the bar

PASSION – We make
every moment count
TRUSTWORTHY - We
consistently do the right
thing

STEWARDSHIP– We
value the world and care
for it

KINDNESS – We follow
the golden rule

Hello August 2025

From the office –

Summer Office hours M-F 9am-3:30pm. Office hours may change from time to time.

Closed Saturday & Sunday

Office # 813-645-6037

After hour emergency # 813-613-6296

Email address rivervista@CoveCommunities.com

Facebook – Activities at River Vista RV –The Activities at River Vista RV will give you important information of activities, and items you need to know about the park.

The summer temperatures are here! Be sure to stay hydrated, take frequent breaks and move into the shade any time you can. Watch out for your neighbors and call 911 immediately, if you suspect that someone is suffering from heat stroke.

Hurricane season is upon us, please be prepared. If you decide to stay, make sure you have your hurricane supplies ready. If our park is put in an evacuation status, the water and sewer system will be shut off and will resume after the storm has passed and it is safe to return. Reminder – The buildings in this park are NOT shelters! Buildings will be locked until inspected and safely reopen.
The hurricane preparedness packet is in this newsletter.

Boat ramp upgrade – start date has changed. I will keep you posted as to when this work begins. New maintenance building and fence are underway.
We are waiting for permits to be submitted and approved.

Please do not park your vehicle on any other site than your own!! Be courteous to your neighbors and don't block or park in their driveway. Motor vehicles and golf carts must be parked in your driveway. Please do not park on the street.

Please lets all be good neighbors. If someone is away from their site, whether they are snowbirds or away taking care of some medical issues, DO NOT take anything off their site unless you have permission from that resident!

Sales – All sales must be reported to the Community manager. If you would like to sell your unit, there may be some conditions that need to be done before you list your unit. You must have a manager sign a "No conditions approval form" . If you are planning on painting your unit, the paint color MUST be approved by manager. Approved colors are white, tan, and certain colors of blue, grey and yellow. Anything you do to your unit on the outside or in your yard must be approved by management.

If you hear rumors – come to the office and ask. Do not assume you are receiving the correct information.

Thank you for making River Vista RV the caring community that we can all be proud of.

River Vista Team

River Vista Riverfront Park

From your Lifestyle Coordinator

Hello August! Children starting back to school, family vacations coming to an end and more hot days ahead.

This is Florida and it's going to be hot but there are some COOL activities planned to help beat the heat. In August we continue weekly card and game nights, Friday night karaoke and music bingo, have logo and movie trivia planned, ladies lunch at Circles on the Bay, a guy's gathering cheeseburger in paradise lunch, tiki pool party, and something brand new, Introduction to AI.

Look for sign up sheets and ticket purchase. To keep up be sure and download the CampersApp.

For more exciting activities and events check ou the "Save The Date" page.

Beating the Summer Heat

Tips for staying cool when summer heats up

Summer heat can be more than uncomfortable; it can be DEADLY. Every year thousands of workers become sick or worse from heat exposure. Heat illness is preventable. Let's explore the causes and how to prevent heat-related illness.

Heat-Related Illness

The body normally cools itself by sweating. However, during hot weather, especially with high humidity, sweating isn't enough. Heat illness occurs when a person is not capable of maintaining normal body temperature. A combination of factors can contribute to this condition: poor hydration, heat load from the temperature, and high relative humidity. Heat exhaustion develops when a person is playing, working, or exercising outside in extreme heat.

Symptoms vary in intensity but can include:

- Dizziness, weakness, nausea, headache, and possibly vomiting
- Blurry vision
- Body temperature rising between 100 to 104.9°F
- Sweaty skin
- Feeling hot and thirsty
- Difficulty speaking

A person with heat exhaustion symptoms must move to a cool place and drink plenty of water.

Heat Stroke

Heat stroke is the result of untreated heat exhaustion.

Symptoms include:

- Cessation of sweating
- Body temperature rising rapidly to above 104.9°F
- Confusion or delirium
- Loss of consciousness, seizure, or death may result

Call 911 or seek medical professionals. Keep the person cool until help arrives. Place a cold compress on the neck, armpits and groin (where blood vessels run close to the skin). If the person is awake and able to swallow, administer fluids.

Heat stroke requires **immediate medical attention** and can result in **death**.

Tips for Staying Cool

- *Drink plenty of water.* The average adult needs eight 8-ounce glasses of water a day, and even more during the summer or during outdoor activity.
- *Dress for the weather.* When outside, wear lightweight clothing of natural fabric and a well-ventilated hat.
- *Stay inside whenever possible.* Run errands and do outside chores in the morning or late in the day.
- *Eat light.* Replace heavy or hot meals with light refreshing foods (e.g., fruit) that have a high water content.
- *Think cool!* Apply a cold compress on your pulse points. Or, visit an air-conditioned mall or movie theater.

When the mercury rises... **H.E.A.T**

Hydrate

Educate yourself

Act quickly if you or someone else begins to show signs of heat-related illness

Take it easy

Drink water before, during, and after outdoor activity. Thirst is a poor indicator of your body's need for fluid. Sports drinks can help replace salts.

RESIDENT HURRICANE READINESS GUIDE

Living in a recreational vehicle, park model or manufactured home is a great lifestyle, but when storms head our way, RV's, 5th wheels, travel trailers, park models and manufactured homes should not be considered a place of shelter. Our clubhouse is not rated as a shelter either – so in these few pages we will try and provide some information for you regarding how to get ready for stormy weather when an evacuation is ordered. We are fortunate to live in a county where there is plenty of helpful information and lots of shelters including pet friendly ones. We hope we don't have to "buckle up for a bumpy ride" this year, but it certainly never hurts to be prepared.

Remember, you can always evacuate before an evacuation order is given. Doing so will help ensure you arrive at your storm-safe location without delay. Make sure your Community Manager has your current email and phone information so they can provide community updates.

DURING THE HURRICANE WATCH

1. Plug-in/charge all battery-operated devices.
2. Turn refrigerator and freezer to coldest settings. Open only when necessary.
3. Withdraw cash for one week of expenses.
4. Place valuables in a safety deposit box.
5. Restock emergency kit with flashlight, batteries, cash and first aid supplies.
6. Fill your car's gas tank and refill propane tanks.
7. Stock up on drinking water.
8. Refill prescription drugs and obtain special medications.
9. Outline emergency plans with your family.
10. Arrange for the safety of your pets. Ensure your pets have current vaccinations and you have their paperwork.
11. Gather things you will need if you go to a shelter. Ensure your hurricane survival kit is packed and ready to go at a moment's notice.
12. Stay tuned to radio and TV stations for weather reports.

DURING THE HURRICANE WARNING

Protect windows by lowering awnings or installing window protection. Bring in outdoor furniture and clear yard of loose objects. Lower your television antenna, be careful not to touch power lines. Plan to evacuate, if ordered.

EVACUATION

If an evacuation order is issued for our area, make sure your home is secure and then leave immediately. All residents of Manufactured Home and RV Communities are required by law to leave if an evacuation order has been given for the area.

1. Turn off water, gas, and electricity.
2. Unplug and secure high-value electronics equipment.
3. Take important papers with you, including insurance papers and identification with your local address.
4. Store water in bathtubs, barrels, jugs, and other containers. Use this water for bathing and sanitary purpose. (Not suitable for drinking).
5. Let relatives and the community office know where you are going.
6. Evacuate to a designated shelter!

RECOMMENDED ITEMS FOR A HURRICANE KIT FOR A SHELTER

1. Medication for 30 days / personal first aid kit
2. Bedding material (sleeping bag) and pillow / lounge chair / extra clothes
3. Personal hygiene items / eye mask for sleeping / towel & wash cloth
4. Personal phone book (email addresses)
5. Bottled water (1 gallon per person per day)
6. Non-perishable food and snacks for 1 week
7. Manual can opener / utility knife / plastic eating utensils
8. Battery operated radio with headset (extra batteries)
9. Flashlights (1 per person) / butane lighter
10. Playing cards / magazines & books / puzzles
11. Copies of important documents (deeds, titles, wills, insurance policies, medical records, passport, birth certificate, billing statements for credits cards and loans)

AREA EVENTS

Busch Gardens

As the sun goes down, the party heats up at Busch Gardens Tampa Bay during Summer Nights! Enjoy world-class coasters, electrifying entertainment and so much more during extended summer hours.

Enjoy extreme fun with our all-new, action-packed freestyle stunt show, Moto Motion! Cool off during the day with our dynamic ice show, Rhythm of Nature, as well as the iconic indoor performance, Icons. Stick around for nightly excitement at the Boom Box Dance Party in Stanleyville, and rock out with Gwazi Rocks in Gwazi Plaza. Capture the moment with fun summer photo ops and savor delicious seasonal bites all night long. Best of all, this entire event is Included with park admission!

Raise a Glass to Flavor and Thrills at Busch Gardens Tampa Bay!

Park guests can sip delicious brews and soar on epic coasters during Bier Fest Brews & BBQ, Busch Gardens' beer-inspired food festival.
