Big Cypress
GOLF CLUB

From the Manager's Desk - Community Manager Robert Parody, CCM

Welcome back to our seasonal residents of Cypress Lakes. We hope you had a wonderful Summer in your home states, or visiting family & friends to escape the FL summer heat. It was a toasty summer, that's for sure.

We have been busy with the remodeling of the Clubhouse, tennis courts, new signage in the community, additional benches in throughout the community, and the RV park is still ongoing.

Grill: new equipment, new menu in October, new awning over the door, new ramp put in for easier access, grill renovations starting mid-October

Golf: We now have on-the-go snacks and drinks in the Golf Shop. Coming in October on turn, 7&8 call in your grill order for a snack while playing & you can pick up at the Clubhouse on your way to hole 9. Rovers have been on the course in the evening. Please remember to pay to play the day of before golf shop closes at night.

Hole 8 we now have an awning you can pull into for shade, while waiting to tee off. This replaced the very large tree that used to be there.

Golf Maintenance: We have had new equipment for 2025 with more to come in 2026. Superintendent Jacob has been joining us for coffee talk. If you have questions or want to meet him, please join us.

Billard's: 2 new pool tables. Please keep covers on when not playing. Smoking outside the entrance is prohibited. There are ashtrays at the bottom of the steps, please utilize instead of landscaping

Arts & Crafts room: New cabinets & paint

Clubhouse refresh is almost complete. We have a lot of tidying up to complete yet. We will be purchasing new furniture as well for the lobby.

Community housekeeping:

We would like to take a moment to remind everyone of some important residential information and most of what we receive calls regarding. This can all be found in the Rules & Regulations or Prospectus everyone received when purchasing their home.

*Remodeling, painting, or any exterior work- There are forms to be submitted for all exterior work located in the Admin/Sales office. Forms are filled out prior to work being completed. You could be asked to correct work if not approved beforehand.

*All vendor/construction signs can be up in landscape adjacent to home while work is completed. When work is done, signs will need to be removed.

*No fences are authorized to be built or maintained on any site. Decorative fence application must be approved. Dog fences are to be mobile. Not allowed are the following: Ez-up tents, pools, refrigerators, storage bins.

HOME OF THE MONTH

Congratulations to Steve and Dawn Sobie at 2365 Peavine Circle for winning October's Home of the Month! After driving by and admiring the inviting entrance, they decided to take the bold step of leaving Illinois for sunny Florida. The opportunity to own their own property inspired them to design their dream home. Their favorite features? Steve appreciates the convenience of a single level, while Dawn loves the open concept. Steve enjoys practicing Tai Chi, and Dawn takes pride in caring for their lawn. Tucked away in a peaceful part of the community, they're truly at home!

Welcome to October – where everything is pumpkin and things are hopping here in Cypress Lakes. The Veterans Auxiliary is no exception. We are looking forward to all we have planned for the coming months. Be on the lookout for our mailbox flyers and community emails to stay informed and mark those calendars.

Our October meeting will be held on Monday, October 6th in the main hall at 630pm. All are welcome to attend and witness what a fun yet mission focused group we are. You are more than welcome to join our group if you have a family member serving or who has served in the military.

On Tuesday, November 11th we will be sponsoring our Annual Veterans Day Breakfast in the Cypress Lakes Grill from 8:30am to 10:30am. On the menu – scrambled eggs, bacon, sausage, pancakes, hashbrowns, coffee and tea.

Tickets are \$12.00. All proceeds will benefit St. Vincent de Paul Cares. Ticket sales will take place on October 13, 14, 15, 20, 21, 22, 27, and 28 from 9:00 AM to 12:00 PM in the Clubhouse Lobby.

We will start offering our famous hot dogs again at Bingo on the 1st and 3rd Tuesdays of the month in the main hall. Our dessert table is back, also. Remember it all goes to a worthy veteran organization. See you Tuesday, October 7th.

And remember – given the opportunity – thank a member of the military (past or present) for their service.

GARDEN CLUB, YARD OF THE MONTH

Congratulations go out to Steven & Kathleen Williamson of 9417 Top Flight as winners of Yard of the Month for October 2025. This is a four-sided garden and is full of various textures and color! With Crepe myrtle, many Ti plants, coleus, Mandevilla, 3 Majestic Palms, an Eastern Redbud tree in back, Vincas, Blue daze as ground cover and accent, zinnias, gerbera daisies in pots, shell ginger, desert rose and Firespike to name just a few! It all comes together beautifully and makes for a lovely garden. Please stop by to admire their work and congratulate them!

We, at the Garden Club, look forward to all the beautiful ideas you will create! Remember it's your efforts to create beautiful gardens that enrich our community and make ours still one of the best of its kind anywhere.

Happy Gardening! Kathy Dunlevy, 404-387-1902

DOG PARK

BOBBY

CLV Friends of the Dog Park Ambassador for October 2025

Bobby is a 10-year-old Rat Terrier. He is a member of the "at least twice a day" dog park club. Bobby is any mother's dream; he is a really good boy who does not jump on anyone or cause any problems. He has eyes only for his girlfriend, Lily the Poodle. They have played together since Lily was 12 weeks old. She loves Bobby. Bobby's favorite person is his mom, Chris, but Howard comes in a close second. If you see Bobby around, give him a high five.

FROM YOUR BOARD

We continue to ask for volunteers to support your park and enable it to remain open. Without your support we cannot have special events or continue maintenance of the park. There are many needs in order to keep going. PLEASE step forward and help. "Cookie Nite" is back on the 2nd and 4th Tuesday of each month. This activity is in the Main Hall in cooperation with our Bingo friends. As our only regular fundraising event. ALL MONIES GO TO THE OPERATION OF THE DOG PARK.

CYPRESS LAKES RC CLUB

We've definitely learned a few things following our RC Races (June, July and August) this past summer. For example we won't be running qualifying laps prior to the races. And of course we tried that on probably the "hottest" day of the year... 😞. In fact we are considering suspending racing during the summer months, it was just really HOT. Having special guests make an appearance is a "Good Thing", Evel Knievel's successful death- defying jump during the Firecracker 150 was a tremendous success so we need to work on more guests like that (in fact our people are in discussions with his people to schedule a return visit). However given the crazy HEAT, the AMBUCS Summer Spectacular RC Race was a success. Thank You so much to everyone that came out! Congratulations to Chris Kyle for taking Top Honors in the Smalls Division and Mike Weaver for racing his way to the Winner's Circle in the 1:10 Division.

As our snowbirds make their way back, October looks to be quite busy for the club. Our monthly meeting on Wednesday, October 8th. The Back to Back Burnout RC Race on Friday and Saturday October 10th and 11th. October 25th will host the Thrilling Zombie Drift with a special presentation of THRILLER by Curtain Time Players. And our first RC 101 class on October 30th. We APPRECIATE your ongoing support...Thank You! Questions regarding your Cypress Lakes RC Club, how to get involved or becoming a driver (or volunteer), please contact Gary Gentry...813-577-2498. For additional information please visit our Facebook Page...Cypress Lakes RC Club. We look forward to having you JOIN us!!

PICKLEBALL FUN, FAIR AND COMPETITIVE!

The Pickleball Club has been watching the refurbishment of the Tennis courts and has been limited to only two courts of play. It is very exciting to see the transition and now we are waiting for curing to be completed. It has been a big project from start to finish and we are appreciative of all involved in this project.

Thank you to our photographers Julie O'Hara and Tish Moore for sharing the progress with the Club

Save the date for the Annual Turkey Shoot on November 4th. More information will be coming soon, but this is a great time to practice accuracy as you aim for targets to win prizes.

Not a club member?? NEW member forms are available in the cabinet by the entrance of our pickleball courts. New members will be contacted after completed forms are received.

To join the club Facebook page go to Cypress Lakes Pickleball League and request to join. For more information on our club email clpickleball@gmail.com and we would be glad to connect and answer any questions.

TENNIS

If the tennis club can't play tennis - why not play cornhole! Our own Priscilla Carey brought club members together for a Cornhole Tournament on Labor Day with a social of great food and chatter. The winners were - first place - Bob Vaughn and Cheryl Offidani; second place - Bill Tittle and Dean Bonaiutp; and third place - Dieter Hees and Joel McCullough. It was a day of great competition. We send a shout out to Tim Hughes for a great job running the tournament.

We also want to give a shout out to Bob Vaughn - an amazing craftsman who made beautiful slate coasters for the brunch with Cypress Lakes Tennis Club printed on them and to Priscilla Carey who tirelessly give us her time!

Good news concerning completion of the courts should follow soon!

Aqua Tabata with Wendy & Lynn Wednesday and Saturday at 1:00PM

Beginning October 1st

Come join Wendy & Lynn for Aqua Tabata at our new time 1 PM for the fall and winter months.

What is Aqua Tabata you ask? Tammy/Lynn will lead on Monday's at 1:00 pm; and Wendy/Lynn will lead on Wednesday's and Saturday's at 1:00 pm. Each class lasts about 45 minutes. The first set of 8 exercises are warm-ups. Exercise is in the form of Tabata – ten sets of eight 20 second rounds of an exercise with a 10 second rest between.

We do use water weights, but it is not necessary to have them; as you can use your hands or a noodle for resistance. We encourage everyone to bring water with them as we do take two water breaks – we don't want anyone to dehydrate. This is held in the walk-in pool closest to the Fitness Center.

This class (like any outdoor class) is weather permitting and if we are going to cancel class we do send out an e-mail on the CL Groups.io and two of the Facebook pages. This class is for anyone who wants to participate.

GOLF COURSE RULES

Golf cart paths on both North and South Courses are for golfers playing a round of golf. To ensure everyone's safety, the following non-golfing activities are not allowed during daylight hours on the course: walking, jogging, bicycling, dog walking, fishing or non-playing golf cart rides. Daylight hours are defined as ½ hour before sunrise and ½ hour BEFORE sunset. The course will be closed to all activities 1 hour after sunset. The only exceptions would be if there is an organized activity such as night golf. [Dog walking is not permitted on the golf course at any time]. Non-golfing activities are not allowed on the North and South Courses when the courses are closed. The rules are in place for the safety of the golfers. Thank You for your cooperation.

LET'S WORK TOGETHER TO KEEP THE COURSE IN GREAT SHAPE

We're committed to maintaining a clean, safe, and enjoyable environment for everyone who plays here, and we truly appreciate your help in making that possible. One simple but important way you can contribute is by properly disposing of cigarette and cigar butts. Leaving them on the course not only detracts from its appearance but also harms the environment and diminishes the experience for fellow golfers.

We'd also like to remind all players to stay behind the "Cart Only" signs. For those with a handicap flag, please remain at least 30 feet from the greens. These restrictions are in place to protect sensitive turf areas and ensure they stay healthy and playable throughout the season.

As a new update, players are now permitted to drive on Hole #8. We ask that you use extra caution on this hole, particularly around the hills and slopes, to ensure both safety and turf preservation.

Together, we can keep the course clean, green, and enjoyable for all.

Thank you for doing your part!

BCMGA

Isn't it great to have a golf course that looks as nice as ours? Congratulations to our course superintendent and maintenance workers for a job well done. That does not stop us from putting sand in our divots or raking the bunkers after we "inadvertently" get into them. Oh yeah, once you leave the bunker, tap on your shoes to knock off the sand attached so it isn't tracked onto the green. Look for the sign-up for the SPOOKY PIN Halloween tournament.

If you have an issue getting your results after Thursday's round, please email me.

DID YOU KNOW

If you want to keep spooky spirits away, salt should do the trick - Some say that salt acts as a "protective shield against evil spirits and malevolent entities" and has been a practice dating back to ancient times. Even if you're not a true believer, it can't hurt to sprinkle a bit on your doorstep should any unwelcome visitors stop by on Halloween night.

The quintessential Halloween treat was once known as a different type of farm food. When George Renninger invented the tri-colored candy in the 1800s, he marketed it as "Chicken Feed" before it was quickly renamed "Candy Corn" following World War I.

HOMEOWNER ASSOCIATION NEWS

We're ready after this hot summer for some refreshing fall temps! You can tell the activity level of the community ramps up now too! The calendar is already filling up with meetings and bus trips and dances and our northern friends are arriving for us to catch up with! Be mindful of the extra people walking and riding bikes especially around the clubhouse. Following the posted speed signs and stopping at stop signs becomes even more critical with increased pedestrian and vehicular traffic. Allow extra time for whatever your day's task to smell the roses. walk in the Garden Walk, enjoy the slow gait of the sandhill cranes and wave and smile at the next person you see! That patience and caution now extends to US 98 in front as work continues on the road widening and entrance reconstruction. We have FDOT speaking at 10 am after our October Resident Coffee to provide an update and current timeline on work being done. Don't miss it!

Pancake Breakfasts with eggs and sausage (and more!) resume Saturday, October 19 with a hot and tasty breakfast! Get your \$6 ticket in the HOA Office beginning October 6 and yes, for an extra dollar there will be limited sales at the door too! Join us in the Main Hall and sit and enjoy a hot breakfast with an extra cup of coffee while you meet new friends or old and catch up after summer travels! Have a neighborhood group you'd like to sit with or a club gathering prior to your other Saturday plans? Let us know and we'll reserve a table or more for you! See you there!

Are you getting the most out of your Homeowners Association? Have you checked out the many amenities at Cypress Lakes? Do you know that it takes various committees; Aesthetics, Advisory, Statutory, Membership, Budget, Events, Special Projects – to assist Management in identifying improvements needed, maintenance issues, new interests and 'wish lists'? Nothing happens in a vacuum. This community is a living and breathing entity and communication and cooperation are absolutely necessary! Are you part of that picture? Because if you're not a member of CLHA, you're an observer not a participant. Come and be part of our team!

Our first HOA Board meeting of the season is Monday, October 13, at 6 pm in the Arts/Crafts room. Residents are welcome to attend and we've got lots of updates and projects to report on. We'll be discussing future plans too, so come and observe. For one, we'll be forming a Nominating Committee for board openings to be filled at the annual January meeting. What talents can you share with this volunteer board? We'd love to put your name on the ballot! Contact any board member for details! *Gwen Snook, President*

Bulletin Boards near Mailboxes

Welcome to our New Residents and returning Snowbirds.

Cypress Lakes Village HOA provides Kiosks at six different locations near the mailboxes. They are for you to find out upcoming events, or to post your items for sale or rent and even your business cards.

HOA has some rules and guidelines so be sure to check them out, located on the boards.

We have neighbourhood volunteers that check to make sure your boards stay up to date with current events.

We appreciate our volunteers for their dedication and time they put into helping to keep our boards up to date.

Please do not post items multiple times or in places they do not belong.

Patty Herblet, CLV HOA Bulletin Board Coordinator 989-560-3363

CITIZENS ASSISTED PATROL (CAP)

There are now more than 65 CAP teams in Polk County. All teams provide 'eyes and ears' in their communities for the authorities and simply observe and report people and things out of place.

Enforcement? That's for the paid deputies but we have phone contact with dispatch while on patrol. We will be present at the Dog Park's 'Blessing of the Pets' on October 3 just to help with congestion and parking.

Welcome to newly trained volunteers Barb & Joe Thouvenin and Peter Rose! Thanks to all our patrol volunteers who are stepping up to get our total monthly hours up! Only TWO HOURS a week is needed from each of you to make a difference! It's a small investment in our great community. Cart, car, bike or walking patrols can be done at your convenience. House Checks continue for the summer season and will be tapering off as our snowbirds return. Wave when you see us out and about Don't miss the meeting Tuesday, October 14 at 10 am in the Oak room. We're organizing for the fall season and have new members to introduce, procedures and policies to review and plans to be made! Our guest speaker, Judy Symes from PCSO Volunteer Services will be here and we'll be planning our approach for the coming Craft Fair to assist with traffic flow and parking! We need you!

Gwen Snook, Coordinator 517-937-2921

FEDERATION OF MANUFACTURED HOMEOWNERS (FMO)

This is an educational and informative and active and committed group of talented volunteers who work for everyone in manufactured home communities. Support them with your membership! We need you!

District 1 (Polk County) meetings resume November 13. We will post the meeting location and speaker on the FMO Bulletin Board in the Oak Room, as well as, put out an email blast. Your support and participation is needed! An important legislative agenda is being worked on and you'll want to know all the details.

Your annual membership gives you access to the FMO Magazine every other month with timely information regarding legislation, sales of other parks, trends in 55+ communities, insurance updates for the manufactured home industry and much more. Information is power and membership numbers speak loudly to our legislative representatives when it comes to issues affecting leased lot communities. Why? Because we vote! Applications are in the Oak Room. Join forces and share your lifetime of experience and abilities!

CERT

Welcome to October! The humidity is starting to let up, the days are getting shorter, and the nights are getting cooler. But...Hurricane Season continues. Though it has been a less eventful season, we cannot let our guard down. In the latter part of the season, we see an average of 6 named storms, 4 hurricanes, and 2 major hurricanes. So please keep your kits stocked, Pop Tarts on hand, and your plan ready to execute.

CERT remains ready to assist our residents in all things safety. As we have said in the past, we are in need of new members to join our ranks. The commitment is small, but the gratification is great. Six meetings a year, and 16 hours of County training within the first year. Feel free to reach out to me or Rob for more information. Our next meeting will be in November. Please consider learning some new skills to help your friends and neighbors

"BETWEEN THE LANES"

*by Bonnie Binns, Courtesy Patrol Manager 863-209-2887
bbinns@covecommunities.com*

As we transition into the Fall season and welcome back our northern neighbors, we would like to take this opportunity to ask: "Are You Informed About Pedestrian and Bicycle Safety?" Bicycle riding and walking are activities engaged in by Cypress Lakes Village residents and visitors. Courtesy Patrol aims to highlight risks for pedestrians, bicyclists, and drivers, and offer safety tips for all. Practice the Golden Rule... "treat others as you wish to be treated."

You Could Be the Pedestrian!

People have various transport preferences, but everyone walks at some point! When walkers and drivers follow safety guidelines, everyone in the community benefits from safer walking environments.

Safety Tips for Walkers:

Walk facing traffic and avoid stepping into the path of approaching vehicles.

Use crosswalks or intersections to cross streets and watch for vehicles from every direction, including those turning. Drivers at the Clubhouse must yield to pedestrians on crosswalks. If there isn't a crosswalk or intersection, find a well lit spot with clear visibility. Wait for a safe gap in traffic before crossing and stay alert, especially if you're walking your pet. Wear high visibility clothing and carry a flashlight when walking your pet after dark.

Bicycle Safety Guidelines:

Make sure all equipment on your bicycle is in good working order (brakes, gears, tires, etc.).

Stay visible: wear a helmet, suitable shoes, bright or reflective gear at night and use a bike light.

Cyclists are required to follow all traffic rules and signs, including stopping at stop signs and yielding according to the rules of the road. Ride with traffic and keep right. Cutting in front of oncoming traffic should be avoided.

Motorist & Golf Cart Safety Tips:

Adhere to all road regulations, including stopping at stop signs and driving 10 MPH through the Resident Lane at the Gatehouse and 15 MPH speed limit within the community. Let's set a good example for visitors/contractors and deliveries! Use extra care when backing out of your driveway. Remain vigilant for pedestrians and cyclists at all times, with particular attention to individuals walking pets who should never be forced to hurry out of your way.

Stop well before crosswalks to let pedestrians pass and give other drivers time to react. Do not pass vehicles stopped at crosswalks. You might not see people crossing. Be kind, patient and stay in your lane.

We would like to wish you a wonderful and safe season as we share our roads, "between the lanes."
