9:00 AM to 3:30 PM

Greetings from your Operating Team at River Vista RV.

Hurricane season is upon us.. We are hoping for a repeat of not having one like last year. It is all up to Mother Nature. If something does form, please be prepared. Know your evacuation plans. We will be sending out the Hurricane packet in the coming weeks. If there is an evacuation order, know your evacuation zone. We are Zone A. Park upgrades this summer – on our bucket list this summer we have 3 projects. Not including the infrastructure projects that will be going on behind the scenes.

1. We will be purchasing and installing more solar lights throughout the park. In purchasing status.
2. We will be purchasing and installing a second map display. This will be situated near the sports courts. In production.
3. New 7.5-ton AC unit for the bathhouse. The mini splits that were installed are Not keeping the bathhouse/mail center cool enough. In bidding.
4. New Park wifi being installed. There will be free wifi where you can connect your phone to internet, then there will be different tiers offered by a 3rd party, Kwikbit for a fee. The offered tiers will be introduced in the coming months. This should be completed and introduced by end of summer.

**WWTP** – the issues we were having during the winter have ceased. There is a small normal scent around the location of the plant which is normal. Operator will continue to sample and monitor so this issue does not happen again during season. The operator is still unclear as to why we are having these issues since all samples have come back with no alarming results. The operator along with Leadership and our Team will continue to monitor the Plant and will update you when needed. There is another sample scheduled to check chlorides in June.

---

## OUR CORE VALUES

**HOSPITALITY** – We love what we do, and it shows

**EXCELLENCE** – We raise the bar

**PASSION** – We make every moment count

**TRUSTWORTHY** - We consistently do the right thing

**STEWARDSHIP**– We value the world and care for it

**KINDNESS** – We follow the golden rule

### **Friendly reminders –**

Please clean up after your pets. There are multiple doggie depot stations throughout the community. Please use them! Please keep your pets on a leash no longer than 6'. Quiet time is between 10pm and 7:30 am.

Pool – swim at your own risk (NO LIFEGUARD), pool closed at dusk, NO night swimming and NO glass in the pool area. Please do not swim in the river.

### **Sales -**

We installed 3 new Park Models – site 242 & 394 (\$76,900). The unit on 281 (\$83,900). Once they are ready for showings, we will have an open house scheduled. If you are looking to upgrade or have a friend/family member that is looking to purchase here at River Vista, have them call the office to set up a time to view the unit or I can do a video walk through with them. Cove Home Sales has many rent incentives to purchase one of their new Park Models.

If you are selling your unit, please call the office and let them know. We want to make sure your unit is up to Cove's standards such as proper skirting. Also, we have many people stop at the office asking if any units are for sale in the park and if we have updated information, we can easily send them your way.

Safe travels and see you soon!

# hello JUNE

Can you believe it's already June? As we say goodbye to May and welcome the start of summer, there are plenty of reasons to celebrate the season ahead. From Father's Day festivities to fun and quirky holidays like Monkey Around Day, we've planned an exciting lineup of activities and events to keep everyone smiling all month long. We have so many amazing, fun-filled summer events planned, and I'm excited to share what's coming up in June!

## June Activities & Events

- Muffins Breakfast BINGO
- Caribbean Trivia Night
- Splish Splash Pool Party
- Hap-Pie Pie & Ice Cream Day
- Father's Day "Grill & Chill" BBQ Chicken Lunch
- Ladies Lunch Outing to Tiki Docks
- "250 Years of America" Trivia
- Bagel Breakfast BINGO

I'm also hoping to host a fun can-crafting class where we'll create decorative planters together!

We look forward to making wonderful summer memories with everyone this season!

Thank you for making River Vista Riverfront Park your home or home away from home.

## **RESIDENT HURRICANE READINESS GUIDE**

Living in a recreational vehicle, park model or manufactured home is a great lifestyle, but when storms head our way, RV's, 5th wheels, travel trailers, park models and manufactured homes should not be considered a place of shelter. Our clubhouse is not rated as a shelter either – so in these few pages we will try and provide some information for you regarding how to get ready for stormy weather when an evacuation is ordered. We are fortunate to live in a county where there is plenty of helpful information and lots of shelters including pet friendly ones. We hope we don't have to “buckle up for a bumpy ride” this year, but it certainly never hurts to be prepared.

Remember, you can always evacuate before an evacuation order is given. Doing so will help ensure you arrive at your storm-safe location without delay. Make sure your Community Manager has your current email and phone information so they can provide community updates.

### **DURING THE HURRICANE WATCH**

1. Plug-in/charge all battery-operated devices.
2. Turn refrigerator and freezer to coldest settings. Open only when necessary.
3. Withdraw cash for one week of expenses.
4. Place valuables in a safety deposit box.
5. Restock emergency kit with flashlight, batteries, cash and first aid supplies.
6. Fill your car's gas tank and refill propane tanks.
7. Stock up on drinking water.
8. Refill prescription drugs and obtain special medications.
9. Outline emergency plans with your family.
10. Arrange for the safety of your pets. Ensure your pets have current vaccinations and you have their paperwork.
11. Gather things you will need if you go to a shelter. Ensure your hurricane survival kit is packed and ready to go at a moment's notice.
12. Stay tuned to radio and TV stations for weather reports.

## **DURING THE HURRICANE WARNING**

Protect windows by lowering awnings or installing window protection. Bring in outdoor furniture and clear yard of loose objects. Lower your television antenna, be careful not to touch power lines. Plan to evacuate, if ordered.

## **EVACUATION**

If an evacuation order is issued for our area, make sure your home is secure and then leave immediately. All residents of Manufactured Home and RV Communities are required by law to leave if an evacuation order has been given for the area.

1. Turn off water, gas, and electricity.
2. Unplug and secure high-value electronics equipment.
3. Take important papers with you, including insurance papers and identification with your local address.
4. Store water in bathtubs, barrels, jugs, and other containers. Use this water for bathing and sanitary purpose. (Not suitable for drinking).
5. Let relatives and the community office know where you are going.
6. Evacuate to a designated shelter!

## **RECOMMENDED ITEMS FOR A HURRICANE KIT FOR A SHELTER**

1. Medication for 30 days / personal first aid kit
2. Bedding material (sleeping bag) and pillow / lounge chair / extra clothes
3. Personal hygiene items / eye mask for sleeping / towel & wash cloth
4. Personal phone book (email addresses)
5. Bottled water (1 gallon per person per day)
6. Non-perishable food and snacks for 1 week
7. Manual can opener / utility knife / plastic eating utensils
8. Battery operated radio with headset (extra batteries)
9. Flashlights (1 per person) / butane lighter
10. Playing cards / magazines & books / puzzles
11. Copies of important documents (deeds, titles, wills, insurance policies, medical records, passport, birth certificate, billing statements for credits cards and loans)
