Hello Neighbors!

Oh my goodness, September has been so busy. Not sure how many projects we can do at one time, but we gave it a shot!

Thank you so much for your kindness and support you have shown to me as well as my team and the vendors. Progress is never easy, but at the end of the day it is still progress!

Guy and I had a wonderful time at the HOA dance! We are looking forward to October events. Maybe it will cool down to 79*! LOL

Cove is working on our list of CAPEX improvements for 2026. As soon as I know, you will know.

Happy October StrawBerry Ridge Residents!!

Time to dig out the Fall decorations and welcome some cooler and dryer weather!

Great plants and flowers that thrive this time of year and perfect for a beautiful curb appeal are Mums, Pentas, Pansies, & Petunias. Florida native wildflowers such as Asters, Golden Rod, and Blazing Stars are a great addition too!

We have recently revamped our YouTube Channel with a new format that uses key words and phrases to bring The Ridge to the top of the search list! If you have subscribed to the StrawBerry Ridge YouTube channel, you will need to unsubscribe to the current channel, search for the new StrawBerry Ridge Village Channel and subscribe. We are confident this new format will bring more inquiries, phone calls, emails and foot traffic alike to the Community and our current listings.

In September we gained 3 new brokered listings, with 4 more in the works and 2 remodeled inventory homes. We still have a few listings that need a video. I will be catching up with those who do to get that scheduled, maybe even refresh some pictures!

Keep a look out for 2 more brand new homes this month over on Pioneer Lane. I am super excited and can't wait to see them completed from start to finish!

As always, if you have any questions or concerns about your existing listing or are thinking of listing your home, feel free to email me at pholden@covecommunities.com or call at 813-689-9423, I look forward to speaking with you!

Strawberry Ridge HOA News, Nuggets and Notes

Fall is here and some cooler days and nights. We have dodged a lot of Atlantic storm activity, let's hope it continues. As our Snowbirds start to return, we get to see friends we have missed and have lots to catch up on.

The HOA meeting was the first after our summer break, it was well attended and Sandy, Community Manager, was in attendance to introduce herself and answer questions. Of course, trivia and karaoke were well attended and as always provided a lot of entertainment. The End of Summer Dance with Skip Frye was an absolute blast. He is truly a great musician. We danced all night and even got a chance to show off the Line Dances we have learned. Strawberry Ridge always has a lot of fun.

MEET YOUR NEIGHBOR

Kathy and Bill Beck

By Rhonda Hartzler

Kathy and Bill have lived in Brandon for the last 35 years, moving to Strawberry Ridge in 2014. They were married for 44 years prior to Bill unfortunately passing away 2 years ago following a 6-year illness. The pair have 2 daughters, 4 grandchildren and 2 great grandchildren.

During their 44 years together they both were quite the entrepreneurs. Bill started Technical Services Inc., the 1st 3rd Party Maintenance Company in CA for IBM, then after moving to Florida he worked for Peripheral Services, a new start-up company for 28 years. Kathy started a Media Company, News Connection USA after moving to Brandon, which included TV, radio, and newspapers, and events for people over 50. If you have lived in Florida for a long time, you probably have seen her Newspaper (Senior Connection) now called Lifestyles After 50. Over the years they were given many awards (the Golden Rule Award in 1994, Small Business of the Year Tampa in 1992, and Senior Living Award in 2010 and 1995, just to name a few.) The magazine publication grew into 6 publications, a TV show, and over 100 events for seniors from Ocala to Ft. Myers. Some of their events included celebrities such as Frankie Avalon, Richard Simmons, and Pat Boone.

Prior to Bill's illness, the pair did manage to travel quite a bit, taking in 10 counties and 25 states here in the US from California to New York. They did have an opportunity to meet Prince Phillip in Buckingham Palace in 2010.

These days you can find Kathy at our pool quite often or playing pickleball or ping pong. She also loves karaoke here at the Ridge and enjoys kicking her heels up at the dances! She keeps busy working on her memoirs, painting or crafts. A couple of years ago Kathy discovered her faith in her savior, Jesus, and faithfully attends Bay Life Church. Kathy's advice for a happy life is to stay busy and active every day, and don't forget to give God thanks for the many blessings He has provided.

It is wonderful to have Kathy as part of our community here at Strawberry Ridge.

WE FIX SOFT FLOORS

STEP INTO YOUR HOME WITH CONFIDENCE

Whether you're revamping a section of your home or completely renovating, our skilled installers guarantee sturdy and secure flooring so you can rest easy!

DOES YOUR HOME LOOK LIKE THIS?

A torn vapor barrier lets moisture enter crawl spaces or mobile home undersides, causing wood rot, higher home humidity, higher energy costs from strained HVAC, and health risks from mold.

To our valued customers;

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.

Are Your Tie Downs Tight?

- **Hurricane Anchors • Tie Downs**
- **Leveling • Blocking • Carport Tie Downs**
- **Stabilizing Devices • Roof-Over Strapping**

- *Replace Rusted Anchors • Add Anchors*
- *Longitudinal Stabilizing • Retro-fit to Current State Standards*

If your home moves even a few inches during a storm your home will suffer severe damage. Loose tie downs do not protect your home, they must be tightened every 3 to 5 years. Have your tie-downs inspected NOW, before the storms!
