One Nation, All

(by anonymous)

From many walks, our roots have grown,
In fields of courage, seeds were sown.
The Fourth was born through voices brave,
Who dared to dream, who rose to save.
Through storms we've faced, through battles long,
We found our strength, we wrote our song.
In every shade and every name,
Burns freedom's ever-blazing flame.
We wave the flag, we cheer, we stand—
Together strong, hand joined in hand.
Not just in stars or stripes we see,
But in our shared democracy.

The ROMEO Group (Retired Old Men Eating Out) is a group of men who meet monthly for lunch and some good conversation. Normally the group tries to visit different eateries in the nearby community. There are no requirements other than being a resident of Camelot East. It is a good way to meet some of the members of the community. It also lets you know what is going on and keeps you informed of the gossip which is always rampant. Come join us the last Friday of each month. We always meet at 11:30 am at the tennis court parking lot or contact Frank Bassetti at 718-207-3600 or Sal Mascolo at 631-624-0443.

Lifestyle Message from Victoria

Hello Camelot East friends,

Summer's here, and we're kicking things off with fun events, cool treats, and great company. First up, is our Red, White & Blues Wine Wednesday, co-hosted by Cove and the HOA. Join us for classic hot dogs, sides, drinks, and fresh watermelon while enjoying live music from Zazz Sings—all in support of Disabled American Veterans (DAV).

Up next, DAV Smoothie Day is the perfect way to cool down while contributing to a great cause. Then, Ladies, this one is for you - Ladies' Chick Flick Night featuring "Dan in Real Life" — a heartfelt and funny film that's sure to be a hit. Bring an appetizer to share, your coziest loungewear, and a pillow or blanket for a relaxing movie night.

We've also got two important presentations this month:

- Dutch's Phone Hack Session - Learn how to spot scams and protect your personal information.
- Hurricane Preparedness Talk - Get practical tips and guidance to help you and your home stay safe this storm season.

Looking ahead to August, get ready for the HOA's Hot Summer Nights Pool Party—a splashy evening of pool games, laughter, and laid-back summer vibes you won't want to miss!

While we're taking a break from our regular weekly Bingo in August and September, we're mixing things up with Game Night every other Tuesday instead.

And good news—Music Bingo, always a crowd favorite, is on the calendar for August, so be sure to keep an eye out.

We're also planning an Indoor Cornhole Games & Potluck Night full of friendly competition and great food. If you're attending the potluck, please let me know what dish you'll bring so we can avoid duplicates and enjoy a good mix.

Don't miss our regular favorites like Movie Night, Trivia, LCR, Karaoke, and Ladies' Card Games—they keep the fun going all summer long.

Don't forget—it's Cammy Nomination time! We can't have the Cammys without your nominees, so please be sure to pick up and return your ballots. This is your chance to recognize the neighbors who go above and beyond. Your nominations and votes truly matter—they're what make this celebration possible and meaningful for our community. Be sure to submit your nominations by the end of September to ensure your voice is heard.

There's something for everyone this summer—so mark your calendars and join the fun. We can't wait to see you!

With appreciation and a happy heart,

Victoria Farrell

Lifestyle Activities Coordinator

- Some of the signers were educated at Harvard:
- The first state to recognize July 4th as a holiday was Massachusetts in 1781:
- There were an estimated 2.5 million people living in the 13 colonies on July 4, 1776.
- Why do Americans call it 4th of July and not Independence Day? On July 4th, the Continental Congress formally adopted the Declaration of Independence, which had been written largely by Jefferson. Though the vote for actual independence took place on July 2nd, from then on the 4th became the day that was celebrated as the birth of American independence.

CHILL OUT - 10 Refreshing Foods to beat the summer heat

1. WATERMELON - THE HYDRATION HERO

Watermelon, the official fruit of summer. It is like biting into a juicy slice of hydration, helping replenish fluids lost through sweat. Watermelon is rich in vitamins A and C, as well as antioxidants like lycopene, which can help protect your skin from the sun's harmful rays.

2. CUCUMBER - COOLING AND CRISP

With over 95% water content, cucumbers keep you hydrated while providing a satisfying crunch. They also contain silica, known to promote joint health and silica helps keep your skin radiant and supple. Enjoy in beverages, salads, smoothies or a snack with some creamy hummus.

3. COCONUT WATER - NATURE'S ELECTROLYTE DRINK

If you find yourself sweating bullets in the summer heat, coconut water can be a natural alternative to sports drinks. Rich in electrolytes like potassium and magnesium, coconut water helps maintain proper hydration levels and aids in replenishing essential minerals lost during perspiration.

4. MINT - THE ZESTY REFRESHER

Mint is an herb that not only adds a burst of flavor to your meals but also helps you stay cool. You can use it to make refreshing drinks like mint lemonade or blend it into smoothies. Mint leaves can also be added to salads or infused in water for a revitalizing twist. Invite it's cool pal, cucumber, over to hang out in a tall glass of sparkling water for a refreshing spritz.

5. BERRIES - BURSTING WITH ANTIOXIDANTS

Berries such as strawberries, blueberries, and raspberries are not only delicious but also packed with antioxidants. These little powerhouses can protect your skin from sun damage and boost your overall health. Enjoy them as a snack, blend them into smoothies, or add them to yogurt for a delightful treat.

6. CITRUS FRUITS - VITAMIN C BOOSTERS

Oranges, lemons, and grapefruits are packed with vitamin C, which supports the immune system and helps the body stay resilient during hot weather. Create your own citrusy concoctions or enjoy freshly squeezed juices for a "Z'esty" and nutritious lift.

7. YOGURT - A COOL CREAMY DELIGHT

Yogurt is a versatile and cooling food that can be savored in multiple ways. It contains probiotics that support digestive health and can be soothing on a hot day. Make yogurt parfaits with fresh fruits or create savory yogurt dips to keep your meals light and satisfying.

8. CILANTRO - FLAVORFUL AND FRESH

Cilantro - you either love it or hate it. Some taste it as a delicious herb that adds a burst of freshness to any dish while others taste it a soap! True story. Assuming you're a lover, it's delicious in salads, salsas, and cold soups. Not only does it taste great but it also aids in digestion and has cooling properties.

9. TOMATOES - JUICY AND NOURISHING

Tomatoes, rich in vitamins A and C, are not only refreshing but also promote healthy skin. Enjoy them in salads, gazpachos, or simply sliced with a sprinkle of salt for a quick and hydrating snack.

10. LEAFY GREENS - LIGHT AND NUTRITIOUS

While you may be keeping your meals light during hot weather, you don't have to compromise on nutrition. Leafy greens like spinach, arugula, and kale are nutrient powerhouses. They contain essential vitamins and minerals, and their high water content helps keep you hydrated.

Stay cool, and have a healthy and enjoyable summer!
