News from Strawberry Ridge Village Office

Sandy Crawford
Community Manager

Hello Neighbors!

Updates from October: The sprinkler systems are now repaired at the front of the community. Looking forward to landscaping around the Clubhouse and the Front Office.

I hope the Shuffleboard folks are enjoying the new surface! Have Fun!

Lake Tahoe is finally functioning properly—fingers crossed. Hopefully, Strawberry Ridge will not be flooding Mulrennan any longer. A shout out to Eric with Hillsborough County for pointing us in the right direction.

Reminder: Do not park on the streets. Only 2 vehicles per homesite. Your neighbors will thank you.

November is a time to give thanks. There will be a traditional Thanksgiving meal & Cove will be furnishing the turkeys. See you there!

Quote for the month: Gobble till you wobble.

Blessings,
Sandy

November is here and as you all know, October was a very busy month. We had the escalation letters go out, so if you have NOT received yours, please call the office and let us know. Please also note in the escalation letter that the **RENT LATE FEE is now \$75 on the 20th, no longer a 10-day grace period. It is now 5-day grace period starting 1/2026. When Cove sends out the text on the 21st to the ones who have a balance, this does not come from me personally, it is from Cove Communities.**

When writing out checks for Lot Rent, please in the “For” area or “Memo” area- bottom left of a check, please only put in the Lot/Unit number. The statements have an account number; however, we do NOT use this number, please use the Lot/Unit number only- I do not need “it’s for Lot Rent” or “too high rent” or “water” or anything else, only the Lot number. Please do NOT postdate your checks; I cannot hold them until the 15th. Please write the current date you wrote your check; this also means if you are late do not put the 15th when it’s the 26th. If you need help in writing out the check, I can help you, it really is no problem.

We ask you all if you have any address, phone number, or email changes to let us know in the office so we can keep things up to date as I am still getting several statements back in the mail. If you have an email, I ask you to set up a Resident Portal Account. If you need an invitation to set it up, please call me and let me know, I will gladly send you one.

As we are all getting ready for the upcoming holiday season, please remember to love thy neighbor! It doesn’t cost anything to be kind and smile!

November’s birth stone is the beautiful Topaz- symbol of honor and strength.

November’s birth flower is the Chrysanthemum which represents cheerfulness.

November’s full moon this month is The Full Beaver (Super)Moon- Nov 5

November’s Holidays: **Nov 2** - End of Daylight-Savings Time/All Soul’s Day

Nov 4 - Election Day/Will Rogers Day/Nat’l Easy Bake Oven Day **Nov 11** - Veterans Day (Thank you for your service)

Happy November StrawBerry Ridge Residents!

We are celebrating Gratitude at StrawBerry Ridge Village. Thanksgiving is a time for reflection, and we want to take a moment to thank our incredible Customers. Your support has been the foundation of our success. We hope your holiday is filled with joy, laughter, and unforgettable memories with family and friends.

Great news! We had 3 new beautiful homes delivered to the Ridge in October! One of those homes is already set on Coral Crest and I am very excited to go inside to film a video for you all to see! The two other homes are being stored on open lots while we wait for lot preparations.

In October, Cove Communities kicked off a Cove Homes Referral Bonus, Neighbor to (New) Neighbor. If you refer a friend to StrawBerry Ridge, and they purchase a home they could receive up to \$2000 at closing. Terms and conditions do apply so stop by, call, or email me for more information at Pholden@covecommunities.com.

For our Green Thumbs, cabbage, kale, beets, broccoli, lettuce, and carrot are cool-season crops. Other vegetables you may want to plant include tomatoes, cauliflower, celery, rhubarb, pumpkins, strawberries, Swiss chard, turnips, Brussel sprouts, and spinach. Flowers should include Marigolds, Pansies, Petunias, Snapdragons, Salvia, Chrysanthemums, and Asters.

As always, if you have any questions or concerns about your existing listing or are thinking of listing your home, feel free to email me at pholden@covecommunities.com or call at 813-689-9423, I look forward to speaking with you!

Happy Thanksgiving! We appreciate your support and wish you a day full of joy!

Warm Regards,

PG

We celebrated the OFFICIAL Retirement of Joan Bernacki on October 14th.

She is a kind, generous, and loving woman. Her smile and laughter are infectious! She doesn't know a stranger and loves helping people. She is our "go-to" person when we need to know anything about the community!

We will miss her beyond words but wish her fun, excitement, laughter, and good health as she enjoys her retirement. We love you, Joan !!

Thank you to the entire staff at Strawberry Ridge Village for the Retirement Party. You "REALLY" surprised me!

Thank you to all the residents that attended, sent cards, the phone calls, and knocked on my door. I have wonderful memories that will linger for a long time!!

Love, Joan

MEET YOUR NEIGHBOR

Tom and Lisa Beckmeyer

If you have been living here in the park for any period of time, you more than likely have heard the names Lisa and Tom Beckmeyer. They both have been involved in many ways here at Strawberry Ridge these last several years. But we'll get to those details later.

Their family histories are quite interesting. Lisa's parents were both born in Indonesia, and after the war her parents met and married, and Lisa's older sister was born. The family moved to the Netherlands, where Lisa and her younger brother were born. In 1956 Lisa's family immigrated to the U.S. due to political unrest. They were sponsored by a church in Pennsylvania for that move. That was quite an adjustment for the family, with a completely new country and language to adapt to!

Tom's family lived in several different countries due to the fact that his father was in the Army, working with the Secret Service and the CIA. Some of the countries they lived in included China, Thailand, Egypt, and Italy.

Lisa worked for Hartford Insurance, and Tom worked as a funeral director for many years. Part of his duties included going to homicides when they would need a body removed. He also worked retrieving "donor organs" to be quickly sent to the receiving patient. Tom specialized in eye retrieval.

Tom and Lisa met at church 11 years ago. Tom was a widower with 2 grown daughters, and Lisa was on her own with 2 grown sons from a previous marriage. They hit it off quite nicely and were married a year later. Tom had a home here in the park at that time, which is where they now reside.

Tom has been on the HOA Board several times here at the Ridge. He has also been involved with the Woodshop, the Book Club and the Veterans group. Both he and Lisa are involved in the Benevolent Fund and Pantry, the Singers, and Meals on Wheels. They do keep busy!

The couple enjoy living here at SR, especially enjoying the company of wonderful people. Their advice to newly retired people is to get involved in something here at the park that they enjoy (i.e. cards/game clubs, ceramics, book club, etc.). We are blessed with many opportunities here, every day is a gift. Love one another as Christ has loved us, goodness and kindness will come back to you!

It is wonderful to have Lisa and Tom as part of our family here at Strawberry Ridge!

I will be making the following cakes for Thanksgiving (Chocolate, Yellow, German Chocolate, Coconut Cream, Lemon, Carrot and Pumpkin Rolls). If you are interested, please contact me directly Kim 813-714-2625 Call and place your order!!

Happy 50th Anniversary

We will meet at the Activity Center at 11:00 am, where a short meeting will take place and then we will carpool together to the restaurant.

Also, November is my birthday month and will be celebrating this on the 24th.

So please join us before the rush begins. Hope to see you all there!

The ping pong club at Strawberry Ridge meets on Monday, Wednesday and Friday from 9:00 am to 10:00 am. We also meet on Tuesday and Wednesday nights from 5:30 to 6:45 pm. The player for the month of November is Ray Sutton. Ray joined us back in the early summer and has quickly picked up the Game of ping pong. His game is as good as anyone's, and we love to see him play. He has a great personality and loves to meet new people. Ray has learned to slam the little orange ball and that keeps us all on our toes. Be like Ray and come and join us. We received our new table in late August, and we now can play with anyone who wants to come and have a good time. The ping pong club would also like to wish all of you a good and Happy Thanksgiving.

We meet the **Third Tuesday of every month @ 6:30pm** in the Activity Center
Come join us for a night of fun and good company. Let's get creative together!!

THE YARNERS

Audrianna Reimert 813-297-3950 theyarnersclub@gmail.com

Hello fellow yarners come down to the Clubhouse Mondays between 6pm-8pm. And crochet and knit together. And I have a few ideas in the works for the group.
People who would love to learn to knit or crochet come on down as well.

Just for a Laugh

In the doctor's office,
a physician asked his
patient, an eighty-nine-year
old woman, how she felt
getting up in the morning.
"Surprised," she replied,
"very surprised."

We make a living
by what we get,
but we make a life
by what we give.
-Winston Churchill

During the first third of life,
everyone told you what to do.
During the second third of your
life, you told everyone
else what to do. During the
last third of your life,
everyone's telling you what
to do again.

The good thing is
you can't hear 'em,
so you don't care.

WE FIX SOFT FLOORS

STEP INTO YOUR HOME WITH CONFIDENCE

Whether you're revamping a section of your home or completely renovating, our skilled installers guarantee sturdy and secure flooring so you can rest easy!

DOES YOUR HOME LOOK LIKE THIS?

A torn vapor barrier lets moisture enter crawl spaces or mobile home undersides, causing wood rot, higher home humidity, higher energy costs from strained HVAC, and health risks from mold.

To our valued customers;

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.

Are Your Tie Downs Tight?

- **Hurricane Anchors • Tie Downs**
- **Leveling • Blocking • Carport Tie Downs**
- **Stabilizing Devices • Roof-Over Strapping**

- *Replace Rusted Anchors • Add Anchors*
- *Longitudinal Stabilizing • Retro-fit to Current State Standards*

If your home moves even a few inches during a storm your home will suffer severe damage. Loose tie downs do not protect your home, they must be tightened every 3 to 5 years. Have your tie-downs inspected NOW, before the storms!
