Hello, welcome home, welcome new visitors, and Happy New Year!
What an amazing place to call home!! We are excited to be a part of this community
with such wonderful people.

This month we will have a Hometown meeting in January. We will have 2 special guests
joining us. We will post the date and time a week before the meeting on the Activities'
Facebook page and via text message. If you have constructive questions, please email
your questions so we can answer them with ease. kwalker@covecommunities.com

URGENT – ALERT

Toilet Chemicals (Black Water Tanks and Sewer Treatment Plants)

What happens when improper black tank chemicals are used at a treatment plant?

- Reduced treatment efficiency: The harmful chemicals can disrupt the biological
process of breaking down waste, leading to poorly treated wastewater being
discharged.

- Clogging issues: In extreme cases, excessive use of certain chemicals can lead to
sludge buildup in the treatment plant, causing clogs and operational disruptions.

Safe Options:

Choose non-formaldehyde-based treatments, such as those using natural enzymes,
citrus extracts, or biodegradable surfactants. These are usually safer for Treatment
plants.

Unsafe Chemicals:

Formaldehyde, bronopol, and phenol-based chemicals are harmful to microbial life in
treatment plants and should be avoided.

PLEASE CLEAN UP AFTER YOUR PETS! This seems to be a huge rule that is being
broken every day. By leaving your pet droppings it is a park rule violation, a county
violation and it is disgusting. Imagine taking a nice peaceful walk, you are enjoying
yourself, stress free then bam you are tracking stuff across your unit's carpet. Yuck!
There goes your day of relaxation. Now you are stressed and hate everything and
everyone that owns a pet. In other words, please be respectful and clean up after your
pet.

SPEED LIMIT – Speed limit is 10mph throughout the community and 5mph along the
rivers edge.

Office hours: Monday - Friday 9am-3:30pm. Saturday hours 9am -1pm.

Email address RiverVistaRVVillage@CoveCommunities.com

Facebook – Activities at River Vista RV and River Vista RV Park – please no bullying and
be respectful to each other.

Sales – if you would like to sell your unit, there maybe some conditions that need to be
done before you list your unit. All sales must be reported to the Community manager.
A park application must be conducted before purchasing a unit.

If you hear rumors – come to the office and ask. Do not assume you are receiving the
correct information.

Thank you, welcome back and have a great season.

From your Lifestyle Coordinator

Happy New Year, welcome 2026! It's a new day, month and a new year.

December truly was the most wonderful (and busiest!) time of the year, filled with holiday events, laughter, and community spirit. Now we're kicking off 2026 with even more fun, food, music, and meaningful giving at River Vista.

We are kicking off 2026 with so many activities and events. January is busting with food events, Cornhole Tournament & Cheeseburgers, Hello Friends Chili Cookoff and Cake Walk, Ladies Lunch Adventure "Walk Like An Egyptian", Guy's Gathering Lunch and Banana Split Day.

The History of Gasparilla

The name and foundation of Tampa's traditional Ye Mystic Krewe of Gasparilla Pirate Invasion and Parade come from legendary pirate Jose Gaspar, "last of the Buccaneers," who terrorized the coastal waters of West Florida during the late 18th and early 19th century.

As an aristocrat by birth and officer in the Spanish Navy, Gaspar was well educated, possessed courtly manners and had all the appearances of a fine gentleman.

When Jose Gaspar died, he supposedly left an untold fortune in buried treasure somewhere along the Florida coast. Though that treasure has never been discovered, the story of the swashbuckling Gaspar was unearthed and his memory revived in 1904 when Ye Mystic Krewe of Gasparilla was formed and adopted the pirate as patron rogue of their city-wide celebration.

He is said to have terrorized the Gulf of Mexico between the late 18th and early 19th centuries. Rumor has it that when Gaspar died, he left an untold fortune in buried treasure somewhere along Florida's coast. To this day, it has yet to be found.
