From the President's Desk
Hello HOA Members and Residents,

Welcome! Thanks to our excellent working relationship with CE and Cove, we are proud to announce that this will be the new home of the HOA INSIDER. Moving forward, please watch this space for new and exciting HOA information. Another summer has come and gone. I hope that our snowbirds enjoyed their time off site and made great memories with their families.

The damage caused by last year's hurricanes to our buildings have been completed. The pool is open and warm. It has been running correctly throughout the summer. The new cabanas have been in place for most of the summer and our new deck furniture has arrived last week.

There have been many improvements to our village also. Uneven and cracked sidewalks have been replaced. The street has been repaved on Axminster. The tennis/pickle ball courts are open and being used for competitive fun. The bocce courts have been covered and protected from all the rain we have had and should be much easier to groom and use when everyone returns. The clubhouse remodel is moving forward with good progress. However, the new facility layout and walls have all been put in place. The drywall has been installed and painted as of last week. The facility is scheduled to be completed and re-opened by November if all continues to go forward without any delays. I am hoping for a mild hurricane season to help us meet this timing. The facility is still being finished, so please excuse the evidence of construction in progress still visible in front of the clubhouse. The work started in our auditorium has now been completed. The new floor and blinds have been installed.

I have posted our updated social event dates on our Facebook page. Please consider volunteering and supporting the event Chairperson to support successful events. I will post the listing again on these sites again for your awareness and convenience. Our HOA membership is at 258 Members. If you have not joined, please consider doing so as every member strengthens our community and supports our organization financially. I look forward to everyone's return for the winter.

Thank you,
Tom Jendrowski
