track but a road track and onsite hobby shop. They are also working on a new dirt track that won't be covered. We were able to talk to them about how their races are formatted and obtained a few ideas from those discussions. Thank You to everyone that took part.

Two racing events are scheduled for May...the Armed Forces Frenzy (taking place on Armed Forces day), Saturday, May 17th and the Memorial Mad Mayhem

scheduled for Saturday, May 31st. Both races will start a half hour earlier @ 9:00 AM as we begin to deal with the summer temperatures. Watch email and Facebook for updates.

Club meetings are scheduled the second Wednesday each month @ 4:00 PM in the Arts & Crafts Room. Contact Gary Gentry (813-577-2498) today for more details on how you can get involved. Not only will you have loads of FUN but the level of comradery and created friendships is second to none...we look forward to seeing you soon!!

TENNIS

Good news! The Tennis Club wants to share a news article presented by our own tennis player, Alan Grofe, at our end of the year banquet. Well, did you know that tennis is being touted as being the sport that help you live longer? Is it the world's healthiest sport? The article states playing tennis, and all racquet sport, is pretty good for us!

So pick up your racquet - join the tennis club and experience the longevity it claims. There is truth in this as some of our members are of age (as we all are) who move and play as if they were still young. You can't make this up - come and see for yourself.

Our seasonal members are leaving - so we want to take this time to say farewell and safe travels as they journey home. We will miss them as we wait for their return! Interested, have questions, contact Lynda Pinsoneault - 248-672-0833 - a cheerleader for tennis! 🎾

SHUFFLEBOARD

We've been having great turnouts. Come join us for an evening of fun. We play Monday, Wednesday, and Friday at 7:00 PM. New players are welcome.

If you have never played before, we will teach you the game. Arrive at 6:30 for a quick lesson and time to practice. Equipment is provided. All you need to bring is 3 nickels. Hope to see you there! Al Bird 612-309-4878

BCMGA

We have finished our tournaments. Congratulations to each and every winner. We are now ready to take a break and just play golf for FUN. Hopefully we won't have too many cart path only days.

Our course is in very good shape. Fill any divots that you may encounter on the fairways. After all the sand is free. I still see footprints in the sand. The deer and cranes just don't rake after themselves. I wish that they had a rake. Oh yeah, every cart has a rake so there is NO reason to see human footprints in the sand. Please drive on the cart path until you take the 90 degrees turn to your ball. Even with a handicap flag, no cart should be closer than 10 Yards (30 feet) from the green. No golf cart (with or without a handicap flag) is allowed to drive on South course hole 8. If you don't see a "no carts" sign, don't drive on the fairway.

During our Cypress Classic we installed a "drop zone" on Hole 3 near the red tees. I believe that this worked out really well and that we as a golf community need to address this with our Pro Shop (Allen) to make this permanent.

One of the games we will be playing this month is the Red-White Dealer's Choice. Individual golfers will use 2 different tee boxes to post their net score. Golfer chooses 9 holes each from the following tee boxes:

- 9 Red Tees & 9 White Tees

This is an individual net score game.

If you have an issue getting your results after Thursday's round, please email me.

Games this month:

- May 1 Individual Quota (Entered in GHIN)
- May 8 Red-White Dealer's Choice-99(Individual Net)
- May 15 Two-By-Four (2x4) Net (ABCD Team) (Entered in GHIN)
- May 22 Team Quota (ABCD Team game) (Entered in GHIN)
- May 29 Three Clubs & Putter (Individual-Low Net)

PACE OF PLAY AT BIG CYPRESS GOLF CLUB

We are proud of our Pace of Play at Big Cypress. Most days we move around the course very smoothly and without delay yet now and then, we do get backed up. Let's all do our part to keep play moving every day. Let's remind all of to use the Buddy System with the carts.

Don't wait in the cart while your cart partner hits and then ride to your ball. With common sense, casually walk to your ball and get ready to play your next shot. Your cart partner can now pick you up. It is also appropriate to drop someone off at their ball and then proceed to your ball in preparation for your next shot. Proper Pace of play does not require golfers to "Hurry", just be ready to hit when it is your turn.

Living with Alligators – Information from Florida Wildlife Conservation Commission (FWC)

Alligators are an important part of Florida's landscape and play a valuable role in the ecology of our state's wetlands. Alligators are predators and help keep other aquatic animal populations in balance. A better understanding of the facts and information regarding these creatures will help ensure that people and alligators can continue to coexist.

Alligators & People

Alligators are a fundamental part of Florida's wetlands, swamps, rivers, and lakes, and they are found in all 67 counties. Florida continues to experience human population growth. Many new residents seek waterfront homes, resulting in increased interactions between people and alligators. Although most Floridians understand that we have alligators living in our state, the potential for conflict exists. Because of their predatory nature, alligators may target pets and livestock as prey.

****PLEASE KEEP YOUR PET ON A LEASH AND NEVER LEAVE PETS UNATTENDED**

[**Note from CL Management per the Community Rules and Regulations]

In the past 10 years, the Florida FWC has received an average of nearly 16,000 alligator-related complaints per year. Most of these complaints deal with alligators occurring in places such as backyard ponds, canals, ditches and streams, but other conflicts occur when alligators wander into garages, swimming pools and golf course ponds. Sometimes, alligators come out of the water to bask in the sun or move between wetlands. In many cases, if left alone, these alligators will eventually move on to areas away from people.

Generally, alligators less than four feet in length are not large enough to be dangerous unless handled.

****One of the best things about Cypress Lakes is the wildlife... However, SAFETY FIRST, Always! Residents should educate their guests.**

If you feel an alligator is aggressive or has lost its fear of humans, please call the Cypress Lakes office and Management will address this.

[**Note from CL Management]

Please be aware that "nuisance" alligators are destroyed, not relocated. Visit MyFWC.com/Gators for more information.

NEIGHBOR TO NEIGHBOR

What is Neighbor to Neighbor? We are volunteers in Cypress Lakes Village who help to provide companionship and safety to our neighbors. We check in on those who live alone or have caregivers that need additional support. We are also a resource for information about different agencies providing rides, cleaning, handymen, caregivers, and more. Our biggest challenge is identifying those who could benefit our services and ask that you keep us in mind should you or someone you know are in need. For more information about Neighbor to Neighbor and our services, or to volunteer, please contact JoAnn Metzger at (574) 903-5072 or cln2n2021@gmail.com.

MICHIGAN "DAZE" 2025

This year we decided to try and add a couple days and more events in an attempt to involve more Michiganders. I think we were successful in achieving this goal.

We added Thursday Cornhole with 18 people throwing bags (only 2 from Thursday nights cornhole) and the winners were:

- 1st Place – Jack Griffin & Jim Troy
- 2nd Place – Bill Curl & Bob Heikkla
- 3rd Place - Heidi Aittama & Laura Riley

Friday Afternoon we had Euchre 30 people participate and the winners were:

- 1st place – Dolly Lee
- 2nd place – Bertha Curl
- 3rd place – Connie Doughty

Saturday was golf with a twist and we played earlier than in the past, to give the golfer more time to rest between golf and dinner. Winners were:

- 1st place - Heidi Aittama, Billy Basta, Joanne & Clifford Andrew's with nine under.
- 2nd place - Jack Griffin, Ed Stewart, Steve Sanders and Gary Newland at 5 under
- 3rd place - Phil & Connie Doughty & Doug & Betsy Griggs at 3 under.

The winners of longest drive women was Heidi Aittama, women's closet to the pin was Cathy Gossett. For the men Gary Newland won both the men's longest drive and closet to the pin.

The 50/50 winner was also Gary Newland and lastly finishing in superhero last place was Rich Tinsley, Dale Chapman and Mike Lizotte.

I had a great committee this year that worked hard to bring you these events. Oh yes, we had 133 for dinner. GREAT TURN OUT and Great meal.

From the Raffles (over 20 baskets) from items that were donated from Michiganders we were able to donate \$1,000. to the HOA Community Projects.

If you have any suggestions or would like to help next year please contact Wendy Klinge – wklinge@duo-county.com or (734) 323-1307.

Also check out and join our facebook page: CLV Michigander Group.

HOMEOWNER ASSOCIATION NEWS

May always seems like the 'official' start of summer, though we've already had plenty of hot weather with more to come! For you, it might be early morning golf or lazy afternoons at the pool, or lighter fare for dinner and more picnics and summer baseball outings! Our Entertainment committee will host an Armed Services dance mid-month which provides music and patriotic-themed decorations. Whatever your favorite pastime is, include your salute-worthy attendance at the Memorial Day celebration for veterans on May 26. Our own Veteran's Association, assisted by the Auxiliary, provides this recognition event commemorating residents' service in the Armed Forces. It's touching. It's respectful. It makes me proud to be an American and a Cypress Lakes resident. Look for details in this newsletter.

It's that time of year when we can expect strong storms to form quickly from the afternoon heating and I encourage residents traveling in the summer months to be sure and leave updated phone numbers and addresses with someone in case of an emergency. Perhaps a friend or neighbor who is here during the summer can keep a regular watch on your house. Or utilize the free CAP House Check Program while you're gone. If you'll be here this summer, plan on attending the Hurricane Preparedness meeting on Wednesday, May 28, in the Main Hall to get current shelter maps. Review your emergency supplies and evacuation plan in case you need to put them to use. Key words are 'Be Prepared'! If you are a new resident, you'll receive a card to fill out with your contact information should there be a situation where we need to reach the community by phone or email. If you have previously provided this information, check with us if your phone or email has changed to make sure you stay current with community details!

The final CLHA Board Meeting of the 2024-2025 season will be held Monday, May 12 at 6 pm in the Arts & Crafts room. While the board does not meet in June, July, August or September most directors are available in the community or certainly by email and phone for your questions or suggestions. Regular monthly meetings resume Monday, October 13. Safe travels, whether near or far, to all residents and enjoy your summer, but hurry back! HOA President, Gwen Snook, 517-937-2921

2025 CYPRESS LAKES VILLAGE PHOTO DIRECTORY

Many of you are familiar with the Photo Directory. To our newer residents who moved to CLV after 2022, you may not know that this is a special directory that features a photo of residents, along with their home address, email, and telephone number. This directory is not done annually. Our last Photo Directory was issued for the 2021-2022 year.

We encourage all residents to participate and take part in this directory. It is offered at NO COST to you. In addition, an online version of the Directory is provided through the vendor, Universal Church Directories.

Participants are also given one FREE 8 x 10 of their photograph. Additional photos can be purchased, but are not an obligation. Only residents participating will receive a copy of this Directory. For those who want their pet in the picture (dogs), we request that you reserve the earliest or latest time slots on the dates provided. Special arrangements will be made for our homebound residents.

The Spring Dates for Pictures to be taken are:

May 5th	12pm-6:30pm
May 6th	9am-3:30pm
May 7th	9am-3:30pm

The schedule for Fall 2025 registration and picture days will be provided in August.

If you have any questions, please contact Retzlaff at jretzlaff41@hotmail.com or Stacy Scott-Calagni at tolive4him1@gmail.com

CERT

Happy May Cypress Lakes Village! The weather is definitely warmer and we are now within 30 days of the start of the 2025 Hurricane Season. Predictions for this year are 13-18 named storms with 7-10 becoming hurricanes. 3 to 5 of those are predicted to be major hurricanes with 3-6 having a direct US impact. What last year taught all of us is that a plan is a must and we need to be ready to execute the plan. CERT is ready to help you as we will once again sponsor the Hurricane Preparedness Seminar on Wednesday, May 28th at 6:30pm in the Main Hall. This seminar will be facilitated by Polk County Fire Rescue and should not be missed. This will help us learn about how to make and execute our plan.

CERT continues to need your help. Our ranks are dangerously low and we need volunteers who are interested in keeping our residents safe. Our next meeting is Wednesday, May 21 in the Oak Room at 6:30pm. Please come check us out.

Tobey Kress and Rob Kowalski - Team Leads
207-341-0656 / 716-867-4149

From The HOA - President Gwen Snook

CITIZENS ASSISTED PATROL (CAP)

As the name indicates, Citizens Assisted Patrol are residents who, after being screened through background checks and personally trained by Polk County Sheriff's Department patrol Cypress Lakes acting as 'Eyes and Ears' for law enforcement. We welcome full-time and seasonal residents to our ranks! Can you spare 2 hours/week to be part of this important team? Volunteer Applications are on the wall in the Oak Room. Contact us with any questions or for more details! This is neighborhood watch at its finest – in action!

By patrolling on a regular basis, CAP members become familiar with Cypress Lakes and are better able to recognize 'suspicious' activity and notify authorities. Patrol members do not take enforcement action, they only observe and report. Their greatest weapon? Immediate cell phone contact to special dedicated phone numbers at Polk County Sheriff's Department! You'll see us regularly at the North Gate. Often, vehicles other than residents' will attempt to turn in, see our flashing lights and official vehicles and turn back on to US98 to enter properly at the Main Gate. As posted, it is a "residential access" gate only. And YOUR safety and security are at risk for those who tailgate in OR out. Let's not give them an opportunity!

Going home for the summer? Pick up the application for your FREE Residential House Check. It's available in the Oak Room. It's CAP responsibility to provide more eyes watching your property, giving you peace of mind until you return safely in the fall. We'll do a complete perimeter check weekly looking for broken or open windows, holes dug by varmints for under-home access, missing or damaged siding, sprinkler heads needing repair, unauthorized vehicles parked in your driveway – anything out of the ordinary. We will send you a picture and you decide how to proceed! You may have someone watching your home but be as safe as possible!

Coordinator, Gwen Snook 517-937-2921

Federation of Manufactured Homeowners **FMO**

Thursday, April 10, many of you came to hear Brian Regis, Lakeland Economic Development Director, speak about the city's growth and how it affects all of us for amenities, tax base, infrastructure and overall quality of life. He was extremely interesting and we may see and hear him again as Lakeland continues to expand.

Every month we ask for your membership and support for this important VOLUNTEER organization that works on the state level to promote legislation favorable to homeowners in leased lot communities. Membership dues are FMO's primary funding and their efforts benefit ALL homeowners in manufactured homes whether they are members or not! Changes have been made to building codes, rules and regulations, enforcement of existing rules and regs, legal representation and due process all due to their efforts. Florida Statute 723 itself is a result of their early efforts. And why do we care? Numbers count. There are more than 1,000,000 manufactured homes in Florida. Their occupants are a significant voting block and we have more power than we realize! Your Park Reps are equipped to answer your questions about the importance of belonging to FMO. And resident, George Burtch, is on the District I Membership team. Be part of this winning team!

To that end, we will be holding a Town Hall Meeting on Monday, May 19, with guest speaker Nancy Black Stewart, FMO's political action lobbyist in Tallahassee. You'll hear about FMO's recent attempts to protect all of us in manufactured housing on leased land, how your input is important to what they propose for legislation and how that all happens through committees and how very important your support is to the legislative process.

Applications are in the Oak Room or you can join on-line and save the stamp! Go to www.fmo.org for information. Thank you for your consideration! Park Reps: Gwen Snook & Caprice Temple

"BETWEEN THE LANES"

by Bonnie Binns, Courtesy Patrol Manager 863-209-2887
bbinns@covecommunities.com

The mission of Courtesy Patrol is to provide a secure, quick and pleasant entry experience into Cypress Lakes Village for our residents, guests, visitors and contractors, with accuracy and accountability and an emphasis on safety with our Rover Patrol.

This month, we would like to ask, "Have you met your Courtesy Patrol Team?" We have first-hand knowledge, skills, and expertise that are essential to successfully manage control of the flow of information, people and traffic coming through your Cypress Lakes Village. Each month, we share best practices and safety tips with our residents, whether it's new trends, recurring challenges, or processes that streamline our contributions. Your Courtesy Patrol Team prides themselves on excellent relations with our Residents as we provide special passes for Golf Outings, Celebration of Life Memorials, Weddings and Parties; with Administration, and with our HOA Board. I welcome your insights, advice and suggestions on safety issues such as obeying speed limits and stop signs, observing safety and curfews at our Cove Community facilities such as the pool, clubhouse and fitness center and protection of our wonderful wildlife.

Meet Your Courtesy Patrol Team

Our Courtesy Patrol Team provides a 24-hour/7 days a week staffed Gatehouse which can be reached at 863-859-7275. We strive to present a great first impression of our Cypress Lakes Village with a professional and courteous approach combining access control skills with great customer service – quick to accept your phone call or voice mail for the General Public coming to your home up to 3 months in advance. Greeting your guests, visitors, contractors and deliveries with a "smile in welcoming style" are team members on Day Shift 7 am to 3 pm: Deb S., Ron S., and Jim Z.; Afternoon Shift 3 pm to 11 pm: Tom P., Marge C., and Mark W.; followed by Nightshift 11 pm to 7 am: Ken F., Bob A., Mike T. and Tim H.; and our Rover Patrol 11 pm to 4 am: Bob A., Glenn F., and Joe G. Your Courtesy Patrol Team is ready and willing to help and knows the importance of giving back. Please take a moment and stop to introduce yourself and meet this great team!

The North Gate & Courtesy Patrol

Our team members in blue shirts and hats have stepped up to monitor traffic coming in and out of the North Gate at different times of the day. We have gathered information and done an analysis on unauthorized vehicles (non-residents) trying to enter, exit and tailgating. Something you might not be aware of is every time a vehicle tailgates another vehicle through the gate, it adds seconds to how long the gate remains open. Fact: over a period monitored of two weeks for 104 hours, 4,294 vehicles were tallied entering and exiting; 463 vehicles were tallied tailgating other vehicles. This would account for the gate pausing open for longer than customary. We are encouraging our residents to slow down and not speed up to make the opening; to use their key card to give the gates the time necessary to reset. There have been many occurrences of vehicles sliding into the iron gates from not being able to clear the opening and it is beginning to wear on the gates. We have ordered new signage for both sides of the North Gate in English and Spanish to direct the General Public to enter and exit at the Main Entrance. Also, we have ordered signage for the corner of Little Cypress Drive and Big Cypress Drive in English and Spanish for both corners to notify the General Public that the North Gate is private and not open to the General Public to exit- directing the vehicle to the Main Gate to exit and turn in the pass. Stay tuned for other future improvements!

Courtesy Patrol wishes you a safe and happy spring season "Between The Lanes"!
