## From the Manager's Desk - Community Manager Robert Parody, CCM

Dear Residents,

We wanted to take a moment and thank all the volunteers throughout 2025 and the all the volunteers that will help out in 2026. We would also like to send out a special thank you to the Gwen Snook who has put so much of her time and energy into being president of the HOA here at Cypress Lakes Village, you will be missed.

As we look ahead to 2026, one of our priorities is continuing to invest in the long-term beauty, cleanliness, and overall appeal of our community. To support this goal, we will be introducing "360° Community Inspections" throughout the year.

These inspections are part of our ongoing commitment to keeping Cypress Lakes a place we are all proud to call home. You may see members of our team walking around the community and near individual homes as we complete these routine assessments. Their focus will be on identifying opportunities to enhance curb appeal, ensure homesites are in good condition, and keep the grounds clean and well cared for.

As each inspection is completed, all residents will receive a copy of their report for aesthetics compliance, giving you full visibility into the findings and any recommendations. To ensure you receive your report promptly, please make sure we have your most up-to-date email address on file. If you need to update your email, you can find the update form in the Administration Building with Becky and/or the Lifestyle Office (see sample form below).

Our aim is simple: to maintain a community environment that reflects the high standards we all expect and deserve. By taking a proactive approach, we can address maintenance needs early, keep common areas looking for their best, and continue building a welcoming neighborhood for everyone.

Thank you in advance for your cooperation and support. Should you have any questions about the 360° Inspection program, please don't hesitate to reach out to the Community Office.

*Warm regards,*

Cypress Lakes Management

## HOME OF THE MONTH

"Ron and Cheryl Sallada of 9508 Robellini Court have been proud residents of Cypress Lakes for an impressive 28 years. They chose Cypress Lakes after Cheryl's parents retired here, and they quickly knew it was the perfect place to call

home. Over the years, Ron and Cheryl have become true advocates for the community and are actively involved in many activities. They enjoy running the Bonsai Club, golfing, attending Bible study and men's breakfast, and bowling in the Cypress Lakes Men's Bowling League. Ron also proudly serves as a golf course ranger. Their favorite thing about their home is that it's the perfect size, with a yard they truly love, and a location they wouldn't trade for anything. The Salladas are especially well known throughout the community for their beautiful bonsai displays, which add charm and character to their home and neighborhood.

### GARDEN CLUB, YARD OF THE MONTH

Please join us in congratulating the winners of the February 2026 Yard of Month, Tom & Patti Manko of 2390 Mulligan Dr.

What a beautiful and well-maintained garden! Dwarf Pigmy Palms hold the spotlight in front with pops of color from New Guinea Impatiens, Ixora, coleus, Gardenia and Camellia with a boxwood to balance out the view in the beds. Marguerite daisies are added to enhance the coleus. One side of the home shows off a poinsettia from last Christmas which has gown full and lovely and the opposite side has full hanging ferns and various potted plants including Christmas cactus. Mully grasses are also found on this side yard with coleus. Overall, this garden is easy to enjoy and is well-loved. Please stop by to admire their attention to detail and care of their well-manicured garden. We, at the Garden Club, look forward to all the beautiful ideas you will create! Remember it's your efforts to create beautiful gardens that enrich our community and make ours still one of the best of its kind anywhere.

Happy Gardening! Kathy Dunlevy, 404-387-1902

### **PICKLEBALL FUN, FAIR AND COMPETITIVE!**

We are glad to have all of our snowbirds back with us and playing on the courts. It is so great to see so many pickleball players out having fun. The club has many offerings including Member open play, Ladies and Mens leagues , DUPR League and reserved DUPR play for those establishing a rating or working on theirs. As a reminder the system works best when you are playing with others with similar DUPR ratings.

"Save the Date" for two pickleball events in February. First is the Mixed Doubles Tournament scheduled for Friday February 6th and Saturday February 7th for 8:00 am - 1:00 pm each day. On February 14 we have the Sweet Heart Mixed doubles tournament from 1:00 to 4:00 pm. Submitted by Ken Large, Tournament Director. Not a member of the Pickleball Club and want to join in on the fun? NEW member forms are available in the cabinet by the entrance of our pickleball courts. New members will be contacted after completed forms are received. To join the club Facebook page go to Cypress Lakes Pickleball League and request to join. ### **TENNIS**

Departing News from the Tennis Club -

Many of you know "Lynda Pinsoneault" a long time resident here in Cypress Lakes, announced on Friday, January 2nd her resignation from the Tennis Club. Lynda spent the last nine (9) years serving this community as President of the Tennis Club. She has spent many hours planning, scheduling and much more, ensuring the Tennis Club was equipped with all that's needed to play tennis here in Cypress Lakes.

This February 2026 section of the newsletter is set aside to "thank you Lynda" for all the tireless hours you have given to the club. I must also give thanks to her husband, Jim Pinsoneault, for always assisting her to make sure the needs involved for the many tournaments were met! The baton has passed on to "Bob Vaughn" as the Tennis Club new President. Let's give Bob a welcome when you see him! There will be more information to come as the club transition under his new leadership.

So we end by bidding Lynda adieu and expressing our gratitude for the incredible passion for tennis she has given to Cypress Lakes!

### **PET OF THE MONTH**

Meet Lily, a Dobe Phantom Miniature Poodle, WOW what a big name for this 11 lb baby! Lily loves everyone, has no manners and would rather jump on your lap, give you a kiss and go. Since the age of 16 weeks Lily has been going to the Dog Park to play with her favorite friend "Bobby". At home Lily has a sibling, Sebastien, a Bangal cat. She is spoiled, probably because her MOM thinks she is the baby (and I am sure she is)

### **Bingo POPCORN Nite**

There is nothing that smells better than the aroma of fresh popcorn! Now YOU can enjoy Fresh POPPED Popcorn every 2<sup>nd</sup> and 4<sup>th</sup> Tuesdays of the month. The Dog Park will be providing popcorn prior to Bingo. Serving time will be 5:30pm - 6:45pm from the kitchen of the main hall. The sales are open to the public. Soft drinks and water will also be available.

## GAMES

### HORSESHOE PITCHING LEAGUE

Horseshoe pitching here at Cypress Lakes Village is held every Wednesday morning at the courts. We pitch three, 20-shoe, count-all points, handicapped, singles games each week. Each game is pitched against a different opponent. Initial court assignments are decided by blind draw with pitching beginning promptly at 9:30am. There are no fees or dues required to participate, this is a fun and competitive activity for anyone who enjoys pitching horseshoe. It is open to men, and women, residents, snowbirds and visitors, young and old. There are horseshoes available for use on the courts, or you can bring and pitch your own. Averages and handicaps are maintained and updated weekly by the league director and the results are emailed to all participants weekly. Come and play when you can, weekly participation is not required (although it is strongly encouraged!).

With two months of our pitching season concluded we are beginning to see some excellent scores being put up by our members. Below are the top scratch point games, and top handicap games by week for December. The December standings sheet is shown below that. Those statistics are sorted first by the number of games played then by the number of wins. *Pat Simon Sr – director. 319-575-4411 – Winter director Chuck Moehring – 716-801-2700 - Summer director*

### Aqua Tabata with Wendy & Lynn

### Wednesday and Saturday at 1:00PM

Come join Wendy or Lynn for Aqua Tabata at 1 PM at the pool closest to the Fitness Center (WEATHER PERMITTING - 70 DEGREES).

What is Aqua Tabata you ask? Wendy or Lynn will lead on Wednesday's and Saturday's at 1:00 pm. Each class lasts about 45 minutes. The first set of 8 exercises are warm-ups. Exercise is in the form of Tabata – ten sets of eight 20 second rounds of an exercise with a 10 second rest between.

We do use water weights, but it is not necessary to have them; as you can use your hands or a noodle for resistance. We encourage everyone to bring water with them as we do take 2 water breaks. This is held in the walk-in pool closest to the Fitness Center.

This class (like any outdoor class) is weather permitting and if we are going to cancel, we do send out an e-mail on the CL Groups.io and at least two of the Facebook pages.

This class is for anyone who wants to participate. Come on out and join us.

## **WHAT DOES THE 90-DEGREE RULE ACTUALLY MEAN?**

If you see a sign that reads "90-degree rule in effect today," or something similar, the meaning is really not as ominous as it may seem. All this sign, or the helpful attendant at the pro shop, means is to please keep your golf cart on the path, except for a right angle turn across the fairway directly toward your ball and back. Rather than drive directly to your ball, it's asked that you drive straight back to the path and repeat the process each time. This helps to limit the stress on the fairway.

## **FRIENDLY TIPS**

Just a couple of tips to help with pace of play & etiquette. Please mark your score on the next tee box. This will help reduce unnecessary wait time for the group behind you. Anticipate the club you will use on your next shot. Most of us play a hole the same way and will, most likely be using the same club for that shot from round to round.

After playing a ball from the bunker rake and smooth it over. Do your best to give your fellow golfers the type of surface you would like to see for that one time your ball goes into a bunker.

Fill your divots with sand and fix your pitch marks. Gary and his crew do a fantastic job keeping our course looking top notch with your help it can look even better.

## **THE HANDICAP FLAG RULES:**

- Golf Cart may be driven on par 3 fairways (except South #8)
- Golf Cart may be driven inside yellow posts and around the back of greens.
- Cart must be parked no closer than 30 feet from any green and avoid parking on slopes.
- Cart must never be driven in between greenside bunkers and the green. (Example #17)
- When course conditions dictate Cart Paths Only, this applies to ALL golf carts.

## BCMGA

While February is the shortest month it is one of our busiest with two Presidents Cup events plus our annual two-day Member/Member.

Games this month

- Feb. 5<sup>th</sup> President's Cup - Stableford Individual Net - Post in GHIN
- Feb. 12<sup>th</sup> Member/Member - Day 1 Two-Man Best Ball Net
- Feb. 13<sup>th</sup> Member/Member - Day 2 Two-Man Net Total - Post in GHIN
- Feb. 19<sup>th</sup> Shamble 4-Man Net ABC Team
- Feb. 26<sup>th</sup> President's Cup - Stableford Individual Net - Post in GHIN Shootout after the round for Cup Flight Winners (best 4 scores)

Remember to record your scores in a timely manner into the Golf Handicap and Information Network (GHIN) network. Most BCMGA golfers post their scores via the internet (GHIN.com) or via the USGA GHIN phone app. For those who are not proficient in posting online, a kiosk in the Billiard Room is typically available to post your scores. When the kiosk is not operational, turn your scorecard over to the Golf Shop so they can enter your score into GHIN.

Here's a tip from a PGA pro: "You play your best when you don't really think of anything, you just set your target and go". The point of his statement is do not overthink and keep it simple when playing with "Just a little takeaway thought" and that is it.

## NMGA

Hello from the North Men's Golf Association. If you are looking for a golf group to have some fun playing golf with other golfers that are out on the course to enjoy the game and the weather, please consider joining the North Men's Golf Association. We play both the front and back tees depending on age and handicap. We golf every Thursday year-round adjusting times to accommodate sunrise and weather conditions.

The North Men's Golf Association plays a different game each week with a monthly field day scramble. We rotate our golf games of Low Net and Quota Points as well as playing a once-a-month Scramble with food and twice a year with February being one of those months, we play the Three Clubs and a Putter Tournament with a pizza luncheon after golf!! It is now February in Florida, we are seeing some much cooler/cold temperatures, especially in the early morning. We may have weather delays or cancellations due to extreme cold or frost. Be sure to check your emails or text or Cypress Lakes app if there may be a weather delay or cancellation. Our start time is 8:30AM with a check-in time of 8:00AM for the Winter months.

## HOMEOWNER ASSOCIATION NEWS

The annual meeting and elections for open board positions was held January 21. We thank all members who attended and those who provided proxies which helped us achieve our quorum. A special thank you to Gwen Snook, Wayne Letourneau and George Giesman for their dedicated service to the board and the community. We wish retiring board members well and look forward to building our strength with fresh ideas going forward. We appreciate the time and talents all continue to share with us.

All new board members will be attending a mandatory educational seminar via Zoom to begin their training as required by statute. This training is provided by FMO to all HOA's.

Volunteers are the heart of so many things in our community - like the Business Expo coming up. Don Moravec agreed to chair this event for the first time two years ago. Greg Carter continues to assist this year as needed. Ramps are built and retrofitted by volunteers for residents in need through the AMBUCS group. Pancakes are made and served by dedicated volunteers. Linda Laman makes sure the Big Red Bus comes regularly to collect our donations to help others. Kathy Merritt makes sure her crew keeps your Library neat. Patti Wagner, Gail Hanus and Kathy Merritt provide everything for Bingo on Tuesday nights. And the list goes on! Throughout every organization and event that happens you will find residents and homeowners sharing time and talent and commitment. Don't forget to express your appreciation and join the fun! The more involved you are, the happier you will be and the stronger our community will become!

While we're all enjoying the sunshine let's remember that with residents and visitors alike, we all need to be able to share the great facilities and amenities available for us at Cypress Lakes. Care and consideration, courtesy and common sense go a long way! Watch for extra walkers and bikers and more traffic around the clubhouse and remember that only licensed drivers should be driving golf carts. All vehicles (car, cart, bike, motorcycle) should stop at every stop sign. Make sure your pets are on a leash and pick up after them! ALL rules apply to ALL of us! Be a good neighbor and set the good example!

Gwen Snook 517-937-2921

## ACTIVITIES FAIR

11:30 am to 2 pm, Main Hall, Saturday, February 21st. Offered by the Homeowners Association, it offers an opportunity for you to learn about individual groups and organizations here in the community. Learn about their programs and activities, whether there are dues, what speakers are scheduled or outside events are planned. There is no charge and there will be a lunch available for sale. Do you know who to contact if you want to play cribbage or mahjong? Do you know when the Garden or Bonsai Clubs meet and how you can join? I'm going to try something new this year. Maybe Farkle or 7's - both sound intriguing! Don't be intimidated by what you don't know how to do. It can be your greatest strength – if you let it! There will be raffles, give-aways and information to pick up. Free admission. Check it out!

## CITIZENS ASSISTED PATROL (CAP)

Monthly meeting 10 am, Tuesday, February 10, Oak Room. You've seen us directing traffic or riding community patrols on specially marked golf carts and the Sheriff's car. To cover the 50+ miles of paved roads in Cypress Lakes it takes better than two hours on patrol. You could assist with that! Our volunteers for this Polk County program are trained by the Sheriff's Department and provide additional eyes and ears in our community. We are currently one of more than 70 other teams in Polk County who patrol their neighborhoods and streets in specially marked golf carts and cars. Interested in participating? Applications are available in the Oak Room. Background checks are performed by the Sheriff's Department and your training can be flexible to fit your schedule. Join this active team!

*Gwen Snook & John Miller, Coordinators*

## CERT

Welcome to February! This is the month of Love. Let us ask the question: Do you Love Cypress Lakes Village? If you do, please consider giving back by joining CERT. It is a great way to give back to our community. We were talking to a resident recently and they said they thought that there were some special skills needed to contribute. That was actually holding them back! Please don't let this be you. No experience is needed...just a willing heart to learn and serve. Though we can be called anywhere in the county (we have yet to be), our primary mission is to serve our community by being there to assist during natural or physical disasters, or watching for slips trips and falls and dehydration at community events. Think of how your heart will feel in this month of love as you make the decision to give back! We just met at the end of January, and will be meeting again on the last Wednesday of March. Look for us in our green vests at community events.

## FEDERATION OF MANUFACTURED HOMEOWNERS

We will be hosting the monthly Coordinator's meeting on February 23 in the Main Hall. Gwen Snook, Coordinator, 517 Lawmakers want to know how many are members of FMO when we ask their support. Are you part of that powerful voting block? You should be! This is the RIGHT time to join. Applications and information is available in the HOA Office. Your \$40 annual dues are an important investment to make in order to protect your legal rights in leased lot communities. *Gwen Snook 517-937-2921 Richard Szarowicz 716-984-4236 Caprice Temple 719-661-8702 FMO Reps*

**AMBUCS**

Our tremendous RAMP CREW continues to "kick butt and take names." They are averaging over 1 installed or repurposed ramp per week for our Cypress Lakes residents that are in need of a little "hand up". When you see a RAMP CREW member be sure to thank them for their exemplary work and dedication to providing Ramps for Residents.

The Cypress Lakes AMBUCS will be joining forces with the Cypress Lakes Veterans Association and the Cypress Lakes RC Club to host A Patriotic Night of Music in March. Entertainment will be provided by John Picciano, Mo Duemler, Steve & Kathy Williamson, and DJ Dennis Pell who will provide an evening of Patriotic Favorites, Sinatra Classics, Country, Folk, and Contemporary Hit music for the enjoyment of Cypress Lakes Residents and their guests. Tickets are \$10 per person. Stay tuned for more info!!!

The Cypress Lakes AMBUCS will be hosting our 2<sup>nd</sup> Annual Golf Skills Challenge in March. This is our signature fund raising event, all proceeds will go to the Ramp Fund to provide Ramps for Residents. With the reception we received last year we are looking forward to another tremendous event for the Cypress Lakes Community. The Golf Skills Challenge is an opportunity for golfers to display their golf prowess by executing a bevy of Skill Shots on the back nine of the North Course. There are 12 Challenge Shots with points awarded for close proximity to the hole, along with Long & Straight Drives with corresponding points. There will be a Men's and Women's division winner, they will have their names placed on the Golf Skills Challenge Trophy located in the Big Cypress Clubhouse, along with some nice prizes for their efforts. Door prizes, goodie bags and lunch will be included for the \$25 entry fee. This year we will have volunteer Golf Skill Guides with each group to ensure players know where they are going and keep up the pace of play. We are planning on 96 players and a multitude of great Sponsors to help us grow the Ramp Fund in order to provide Ramps for Residents. Stay tuned for more info!!!

**"BETWEEN THE LANES"**

*by Bonnie Binns, Courtesy Patrol Manager 863-209-2887*

*[bbinns@covecommunities.com](mailto:bbinns@covecommunities.com)*

The spring season offers opportunities for recreation and engaging in great adventures in the beautiful sunshine! This month, we want to talk about safety and courteous driving between our lanes. It is important to note that many are new residents of Florida. Let's take proper precautions and talk about how to have a safe and healthy season using good old common sense.

**What is the weather like today?**

Check the weather forecast before you make plans for the day. Dress in layers so you stay comfortable during the day. Remember your sunscreen, sunglasses and a hat! Check if your medications are "sun sensitive". Sports fans, schedule your activities to avoid the hottest parts of the day, apply sunscreen, stay hydrated, and keep an eye out for signs of heat stroke in yourself, your teammates, and visitors.

**High Temperatures are Dangerous for Pets!** Heat safety tip for pets: Don't walk them during peak sun hours (10 am to 4 pm) to avoid overheating; early morning or late evening is cooler and safer. Use the "touch test": Place your hand or foot on the pavement for 7 seconds...too hot for you then too hot for your pet. Keep your pet hydrated: bring water on walks and offer it regularly and use cooling accessories: vests, mats or bandanas can help with the heat. Never leave your pet alone in a car or golf cart—even with open windows, temperatures can quickly become hazardous.

**"How Hot Is Too Hot for a Walk?"**

60-70°F Safe; 75°F Walk in Grass; 80°F+ Asphalt Burns Paws  
**Take Those Photos!**

A member of the family may experience memory impairment or dementia. An effective precaution where individuals may "wander off" is to take a photograph each day. This provides an accurate reference for identification if needed. Arrange for a "neighborhood buddy" to visit and spend time with them at scheduled times to encourage social interaction. Look to our wonderful Neighbor-to-Neighbor group for suggestions. Is your person missing? First, immediately notify the Polk County Sheriff 911 and then alert the Courtesy Patrol Manager, Bonnie Binns, 863-209-2887 to assist.

**Be Kind Between Our Lanes**

As we head into summer, it is easy to become distracted while driving. Let's set a good example for the general public and adhere to 15 mile per hour speed limit and stop signs. Do not pass on the double yellow lines and bridges. Let's all have a safe and healthy season!
