## Manager's Corner - Jeff Belle

Hello, Camelot East residents,

The dog days of summer are upon us, as we continue to make improvements around the community.

### Community Project updates:

**Asphalt Repair and Sidewalk Replacement:** Sidewalk replacement began on July 21, 2025, and was completed at the end of the week. Asphalt road work for Axminster Rd. will begin in the 1<sup>st</sup> week of August. (Notification to the residents on Axminster will be provided once the date approaches.) Work consists of:

- Complete overlay and milling of Axminster Rd.
- Complete of the remaining portion of sidewalk along Kingsbridge Dr.
- Asphalt repair of depression located at the intersection of Kingsbridge Dr. & Maryport Ln.
- Several small areas within the community for asphalt depression
- Center sewers drain along Kingsbridge Dr. from the sewer grate to the end of the gutter

**Ballroom Flooring:** Completed on July 22, 2025. (Installation delay due to pre-existing floor that required removal prior to laying the new flooring).

**Cabanas and Pool Furniture:** Cabanas have been installed, and pool furniture is in transit for delivery (tentative for furniture setup, Mid-August).

**Irrigation:** Finalized and prepping for scheduling; Finalized pre-construction meeting scheduled for July 23, 2025, and initial work beginning first week in August.

**Lake Erosion:** Completed.

**Solar Blinds (Ballroom):** Completed.

**Perimeter Fencing (Seven Oaks):** Submitted for approval (location will be provided once work is approved).

**Clubhouse Upgrades:** Currently on track, permitting and inspection completed for new plumbing, concrete work completed, metal studs placed to begin drywall.

### Upcoming Community Projects:

- Tennis Court Resurfacing and Pickleball Striping (ALL THREE COURTS)
- Tennis Court Landscape upgrades
- RV Storage Area Landscaping
- Late Summer / Fall Landscaping

### Upcoming Meetings:

- Hurricane Preparedness meeting (rescheduled due to ballroom flooring) TBA.

As we continue to enhance our community, please feel free to reach out if you have any ideas that you would like to discuss. We are always open to your ideas and suggestions!

My quote for August comes from Oscar Wilde and is short and to the point:  
"Be yourself, everyone is already taken".

Have a great month of August and I'll see you around the neighborhood!

## Lifestyle Message from Victoria

Hello Camelot East friends,

Welcome August! As we soak up the final stretch of summer, we have so much to celebrate and look forward to in the upcoming weeks.

First of all, we're thrilled to share that, thanks to the generosity of our amazing Camelot East community, we raised \$530 for the Disabled American Veterans at our Red, White & Blues pre-4<sup>th</sup> of July Wine Wednesday event! A heartfelt thank you to the HOA and all the wonderful volunteers who helped make the evening such a memorable success. We're well on our way to reaching our fundraising goal for next year!

Here's what's coming up in August:

- Game Nights hosted by Connie Keller will take place on alternate Tuesdays. With Bingo on hiatus during August and September, this is a fun way to stay connected and enjoy some friendly competition.
- Something's lurking in the water... and it's a whole lot of fun! The HOA is bringing the fun on August 13th with a splash-tastic evening celebrating the 50th anniversary of JAWS—poolside style! Dive into summer vibes with lawn games like Giant Jenga, Connect 4, Yard Pong, and more while we count down to showtime. As the sun sets, grab your favorite float and settle in for a thrilling movie night under the stars. Beverages and munchies provided (BYOB).  
\$10 ticket required - \$15 Non Member
- The Supper Club, hosted by Marion Hyler, will be trying something new this month with a visit to Fuji Steakhouse. Word is the food is fantastic, so be sure to sign up.
- Mark your calendars for August 22nd—we're bringing the fun indoors with Cornhole Games & Potluck Night. If you plan to bring a dish, please stop by and let me know what you'll be sharing so we can avoid too many duplicates. Come ready to play, eat, and stay cool!
- And finally, Music Bingo is back on August 29th! Join us for an evening of music, laughter, and a chance to win! Tickets are only \$5.

As always, stay dry, stay cool, and stay hydrated. Let's make the most of the rest of this beautiful summer together!

With appreciation and a happy heart,

*Victoria Farrell*

## August Trivia

- On August 6, 1762, the first-ever sandwich was created. It was named after the Earl of Sandwich when he requested a dish involving meat between two pieces of bread. As the story goes, he requested it as he was in the middle of a gambling game and didn't want to interrupt it.
- August has also changed its number of days multiple times. In the ten-month Roman calendar, the months all had either 30 or 31 days, totaling 304 days in the year. Not only did Pompilius add January and February to the calendar, but he also reduced the number of days in August down to 29. It wasn't until Julius Caesar introduced the Julian calendar that it was left with 31 days, and it's stayed the same ever since!
- August is also a little bit unique, most of the time at least. In a standard year, there is no other month that begins on the same day of the week as August. In a leap year, however, August begins on the same day of the week as February.
- Back in the days of the Anglo-Saxons, the month was called Weod Monath. Its translation of "weed month" is quite literal – in this month weeds and other plants grow the fastest in the northern hemisphere.
- August was a fateful month for the ancient Roman city of Pompeii. On August 24, 79AD, Mount Vesuvius erupted near the city. The mountain spewed out great clouds of ash, smoke, and pumice, which rained down on Pompeii's citizens. Unfortunately for Pompeii, that wasn't the end of it either – next came molten lava, which buried the remaining residents 7 feet (2.1 m) deep!
- August has three birthstones: sardonyx, spinel, and peridot. One of the lesser-known gems, peridots come in shades from grass-green to a more earthy olive hue. They're quite a unique gem, really, and quite rare as they can only be found from two very different sources – they can be formed deep in the earth and expelled to the surface along with lava, and they can be found in meteorites! It is claimed that peridots have healing powers and can protect the bearer from evil.
- There are some pretty fascinating holidays spread throughout August which are celebrated in different parts of the world. On August 1<sup>st</sup>, we have World Scout Scarf Day, as well as the Official Birthday and Coronation of the King of Tonga (try saying that in one go!). August 5<sup>th</sup> is National Underwear Day (US), August 11<sup>th</sup> is Mountain Day (Japan), August 16<sup>th</sup> is National Rum Day (US) and August 20<sup>th</sup> is World Mosquito Day. What a month!
- The US also has some pretty delicious-sounding observances for the month relating to food! In August the US celebrates National Goat Cheese Month, National Panini Month, Peach Month, and Sandwich Month.
