Strawberry Ridge Sales Office

PG HOLDEN
SALES ASSOCIATE

Hi everyone!

My name is PG Holden, a new Sales Associate here at Strawberry Ridge Village. I am originally from New Bedford, Massachusetts, but have been living here, in Sunny Florida, since 2008.

Prior to starting here in June, I worked at Cypress Lakes Village in Lakeland in both Sales and Accounting departments. I am very excited to be joining the Staff.

The Sales Team has added YouTube videos for the brokered home listings; this brings more attention and customers here to tour our wonderful community. In the near future we will be featuring the brokered homes weekly with Open Houses. More info is coming soon!

I'm also excited to announce the completion of our new 2025 Jacobson Home located on Choo Choo Lane. Please look for the Open House announcement for this home in August.

News from Strawberry Ridge Village Office

Sandy Crawford
Community Manager

Hello Neighbors!

I have been around for two months now and am beginning to find my way around the community. Ha!

There are lots of Infrastructure projects for August:

- We are continuing the lining of drainage pipes in the community.
- Dredging of the two retention ponds on SBR property
- Building a retention wall along 40+ back yards

All these projects are set to alleviate flooding in our community.

Violation notices will continue to go out concerning:

- Children under 18 years of age living in the community.
- Lawn care (or lack of it)

Something New – be on the lookout for new tables and chairs in the Activity Center and at the Outdoor Pool! (we do not have a date yet)

I am looking forward to Pub Nite, I hear it is a blast!!

We hope that we don't have an active hurricane season, but in case we do please get yourselves prepared. July was a quiet month with many of us still vacationing.

- A big thank you to Frank and Mary Ellen Beams who cooked for the 4th of July. It was very well attended.

MEET YOUR NEIGHBOR

Jeannie and Lee Lewis

By Rhonda Hartzer

Jeannie and Lee Lewis have lived in the park for many years. Lee moved here when the park was called Mt. Tahoe Village. Which means he has lived here longer than most of us! The couple met after moving to Strawberry Ridge. Both had lost their spouses and were on a trip with the Discovery Travel group. They just happened to get “thrown together” during this trip, and that was the beginning of their romance. That was 20 years ago. After dating for a fairly short period of time, Lee proposed to Jeannie at one of the New Year’s Eve dances. Anyone living here at that time will remember they had one of the biggest weddings to take place at the Clubhouse. Their favorite song for their wedding was “Could I Have This Dance for the Rest of My Life.”

Lee has no children of his own but has been blessed with four stepdaughters with Jeannie. Two of the girls live here in the park, and the other two live in the Brandon area. They have spent a great deal of time traveling all over the world. Jeannie said it’s almost easier to tell someone where they HAVEN’T traveled than to try to remember all the places they have been. A few of the places they have visited: Belize, Figi, Australia, Russia, Italy, Scandinavia, French Riviera, Egypt, just to name a few of the 38 cruises they have taken!

They enjoy living at SR because of the friendliness and companionship of the people here in the park. These days Jeannie can be found at the pool for the morning water exercise class. When asked if they have any advice for newer retirees, they recommended people enjoy the rest of their lives – and don’t put things off. Advice they obviously took to heart.

It is wonderful to have them as part of our community here at Strawberry Ridge.

LENDING CLOSET

Before you purchase any necessary Durable Medical Equipment:

Check with the Strawberry Ridge Village Lending Closet, located at the Clubhouse, which provides medical equipment to our residents upon request. Call us and one of our volunteers will be happy to assist you by providing many of your needs on an available basis. This service is at no cost to our residents, is a great cost-saving measure, and the loan of the equipment has no time limit. You may keep the equipment if it is necessary.

We have wheelchairs, transfer chairs, crutches, canes, walkers, bed rails, potty chairs, and shower chairs. These items are available for all our residents to borrow. Donations of the mentioned items are also accepted. There are limits on the type of supplies we can accept. We cannot accept respiratory items, diapers, walking boots, medications, stability belts or other disposable items. All that we ask is that when returning borrowed items or donating items please ensure that all items have been cleaned and are fully operational. The volunteer staff does not have the ability to clean or repair any items. Presently, the Lending Closet is in short supply of Rollator Walkers. Any donation of or return of one no longer needed would be appreciated.

If you have any questions or need any of these items, please contact one of the people listed below. If you are donating items, please call any of the numbers so we may secure them for future use.

We may be a small group of people; but we are strong in our commitment to helping our residents. Some of our team members have left due to personal reasons or relocating, so we have some vacancies that we would like to fill.

BENEVOLENT FUND

Jeannie O'Dell, (205) 688-6525, Lisa Beckmeyer, (813) 610-9696 or Willie Clark (931) 212-5940.

The Strawberry Ridge Benevolent Fund Inc. (Fund) has been in operation for a number of years and was recently incorporated as a 501(c)(3) organization to provide food and household supplies in Strawberry Ridge Village. There are families in our community who struggle to pay for the necessary expenses of food, transportation, medical costs, and utilities. The Fund provides monthly food bank distributions as well as arranging for limited household maintenance, such as pressure washing and gutter cleaning. The Fund is operated by the monetary and food donations of the residents and welcomes any donations (monetary donations are tax deductible). If you know of anyone or are yourself in need of food, please contact one of the individuals listed above.

RED HAT MAMMAS

Barbara Duckworth 850-371-2616 Beverly Pletsch 708-490-6307

Hard to imagine we are in August! Speaking of August, a Red Hat shout out to the first Linda G (we have 2) who is celebrating her birthday on the 10th.

Between Back-to-school supplies popping up in the aisles, I am seeing ads for Halloween. Before you know it, I'll be posting about our Christmas party.

Keeping cool thoughts in mind as we head into midsummer, our next luncheon destination will be at A&G Diner located at 120 N. Parsons Ave. If you were familiar with the former Thai Legacy, A&G (American & Greek) diner is now located there. Visit their site at agdiner.com. The menu offers many selections, and if you are a coffee drinker, it's very good. PS...so is the baklava.

Please join us **Aug 26th** at the Activity Center @ 11am for a short meeting. Afterwards we will depart for our luncheon. Please respond to Barb's text regarding your attendance. We always need a headcount so the restaurant can assure seating for us together vs splitting us up.

Thank you in advance and hoping you all can join us.

PENNY BINGO

Mary Phillips 813-654-7955

Every Monday @ Clubhouse from 1PM - 3PM (come early to set up & pay)

BOOK CLUB

Karen Myers 813-431-2748

The Strawberry Ridge Book Club meets on the second Monday of each month at 1:30 PM in the Activity Center.

This Month's books were The White Queen by Philippa Gregory and A Land Remembered by Patrick D. Smith

The White Queens blends real historical facts and fictional accounts. It is based on the life of Elizabeth Woodville who became Queen when she married Edward IV. There is an element of supernatural powers and tells of family rivalry to gain control of the throne. The war came to an end when Henry VII defeated Richard III and married Edwards' daughter, Elizabeth.

A Land Remembered by Patrick D. Smith explores the story of three generations of the MacIvey family who came to Florida in 1858. They're trials and victories to make a living and develop the land by cattle ranching, orange groves and produce production. As we read, the members were trying to visualize how these areas were in presence day. A good read to see how Florida was developed and what the pioneers endured to make a living.

Next month's picks are Good Company by Cynthia D'Apris Sweeny and The Beekeepers Apprentice by Laurie R. King

We have worked on block of the month and one project in which we all used the same background fabric, Christmas fabric of our choice, and exchanged finished signed blocks. The ping pong club at Strawberry Ridge meets on Monday, Wednesday and Friday from 9:00 am to 10:00 am. We also meet on Tuesday and Wednesday nights from 5:30 to 6:45 pm. The picture for the month of August is that of our Canadian friend, Maurice, from Quebec City, Quebec. He loves ping pong so much that he comes back to play with our group at least four times a year. His first love however is tennis and recently he returned from France with his friend Linda from a fun time at the French Open in Paris, France. So, we can say, he's back and we say, welcome back Maurice!! Come down and meet Maurice and say hello. He speaks at least five languages but does speak very good English. However, he uses Spanish when his game is not going well!! Welcome back Maurice to beautiful Strawberry Village and our ping pong club.

To our valued customers;

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.

*Wishing you good health and safety,
The Florida Anchor & Barrier Team*

Are Your Tie Downs Tight?

- **Hurricane Anchors • Tie Downs**
- **Leveling • Blocking • Carport Tie Downs**
- **Stabilizing Devices • Roof-Over Strapping**

- Replace Rusted Anchors • Add Anchors
- Longitudinal Stabilizing • Retro-fit to Current State Standards

If your home moves even a few inches during a storm your home will suffer severe damage. Loose tie downs do not protect your home, they must be tightened every 3 to 5 years. Have your tie-downs inspected NOW, before the storms!
