News from Strawberry Ridge Village Office

Sandy Crawford
Community Manager

Hello Neighbors,

I am so sorry I could not make Pub Nite. The pictures looked awesome!

I was very sad that day. We lost our little rat terrier of almost 17 years, Minnie Pearl. We are feeling a little better, but the pain still remains. She was definitely a big part of our family and will be forever missed. Thanks to all of you who reached out with condolences.

The CEO of Cove, Jim Goldman, paid us a visit on August 20th and brought contractors. Their major concern was Strawberry Ridge Village amenities. Cove is aware that Strawberry Ridge needs a much needed facelift and I am so happy to be a part of these exciting times!

I hope to see you at some of the September activities.

Quote for the month: "Sometimes not getting what you want is a wonderful thing".

Blessings,
Sandy

Jennifer Singh
Bookkeeper

Hello, neighbors! September is here, which means we're officially trading in iced tea for pumpkin spice... well, maybe just thinking about it until the weather cools off!

Labor Day falls on Monday **September 1st**, **the office will be closed**, so give yourself permission to relax. Whether you're grilling or floating in the pool, enjoy a well-earned break.

The Full Harvest Moon will grace our skies on Monday, September 8th. Old folklore says it's the best moon for reflection, so maybe step outside, take a deep breath, and whisper "thank you" to the universe (or at least to whoever mowed your lawn last.)

Here's to a September full of cool breezes, friendly chats, and hanging out with neighbors.

September birthstone is the Sapphire- associated with wisdom and loyalty.

Some crazy holidays for this month:

Sept 1- Labor Day/ American Chess Day

Sept 6- National Read a Book Day/ National 401 (k) Day

Sept 11- Patriot Day

Sept 18- National Cheeseburger Day/ US Air Force Day

Sept 22- Fall Equinox/ National Ice Cream Cone Day

Sept 29- National Coffee Day/ National Biscotti Day

Thanks for reading!

Happy September Strawberry Ridge Village!!

I would like to start off with a HUGE THANK YOU to all of you who came to the Open House Event located at 602 Choo Choo on 8/15/2025, it was wonderful meeting all of you and I look forward to seeing you and your neighbors at our future events. Please see below for September Open House Events.

9/11 213 Tahoe Circle 11-1
9/18 123 Sky Ridge
9/25 3504 Cranberry Knoll 11-1

9/6 104 Strawberry Junction Ln
9/13 125 Sky Ridge 11/1
9/20 261 Tahoe Circle 11-1
9/27 602 Choo Choo

We here in the Sales Office have noticed a rise in inquiries in both Brokered and Inventory homes here in the community. I would like to take this time to suggest a few things that might improve the traffic for your individual home:

Landscaping – Please ensure the lawn is mowed, edged, & trimmed. The first thing they are going to see is your front lawn.

De-Clutter – Keep countertops, bathroom vanities, tables, etc. free of personal items such as toiletry items, medications, mail, food etc.

Open Blinds / Curtains – A bright light home is a welcoming home!

Another feature we are adding is YouTube videos to the listings. The video will be included in the actual listing on Community's website, the MLS sites, and of course YouTube. I encourage you to subscribe to the Strawberry Ridge Village YouTube channel so you can view all our listings yourself. We are working to get all existing homes videos and fresh pictures for those who would like them. If you are interested in new pictures, please call me at 813-689-9423 ext. 304 for more information or an appointment.

We will be asking our Guests that visit Strawberry Ridge Village to rate the homes they tour. Our rating system is 1 thru 5, 1-Poor 2-Below Average 3-Average 4-Above Average and 5- Excellent. We ask them to rate Curb Appeal, Layout & Floor Plan, Inside Look & Feel and Price. This is an excellent reference to have when trying to improve a listing or figuring out why it's taking longer than usual to sell. This Feedback Sheet is provided at time of Listing and left in your home. We ask you, the Seller to have it out in the open when you know you have a guest coming to tour.

I am very excited to be here at Strawberry Ridge and look forward to meeting all of you!

MEET YOUR NEIGHBOR

Patty and John Jackson

By Rhonda Hartzler

Patty and John moved to Strawberry Ridge from Kentucky approximately 14 years ago. They had three children, two girls and a boy. Tragically, they lost their son, John, at 19 due to a climbing accident. Both of their daughters, Jennifer and Kandace, live in Kentucky. Patty and John have been blessed with four grandchildren, and this year they will celebrate their golden anniversary!

While John was in the Navy, he learned how to be a millwright. After the Navy, he worked as a millwright most of his life. Which means he knows a lot about pumps and motors and all kinds of equipment. After being a stay-at-home mom for a few years, Patty got an iron workers certificate and completed a four-year internship to become an iron worker. Below is a picture of her “sitting the iron.” In this picture she is several floors up. She had to travel extensively for this job, usually making it home once a month. She had an RV that she lived in, and it was sent ahead for her from job to job, quite often staying at KOA campgrounds. She did this for several years, eventually becoming a Quality Control Inspector. You can still find her working part-time at the Ross store near Publix.

John and Patty have also traveled extensively. Some of the places they have visited: Europe, Jamaica, Cancun, Switzerland (where John broke his leg skiing the Alps!) They both have been involved in various ways here at the Ridge. John was active in the Veterans Club for some time, and Patty works with the CERT organization here currently. They belong to the Moose, Eagles and AmVets clubs. They definitely keep busy.

Their main suggestion for new retirees is to get involved in the community. They love living here at the Ridge due to the fact that we are close to everything we need – stores, doctors, etc. I asked Patty if she had any suggestions for living a long life. She said she’ll let us know “when they get there!”

It is wonderful to have them as part of our community here at Strawberry Ridge.

LENDING CLOSET

Before you purchase any necessary Durable Medical Equipment:

Check with the Strawberry Ridge Village Lending Closet, located at the Clubhouse, which provides medical equipment to our residents upon request. Call us and one of our volunteers will be happy to assist you by providing many of your needs on an available basis. This service is at no cost to our residents, is a great cost-saving measure, and the loan of the equipment has no time limit. You may keep the equipment if it is necessary.

We have wheelchairs, transfer chairs, crutches, canes, walkers, bed rails, potty chairs, and shower chairs. These items are available for all our residents to borrow. Donations of the mentioned items are also accepted. There are limits on the type of supplies we can accept. We cannot accept respiratory items, diapers, walking boots, medications, stability belts or other disposable items. All that we ask is that when returning borrowed items or donating items please ensure that all items have been cleaned and are fully operational. The volunteer staff does not have the ability to clean or repair any items. Presently, the Lending Closet is in short supply of Rollator Walkers. Any donation of or return of one no longer needed would be appreciated.

If you have any questions or need any of these items, please contact one of the people listed below. If you are donating items, please call any of the numbers so we may secure them for future use.

The C.E.R.T. Team meets the 2nd Thursday every month at the Activity Center at 6:30. Our next meeting will be on **September 11th**. Please consider joining our group. We may be a small group of people; but we are strong in our commitment to help our residence. Some of our team members have left due to personal reasons or relocating, we have some vacancies that we would like to fill.

With the Hurricane Season just around the corner, it's time to be prepared. Are you prepared? We have been very lucky no hurricane has come our way but you never know. When a hurricane is brewing, we don't know if it will come our way. If you need to be evacuated due to health reasons, both in English and Spanish, we have forms that need to be completed. If you need one of these forms, please call Rose Panella at 813-662-9862 and she'll bring one to you. Once you have completed this form, call her again and she will fax it to the county. If you completed one of these forms last year, you still have to complete another one for this year. Once a hurricane is close and you plan on staying, please go to the sales office and let Tina know. She has a list that your information will be added to. A representative of C.E.R.T. will bring you a sign that you could put in your front window that is visible from the road. The sign states **HOME** on one side and **HELP** on the other.

The ping pong club at Strawberry Ridge meets on Monday, Wednesday and Friday from 9:00 am to 10:00 am. We also meet on Tuesday and Wednesday nights from 5:30 to 6:45 pm. The picture for the month of September is one of our newest players, Dawson Howard. Dawson is 10 years old and when he comes over to visit his dad and grandmother, he often joins us in a game or two of ping pong. He plays a fantastic game and can play with the best of us. We are thrilled to have him join us. He is a very well-behaved young man and if you want to see how good he is, come on over and join us. The good news is this, "all ages" are welcome to join us in a very good and fun game of ping pong. Shortly we will be adding a second table to accommodate all who would like to play.

BOOK CLUB

Karen Myers 813-431-2748

The Strawberry Ridge Book Club meets on the second Monday of each month at 1:30 PM in the Activity Center.

This Month's books were The White Queen by Philippa Gregory and A Land Remembered by Patrick D. Smith

The White Queens blends real historical facts and fictional accounts. It is based on the life of Elizabeth Woodville who became Queen when she married Edward IV. There is an element of supernatural powers and tells of family rivalry to gain control of the throne. The war came to an end when Henry VII defeated Richard III and married Edwards' daughter, Elizabeth.

A Land Remembered by Patrick D. Smith explores the story of three generations of the MacIvey family who came to Florida in 1858. They're trials and victories to make a living and develop the land by cattle ranching, orange groves and produce production. As we read, the members were trying to visualize how these areas were in presence day. A good read to see how Florida was developed and what the pioneers endured to make a living.

Next month's picks are Good Company by Cynthia D'Aprix Sweeny and The Beekeepers Apprentice by Laurie R. King

To our valued customers;

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.

Are Your Tie Downs Tight?

- **Hurricane Anchors • Tie Downs**
- **Leveling • Blocking • Carport Tie Downs**
- **Stabilizing Devices • Roof-Over Strapping**

- *Replace Rusted Anchors • Add Anchors*
- *Longitudinal Stabilizing • Retro-fit to Current State Standards*

If your home moves even a few inches during a storm your home will suffer severe damage. Loose tie downs do not protect your home, they must be tightened every 3 to 5 years. Have your tie-downs inspected NOW, before the storms!
