Holiday RV
A COVE PARK & MARINA

Welcome Home!

Nothing like coming home to Holiday and enjoying the sounds of Tropical Steel Drums playing poolside! If you are just getting back to HRV for the winter, you're in for a treat! This month is stocked full of exciting shows, dances, contests, and more! Get all the info here in this newsletter issue or online through our Facebook page! Welcome home!

Welcome to the start of the 2025/2026 Season. Many of the Seasonal Residents will be returning and getting back into the activities at HRV. Don't forget to welcome our new homeowners by introducing yourself and inviting them to join in the various events. As the season kicks off there are many things planned already but Pat continues to work on events.

Hurricane Season extends to the 1st of December. We have been fortunate so far this year but, please stay aware and prepared if a storm is headed in our direction. They can be far reaching so don't discount the potential threat. Please check on your neighbors and lend a helping hand if you are able. It means more to those in need than you can imagine.

Resident October 25/26 Car Stickers are available. Residents currently on site will get a sticker in your mailbox. Seasonal residents please obtain your 25/26 car sticker when you check in, update your information, and provide a copy of your homes title/registration if you have not already done so. If you do not receive a sticker, please check with the Office. Have a copy of the current registration for boat/trailer going into Storage. Gate stickers/codes are for Resident use only and are not to be given to others. Once someone sells their home at HRV, they are no longer entitled to come in to use HRV Amenities.

- There is no solicitation on HRV property. If you have someone knock on your door, please contact the office. They will be escorted off the property. Solicitation by residents is also prohibited.
- Boat slips may not be sublet. If you sell your boat/home the slip assignment does not go with either. There is a wait list for boat slips, and new assignments will be made based on the list and availability.
- The speed limit is 10mph, please, observe it. Stop signs mean STOP. This includes golf carts and bicycles also.
- Overnight visitors are to be registered with the Office and obtain a pass.
- Improvements to your home/site require park approval prior to the project start. Contact the office to request a review. Lake County permits are REQUIRED for most projects. Be sure your vendor complies.

Park Improvements – White vinyl fencing and maintenance building face-lift. The interior fencing has been completed. Exterior fencing is still to be done. Maintenance building is an amazing transformation. Café renovations are with the General Contractor. Street Signs are in progress, but Lake County has not provided house numbers yet. You will be notified as soon as HRV receives the information. Keycode entry gates have been installed at both entrances to the outdoor pool. They are required by Lake County! Several A/C units in buildings have been replaced. Maintenance has all the materials and is currently working on rebuilding the rolling dumpsters one by one. Shuffleboard courts have some new benches. The funding for the final few benches will be requested in 2026 budgets. Cove's construction department is working on several other projects. Information will be shared once things are more concrete.

Thank you for making HOLIDAY RV your home, participating in the activities and utilizing the amenities. Friendships are made by joining in. Take advantage of the many activities to broaden your circle.

Kevin Coble
US Army National Guard
1982 - 2007

Kevin is originally from Continental, Ohio, entered the National Guard after high school for "the College Tuition." He attended Basic Training for Infantry at Fort Benning, Georgia. Kevin attended Bowling Green State University for 2 years. With the National Guard he worked a weekend month and for 2 weeks in the summer. He did do 3 weeks of cold weather training at a Winter Survival School, in 1990 or 1991, at Fort Greely, AK. He actually was out in the elements with a tent and supplies for about 2 weeks and "it was cold". He also went to England for 2 weeks in 1999 to train with the British.

2001, Kevin was away at an ANCO - Advanced Non Commissioned Officer School, once he got home, he was deployed to Fort Knox for Post Security for the next year.

Kevin, a First Sergeant, E-8, was activated and deployed to Germany for training then to Kosovo for UN Peacekeeping Missions as Squadron Leader for Safety and Civility. For this deployment he drew hostile combat pay.

After being home for a month on terminal leave, Hurricane Katrina happened. He was deployed to the Super Dome, then traveled around the flood waters on boats in East Orleans rescuing people in homes, those that would go.

Kevin retired from the National Guard in June 2007.

Kevin worked as a Parts Manager at a GM Dealership. He retired in 2020. He came to Holiday as he had family living here. He bought a place and became a full time resident in the fall of 2020.

Kevin has 3 daughters and 4 grandchildren. He plays softball and coaches. He and his girlfriend, Tina Pion are busy around the park.

Non-Denominational Church Service at the Marina

By Tony & Vanessa Derrico

We have been attending Discovery Church, in Orlando, for over 20 years, and we just love our church. Instead of making the hour drive on Sunday mornings, we have decided to share our church remotely with others at Holiday RV. We are now live-streaming church service at the Marina each Sunday at 10 a.m. Come and join this casual, but powerful, church service, with Contemporary Christian music and see why we love this bible-based church that has been so impactful on us.

Discovery Church is a Word and Spirit church. They believe that God has given us both His Word and His Spirit and that both are necessary in full measure to empower us to live fruitful lives as disciples of Jesus. The vision of Discovery Church is to be a reflection of the church described in Acts 2:42 – 47. They believe that such a church is only possible when the Spirit of God and the Word of God are powerfully at work in the life of the church, as described in the larger story of Acts 1 and 2. Come and join us on Sundays as we are in a series sharing Jesus' stories and how they impact us today.

To learn more about Discovery Church, please visit DiscoveryChurch.org or join us at 10 a.m. Sunday at the Marina.

Helping Hands

We're looking forward to everyone being back and getting Helping Hands started again November 18! Join us every Tuesday 1-3pm at the Ken Jones to help us bring joy to the kids at Camp Boggy Creek.

The camp is a seriously fun camp started by Paul Newman for seriously ill kids. They get to attend camp free of charge and they get to be kids for a week without worrying about their illnesses. We make quilts, teddy bears, and afghans to send to the camp. Each camper then takes a bear and afghan home after camp. You don't need to know how to sew, if you can tie a knot we have a job for you. We are also in need of sewers to sew quilts and do some teddy bears, if interested let us know it can be done at your house.

We have some upcoming events:

Potluck luncheon January 14th Activity Center.

12:30-2:00 Potluck and social

Work party at camp January 23rd 8-2 Bring your lunch

Bear stuffing party and tour of camp February 26th 8-4 Lunch is provided

As always we meet on Tuesdays at the Ken Jones Center (post office) 1-3. We can always use gently worksheets, ribbon for teddy bears, fabric, craft supplies of any kind and yarn.

We thank the residents who donate to us each year. The kids greatly appreciate it too.

HRV SMOKELESS CAMPFIRE GROUP

As the Snowbirds start heading South, we hope everyone has had a wonderful summer with lots of adventures! We cannot wait to hear about them around the campfire. We are pleased to announce we will be kicking off the Season with our first Smokeless Campfire on Saturday, October 25th 7:00-9:00 p.m. at the outdoor stage, behind the Activity Center & next to Outdoor Pool buildings. (If inclement weather, we may move into Activity Center.)

We are excited to have the Jam Session Crew join us with their outstanding talents. If you play an instrument, please bring it with you to join in with the fun.

Bring your friends, your beverages & your chairs. We do not provide snacks or beverages, but you are welcome to bring your own. There is lots of parking for golf carts, a lighted concrete dance area & some picnic tables.

Hope to see you across the Campfire!

Ozzie & Ruth Osborn

Disc Golf

Monday's at 10am are set for anyone wanting to join and learn about Disc Golf and practice playing. Competing has not begun as of yet, but the team is starting to shape up!

Discs are available in the office during regular business hours and at the guard shack after hours.

Ambassador Bill Lashua, who set up the course and is teaching others how to play encourages anyone who is interested to come on out and give it a try. If you don't have Discs yet, the office has nice sets to barrow, and the bag includes the course layout and game rules.

Regular golf is still able to play the course, like any golf course, players are to be considerate in taking turns and show good sportsmanship.

HAPPY HOLIDAY KAYAKERS

We are excited to return to Holiday RV for another Season & cannot wait to get our kayaks back in the water. Our first scheduled paddles are scheduled at 10:00 a.m. on Wednesday, October 22nd & 29th. We plan to launch from the Marina kayak launch site. If you can join us, please be there by 9:45 a.m. to sign Park forms.

All crafts must have a life jacket, paddle & whistle. We strongly encourage dressing in layers, sunscreen, water & snacks in reusable containers. A dry change of clothes is also a good idea to keep in transport vehicle. We do request emergency contact information for anyone paddling with us, just in case.

If you are not using a kayak & might be interested in loaning &/or selling, please give us your details. We would like to remind everyone they can join the Holiday Yacht Club, if you own a kayak, which is another great group of people in our HRV community.

Hello!

Season 2!

We are about to start Season 2 here at Holiday RV! This is our second winter season together as the Lifestyle Ladies, and we have an amazing winter planned!

October has a lot of fun things scheduled! Be sure to keep the calendar in the middle of the newsletters and watch for updates on our Facebook page [Holiday RV Park](#). Flyers in our office and in the Ken Jones, the [calendar online](#) through our website, the TV's in the Ken Jones and our office, and even channel 4 is streaming our list of activities and events! We're doing our best to make sure you are informed!

There are new activities for you to try: Disc Golf, Garden Club, Chair Yoga, and Ti Chi! They are very active groups and offer exciting programs! The Chair Yoga and Ti Chi are streamed classes led by an ambassador to further instruct participants through the course. All of these programs have had positive feedback and are growing.

Our favorite activities are back and quite a few are starting this month! Mark your calendars and join your friends. We tried to keep the same days and times, which is a challenge when we have over 50 activities during the winter season!

Let's not forget Maintenance has worked hard through extreme heat conditions to renew our park in so many ways this summer. New fences, new benches, trees down or trimmed, painted rooms and buildings, extra care to so many areas...we're grateful to Dave and his crew for all that they've got done!

Kelly and I have new shows, lots of dances, Spa Evenings, and so much more to offer this coming season! A lot of our crafts and poolside shows were a big hit this summer so we will be continuing with those programs too.

Stay tune and welcome home! This is going to be a great season!
