CYPRESS LAKES VILLAGE VETERANS ASSOCIATION (CLVA)

Our next General Membership meeting is June 18th, 2025, at 7:00pm.

*Roleigh Newman, one of the original members of the CLVA has passed away and was laid to rest at the National Cemetery at Bushnell, Fla. The CLVA members want to keep Roleigh and his family in our prayers. He loved the CLVA and had a lot of accomplishments and input to what is now a thriving organization. Rest in peace Roleigh, you will be missed.

*Flight to Honor Mission #10 departed April 29th, 2025, from Linder Airport with veterans being taken to Washington D.C. for a memorable day. On board the flight were John Miller, Sam Clark, Bob Hagen and Pat Haley along with Guardians Dough Hughes and Bob Byers, who are all members of Cypress Lakes Veterans Association. Plans are already underway for Mission #11. We will keep you posted.

*Donna McCormack has updated our membership, and we currently have 125 members.

*If your flag is torn or tattered, Contact Bob Collins at 727-687-1178 to obtain a new one.

*If you are a veteran of an allied country, you are eligible to join our organization. Pick up an application in the Oak Room across from the Activities Office or contact Donna McCormack at 315-842-5543.

*Dave Glassburn is looking for volunteers to serve meals at Talbot House. Sign-up sheets will be available at our next GM Meeting. Consider serving on Saturdays, for about two hours. This is such a rewarding experience.

*Let Dave Glassburn know if you have anything to donate to Talbot House and New Life Ministries. They can use clothes, shoes, work boots and bikes and blankets. Please call David at 941-626-0757 or email rosendave1@icloud.com to donate items.

*All CLVA members please join Cypress Lakes Veterans Association Facebook page for all our important dates and upcoming events.

Bob Collins, CLVA Secretary

CYPRESS LAKES VILLAGE VETERANS ASSOCIATION AUXILIARY (CLVAA)

If it's June can the "dog days of summer" be far behind? Our friends and neighbors who we lovingly call "snowbirds" have left until fall and things slow down until then.

We had our last meeting in May until September. And it wasn't even a real meeting. We had a little bit of business and a whole lot of pizza and fellowship. Fun was had by all who attended.

Even though our meetings and our hot dog sales are taking a break until the fall we still are taking donations of "personal care items" for our different veteran charitable organizations. Bins are provided in the Main Hall under the Veteran's Wall of Honor for your donations. If you have any questions or concerns, you can contact Maggie Mott or Jan Holbrook.

Curtain Time Players are hard at work rehearsing for our summer show. Show dates are June 20th and 21st. We will be bringing you a night of classic radio suspense from the master – Alfred Hitchcock! We will be performing Vintage Hitchcock – A Live Radio Play featuring The Lodger and 39 Steps. The show is directed by Phyllis D'Ambrosio and produced by Diane Murray.

Tickets will be available for sale on June 2, 3, and 4 and will cost \$10.00

DOG PARK

REMEMBER our parks will be closed for the month of JUNE to allow for reseeding, power washing and spraying. Watch for the exact dates for closing and reopening of the parks. June was chosen for the work period due to the "hopeful" rainy season.

The "Cookie Sales" during Bingo will continue during the summer with many thanks to those volunteers that stepped forward to help. Remember cookie sales are open to the public! Goodies for humans AND your fur babies. Sales are from 5:30 - 6:30 on the second and fourth Tuesday of the month in the main hall.

We could use more Bakers so please join us.

PET OF THE MONTH

My name is Gabriella Louise Morgansing, "Gabby." I am 1.5 years old and have what my mom calls "doodle brain." I LOVE to lick! People, dogs, they are all my friends. I have met many new friends at the dog park including Winston (my boyfriend). My favorite thing is playing with the frisbee, and I'm getting pretty good! I do all the basic commands at home but sometimes forget when I have other dogs around me. I'm trying! Thank you for giving me a free place to run and be with my friends.

GUN CLUB

The Cypress Lakes Gun Club will not be meeting in the Summer months. If you are interested in organized firearm shooting, safe handling and the proper care of firearms and improved marksmanship, please join us. CYLPRESS LAKES RC CLUB

Your Cypress Lakes RC Club hosted 2 RC Car Races during April; April Fools' Classic and Racing Egg-Travaganza. Neither event disappointed, there was plenty of ACTION and EXCITEMENT to ENJOY. Both races had some firsts...April Fools' Classic witnessed our first "official" female driver...Jill K. (Hot Mess Express). She didn't come to go "through the motions", she won her very first heat race. Pat H. (Old Goat) also made his first appearance as a driver. This was our largest "entry" field to date. Congrats to EVERYONE involved. Making their way to the "Winners Circle" was Peter T. (Speed Racer), James H. (Bandit) and Steve W. (Dream Weaver). The Racing Egg-Travaganza experienced an even larger "entry" field than the Classic. Another rookie Chris W. (Wheelz) joined the fray to win two of his three heat races. The spills and chills were nothing short of captivating. I understand Jelly Beans were also involved somehow during the day...over 600 of them. Sharing trophy honors were Dean B. (Rollin' Stone), Steve W. (Dream Weaver) and Steve L. (Screamin' Sicilian). Thank You to everyone for coming out...we appreciate you!! This summer we'll be racing once a month, June 14th, July 5th. Club meetings are the 2nd Wednesday each month @ 4:00 PM, Arts & Crafts Room. Questions, please contact Gary Gentry...813-577-2498 or visit our Facebook Page...Cypress Lakes RC Club. We look forward to seeing you soon!!

Aqua Tabata with Wendy & Lynn

Wednesday and Saturday at 9:30AM

Spring/Summer Wednesday's and Saturdays will be at 9:30 AM. So far the weather has cooperated.

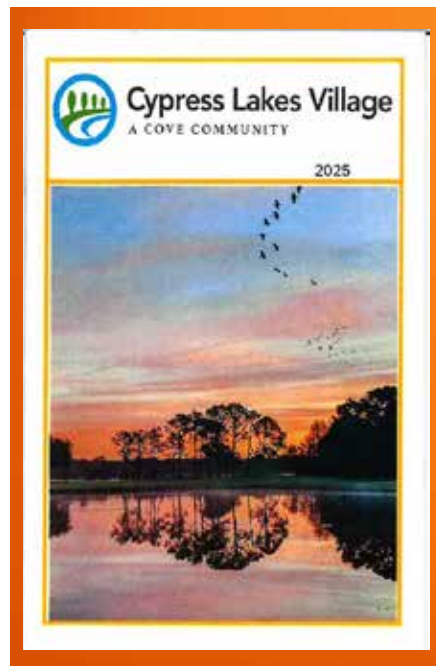

What is Aqua Tabata you ask? Wendy or Lynn will lead on Wednesday's and Saturday's at 9:30 am. Each class lasts about 45 minutes. The first set of 8 exercises are warm-ups. Exercise is in the form of Tabata – ten sets of eight 20 second rounds of an exercise with a 10 second rest between.

We do use water weights, but it is not necessary to have them; as you can use your hands or a noodle for resistance. We encourage everyone to bring water with them as we do take a water break about ½ through, will increase to two when needed.

This is held in the walk-in pool closest to the Fitness Center. This class (like any outdoor class) is weather permitting and if we are going to cancel, we do send out an e-mail on the CL Groups.io and at least two of the Facebook pages. Typically, we check to be sure that the temperature is going to be about 70 degrees at class time.

This class is for anyone who wants to participate. Come on out and join us.

PICKLEBALL FUN, FAIR AND COMPETITIVE!

The Cypress Lakes Pickleball club would like to announce the results of the Monday Ladies Ladder League. The group began play in November with rated play and the league scoring started in January. There were 21 players that competed over 12 weeks.

The winners were: 1st Place Colleen Hartman, 2nd Place Betsy Griggs, and 3rd Place Jane Bryant.

The Club held a Picklenick afternoon of fun that included over 50 players using all 6 courts for Mortimer Pickleball Games. During Mortimer there are three players on each side and lots of laughs. After the games there was a club picnic/potluck where we had over 70 attendees. It was a great event and a huge shoutout goes to all the volunteers who made this event a success

The pickleball club is always welcoming new members. Forms to join are in the Residence cabinet outside the entrance to the pickleball courts. New members will be contacted.

Members and residents can make court reservations online at cllc.pickleplanner.com. Here you can make a reservation and see pickleball and tennis court times/availability. To join the club Facebook page, go to Cypress Lakes Pickleball League and request to join. For more information on our club email clpickleball@gmail.com and we would be glad to connect and answer any questions.

Upcoming Golf Event Sat, June 14th

Please note that we will be hosting the Central Florida Jr. Tour on the morning of Saturday, June 14th. Tee times will be available for all member and resident play up to 10:00 AM.

Thank you for your cooperation as we welcome this exciting junior tournament to our course.

Weekly Summer Maintenance Schedule

Please note the following course closures:

- South Course – Closed every Monday
- North Course – Closed every Tuesday

We appreciate your understanding as we work to keep both courses in top condition throughout the summer.

Tip of the month for June

"A good chipper and putter is a match for anyone."

Put that driver down and grab a putter and a wedge as we get more efficient around the greens.

Improved Chipping in 3 easy steps:

1. Set up with hands ahead of ball.
2. Swing with shoulders as club travels on an arc (Not a straight line).
3. Keep chest moving though contact and into the finish.

And your putts will be much shorter...

BCMGA

As we play golf here in the park, be sure to fill in your divots. This allows the grass to re-grow and gives a better lie for you your golf ball when you are unfortunate enough to land in an "unfilled divot". The rain will be back to give us a NICE green course and allow us some exercise. Remember when we have to walk to the ball, to take a couple of clubs and the sand so we don't have to return to the cart. This will help to play at a faster rate.

We have finished our tournaments. Congratulations to each and every winner. We are now ready to take a break and just play golf for FUN. Hopefully we won't have too many cart path only days.

Our course is in very good shape. Fill any divots that you may encounter on the fairways. After all the sand is free. I still see footprints in the sand. The deer and cranes just don't rake after themselves. I wish that they had a rake. Oh yeah, every cart has a rake so there is NO reason to see human footprints in the sand. Please drive on the cart path until you take the 90 degrees turn to your ball. Even with a handicap flag, no cart should be closer than 10 Yards (30 feet) from the green. No golf cart (with or without a handicap flag) is allowed to drive on South course hole 8. If you don't see a "no carts" sign, don't drive on the fairway.

During our Cypress Classic we installed a "drop zone" on Hole 3 near the red tees. I believe that this worked out really well and that we as a golf community need to address this with our Pro Shop (Allen) to make this permanent.

If you have an issue getting your results after Thursday's round, please email me.

WELCOME JAKE

Greetings Big Cypress Golf Club at Cypress Lakes Villages. I have had the pleasure of meeting some of you during my short time here. For those I have not met, I would like to briefly introduce myself. My name is Jacob Cauthan (I go by Jake.) I was born and raised in Bartow, FL. After graduating from Bartow High School, I attended Lake City Community College where I studied Golf Course Operations. After school I worked primarily in the Carolinas at Quail Hollow Club in Charlotte, NC. And Haig Point Club in Hilton Head, SC. I decided to move closer to home which took me to Southwest Florida, Fort Myers specifically. Not only was I fortunate enough to work at some beautiful properties on the coast, but Fort Myers is also where I met my lovely wife, Joanna. After years of sun and fun in Southwest Florida we decided to bring our family back to my home. As fate would have it, Big Cypress Golf Club was in search of a Superintendent, and I was fortunate enough to be chosen for the job. I know I have big shoes to fill but I am up for the challenge. If you see me out on the course don't hesitate to stop me and introduce yourself. I look forward to meeting all of you.

Sincerely,
Jacob Cauthan

Julie demonstrated some equipment she uses daily and described her kitchen items utilized in preparing meals. HOMEOWNER ASSOCIATION NEWS

While your HOA board offers you the best of our optimism, enthusiasm, time, and energy, we feed off yours! Homeowners get from their community what they are willing to put into it themselves. And lucky for us all, our resident volunteers are numerous. Just think of the card groups, organized luncheons, golf leagues, pickleball tournaments, regular crafting and painting classes, dances and plays that are offered for everyone's enjoyment – all year long! Safety and security in the form of CAP and CERT add to the lengthy list of amenities we enjoy in this community. And the list goes on. Yes, the world is not perfect, but rather than concentrating on whether the glass is half full or half empty we recognize the glass is refillable! We appreciate your ideas and suggestions and will willingly check them out for feasibility. Have you shared them with us?

Stop in and see us during our summer office hours – Monday through Thursday, 9 -11 am, Wednesday evening 5-7 pm. Other times are available by appointment, just call us to set it up! Contact information for all Board Members is posted on the office door and in the Oak Room. We look forward to hearing from you!

Thank you to our CERT members who presented a very complete presentation on the coming storm season. Make sure you've picked up shelter maps and registered for Special Needs Shelters as needed. If you didn't know, the Neighbor to Neighbor program operates year round, so if you'd like to participate, give Joanne Metzger a call for more details. If you have not registered your contact information for the Reverse 911 program provided by HOA, you need to do that as well. Fill out the Cove form to register your cell phone contact. Be safe, not sorry you didn't prepare!

Our seasonal friends are gone to their northern homes now and we have the chance to regroup and re-energize during these lazy, hazy days of summer. See you around the campus! Gwen Snook, President 517-937-2921

Federation of Manufactured Homeowners

Though FMO is a member-funded organization, most of the things they do affect every manufactured home owner in Florida. They are our only legislative advocate! Think about it, thousands of people are supporting an organization whose accomplishments benefit over one million others who don't. We hope you will consider being part of this organization for your own benefit!

Of course, membership has its advantages, and many valuable services are available for our members, including lobbyists in Tallahassee, legal counsel advice as printed in the "Legal Ease" column of the FMO News, an informative magazine, as well as, the association of others who are willing to come together to fight for the rights of all manufactured homeowners on leased land.

The cost for all of this is currently an annual membership of only \$40, a fraction of its worth. Especially if you are a seasonal owner, you'll want to keep up on state initiatives that might impact your Florida home. Applications are on the wall in the Oak Room or you can go on-line at FMO.org Join this active and winning team! Check the bulletin board in the Oak Room for current news! Park Reps: Gwen Snook, Caprice Temple, Richard Szarowicz

CERT

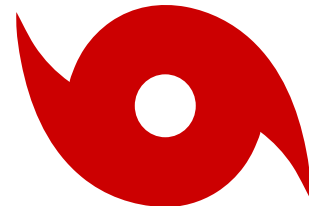

Well, it is June here at Cypress Lakes Village and the start of another hurricane season. Thank you to those that attended the annual Hurricane Preparedness Seminar sponsored by Polk Count Fire Rescue. This year's outlook promises to be another active year with 13-18 named storms expected. 7-10 of those are expected to become hurricanes and 3-5 major hurricanes achieving Category 3 or higher are forecast. If we learned from last year's storms that impacted our Village, it is to ensure you have a plan and are ready to execute that plan. Additionally, be sure to document your possessions and understand your insurance coverage. Ensure you have your Hurricane "GO" bag ready with important papers and essentials, and make sure your communication plan with family and friends is ready to go.

Also, everyone should take advantage of the Cove Info Alert system that they are putting in place. Forms re available at the Sales Office and Activities Office.

More to come on Hurricanes as we get deeper into the season. As always, we would like to close with a plea to join the ranks of CERT. Our membership is low and the need is important. We had a fantastic May, having our bi-monthly meeting as well as attending the Annual CERT luncheon sponsored by Polk County Fire Rescue. Please consider giving some of your time to the mission of keeping our residents safe. Our next meeting will be the last Wednesday in July at 630pm in the Cypress Room. Please contact Rob or me for more information.

CITIZENS ASSISTED PATROL (CAP)

The Cypress Lakes House Check Program began in May and we have several crews trained for the summer to handle the perimeter checks of those snowbird neighbors who signed up for the program! We'll trade off a month at a time for the summer but all will be using Polk County Sheriff carts with the flashing lights and as always, CAP members patrol in their uniforms. It's not too late to sign up if you're going to be gone more than two weeks! We are prepared for a full complement of nearly 50 homes to be checked. House Checks must be performed by two people, with one staying at the vehicle in full view of the other person doing checks along each side and back of the dwelling. If problems are discovered, we contact the owner to address loose siding, holes dug by animals, unlocked doors, air conditioner noises, etc.

John Miller has retired from our roster, and while every member of our roster is important and appreciated, John has been instrumental in developing our team for over 7 years. We will miss him and wish him well as he takes some time for himself and other activities.

Our next regular meeting is Tuesday, June 10, at 10 am in the Oak Room. Join us! Applications are in the Oak Room and volunteers are trained by the Polk County Sheriff Department after background checks are completed. We are all ready to patrol and to observe and report!

"BETWEEN THE LANES"

by Bonnie Binns, Courtesy Patrol Manager 863-209-2887
bbinns@covecommunities.com

The summer season is a time of fun, relaxation, and taking an epic adventure! This month we would like to share...summer safety and driving courtesy between the lanes. It's fun to enjoy the sunshine, yet many of us are new to Florida. Let's take proper precautions and talk about how to have a safe and healthy season using good old common sense.

What is the weather like today?

Look at the weather forecast when making plans for the day. Wear proper outfits that will keep you warm in the morning and cool in the afternoon and wear your sunglasses and a hat! Review your medications for sun-sensitivity to ultraviolet rays. Sports fans plan your activity around the most extreme temperatures of the day, use sunscreen, drink water and be watchful for yourself, teammates, and visitors for signs of heat stroke. High Temperatures are Dangerous for Pets! Never leave your pet outside or in the car or golf cart unattended. Hot asphalt and cement can burn paws within seconds, so plan walks during lower temperatures early or later in the day.

Take Those Photos!

A family member may suffer from memory loss or dementia. A great tip in the case of "wandering off" in these extreme temperatures is to take a photo every morning to provide an exact description. Find a "neighborhood buddy" to spend time with them at assigned times each day to socialize. Look to our wonderful Neighbor-to-Neighbor group for suggestions. Is your person missing? First, immediately notify the Polk County Sheriff 911 and then alert the Courtesy Patrol Manager, Bonnie Binns, 863-209-2887 to assist.

Be Kind Between Our Lanes

During this heat, it is easy to become distracted while driving. Be prepared to yield to villagers cycling, walking beloved pets, wildlife and pedestrians in front of the clubhouse. Comply with disability golf cart and vehicle parking. Set a good example for the general public and adhere to 15 mile per hour speed limit and stop signs.

Do not pass on the double yellow lines and bridges. Let's have a safe and healthy summer!
