Community Managers Robert Parody & Heather Parker

Residents,

As we continue to work through improvements around Clubhouse.

We will be having an awning over the new outside patio. New awning over patio at Pool 1. Resurfacing of pools will be completed in October along with Fitness Center makeover.

We hope you enjoyed our soft opening at the Grill. We will have a Grand Opening in November. We look forward to seeing everyone there!

Welcome Lifestyle Coordinator Maritza Barnel

Hello everyone, Just a small bio about myself. I grew up in Miami and later graduated from Kathleen High School here in Lakeland. I'm a proud mom of two girls, and spending time with my family is one of my greatest joys. My career has given me a diverse background in administration, nonprofit work, and hospitality. Most recently, I spent the past four years working at a semi-private golf course, where I wore many hats as a beverage cart attendant, server, bartender, and event staff member. Working closely with members and guests has given me a genuine love for creating memorable experiences, bringing people together, and making everyone feel welcome.

I'm especially excited to bring that experience into my new role as the Lifestyle Coordinator here at Cypress Lakes Village. I look forward to planning fun activities and events, connecting with residents, and helping create a community where everyone feels involved and enjoys calling it home.

When I'm not working, you'll usually find me spending time with my family, traveling and vacationing in Georgia, thrifting, or exploring antique shops. I love discovering unique treasures, trying new things, and making memories with the people I love.

I'm excited to meet everyone, get involved in the community, and make this next chapter a great one!

HOME OF THE MONTH

Please join us in celebrating Nancy and Fred Biery and their beautiful home at 2113 Big Cypress Blvd. as this month's House of the Month!

Nancy will celebrate 20 years of living at Cypress Lakes this October. Originally from Michigan but spent 20 years in Buffalo, New York, before making Florida her home. Fred, originally from Michigan, has been part of the Cypress Lakes community for 15 years and has also spent much of his life in South Florida, including Fort Myers.

When asked what they enjoy most about living at Cypress Lakes, Nancy and Fred both agreed: the lifestyle and activities are a big part of what makes this community special.

Nancy has enjoyed being involved in several clubs, including the Red Hat Club, Swingers Golf Club, Card Club, and Garden Club. One activity they especially enjoy doing together is bowling. Over the years, their involvement in community activities has also helped them build many lasting friendships. Fred particularly enjoyed the active lifestyle at Cypress Lakes and remembers participating in many of the dances and social events over the years.

One of the things Nancy and Fred appreciate most about their home is its open feel and the way it was designed and built. They enjoy the feeling their home provides and the space they have created for themselves. But when asked if they could imagine living anywhere else, their answer was clear: They wouldn't want to live anywhere else! After 20 years for Nancy and 15 years for Fred, Cypress Lakes has truly become home.

Each class lasts about 45 minutes. The first set of 8 exercises are warm-ups. Exercise is in the form of Tabata – ten sets of eight 20 second rounds of an exercise with a 10 second rest between. We do use water weights, but it is not necessary to have them; as you can use your hands or a noodle for resistance. We encourage everyone to bring water with them as we do take 2 water breaks after 4 rounds. This class is weather permitting and if we are going to cancel, we do send out an e-mail on the CL Groups.io and at least two of the Facebook pages. This class is for anyone who wants to participate. LET'S WORK TOGETHER TO KEEP THE COURSE IN GREAT SHAPE

We're committed to maintaining a clean, safe, and enjoyable environment for everyone who plays here, and we truly appreciate your help in making that possible. One simple but important way you can contribute is by properly disposing of cigarette and cigar butts. Leaving them on the course not only detracts from its appearance but also harms the environment and diminishes the experience for fellow golfers.

We'd also like to remind all players to stay behind the "Cart Only" signs. For those with a handicap flag, please remain at least 30 feet from the greens. These restrictions are in place to

Together, we can keep the course clean, green, and enjoyable for all.

Thank you for doing your part!

BCMGA

Did you know October is designated as National Pizza Month? It is also a month when we will welcome back many of our snowbirds back to Cypress Lakes. Plus, this October is extra fun since the BCMGA will host 5 golf days.

Games this month:

- October 1 Stableford 4-Man Net
*ABCD Team – Post in GHIN
- October 8 Four-Man Scramble

- October 15 Team 3 Best Ball
*ABCD Team – Post in GHIN
- October 22 Individual Quota

- October 29 Team Low Net
*ABCD Team – Post in GHIN

Tip of the month: The length of the putting stroke should be governed by the distance to the hole, not by how hard you accelerate through impact. A common fault among recreational players is a short backstroke paired with a quick, jabbing forward stroke, which produces inconsistent pace and direction.

NORTH STARS

October has arrived and should bring beautiful weather. We always invite new members to join the North Stars. Our new season will begin on Wednesday November 4th. IN NOVEMBER THERE WILL BE A FUN DAY OF GOLF ON THE NORTH COURSE. THERE WILL BE NO GREENS FEES THAT DAY FOR THIS ROUND. THE GAME WILL BE A DROP OUT SCRAMBLE. LUNCH IN THE MAIN HALL WILL FOLLOW FOR A NOMINAL FEE. MORE INFORMATION AND A SIGN-UP SHEET WILL BE POSTED IN THE POOL ROOM.

Many golf courses, especially in Florida, are built on former wetlands, low-lying land, or areas with naturally high-water tables. The key is that they are not designed to "get rid" of all the water. They are designed to move, store, and slowly release it.

How They Drain During Heavy Rains

Surface Grading: Fairways, greens, and roughs are built with subtle slopes that direct water toward low areas, swales, ponds, and drainage inlets. Even seemingly flat golf courses may have enough grade to keep water moving.

Subsurface Drainage Networks: Many courses contain miles of perforated drainage pipe beneath fairways and greens. Water infiltrates through the rootzone and enters these pipes, which carry it to ponds, lakes, canals, or outfall structures. Modern systems often use lateral drains spaced across fairways and connected to larger collector lines

Sand-Based Greens: USGA-spec greens are built with sand over gravel and drain lines. A properly constructed green can move water downward much faster than native soils, which is why greens often become playable before fairways after a storm.

Retention Ponds and Lakes: Those ponds around golf courses are more than scenery. They function as stormwater storage basins, capturing runoff during major rain events and reducing flooding. Some courses are designed to temporarily hold millions of gallons of excess water.

Wetlands as Storage Areas: Courses built in wet environments often preserve or create wetlands. These areas slow runoff, store floodwater, filter nutrients, and reduce peak discharge rates after storms

!! Why Courses Still Flood!! Even excellent drainage systems have limits. When rainfall exceeds soil infiltration rates, pipe capacity, or pond storage capacity, water has nowhere to go. Extended periods of heavy rainfall can overwhelm even modern drainage systems, particularly on flat courses with high water tables. Once the course has accumulated 4-5+ inches over a week or two, the issue often isn't surface water anymore. It's the saturated profile and elevated water table underneath the course. No amount of drainage can overcome a full pond system until water levels start falling

CITIZENS ASSISTED PATROL (CAP)

There are now more than 65 CAP teams in Polk County. All teams provide 'eyes and ears' in their communities for the authorities and simply observe and report people and things out of place. Enforcement? That's for the paid deputies but we have phone contact with dispatch while on patrol. We will be present at the Dog Park's 'Blessing of the Pets' on October 3 just to help with congestion and parking.

Thanks to all our patrol volunteers who step up to keep our total monthly hours up! Only TWO HOURS a week is needed from each of you to make a difference! It's a small investment in our great community. Cart, car, bike or walking patrols can be done at your convenience. House Checks continue for the summer season and will be tapering off as our snowbirds return. Wave when you see us out and about.

Our volunteer roster is also called upon for special events like our September hosting of the County CAP Coordinators meeting or the annual Craft Fair coming up. House Checks continue until November and our gratitude goes out to those volunteers who slogged through wet lawns and sweated through those humid mornings to do their weekly checks.

Don't miss the meeting Tuesday, October 13 at 10 am in the Oak room. We're organizing for the fall season and have new members to introduce, procedures and policies to review and plans to be made! Our guest speaker, Judy Symes from PCSO Volunteer Services will be here and we'll be planning our approach for the coming Craft Fair and Veterans Golf Association tournaments to assist with traffic flow and parking! We need you! *Gwen Snook, Coordinator 517-937-2921*

FEDERATION OF MANUFACTURED HOMEOWNERS (FMO)

This is an educational and informative and active and committed group of talented volunteers who work for everyone in manufactured home communities. Support them with your membership! We need you!

District 1 (Polk County) meetings resume November 12. We will post the meeting location and speaker on the FMO Bulletin Board in the Oak Room, as well as, put out an email blast. Your support and participation is needed! An important legislative agenda is being worked on and you'll want to know all the details

Your annual membership gives you access to the digital FMO Magazine every other month with timely information regarding legislation, sales of other parks, trends in 55+ communities, insurance updates for the manufactured home industry and much more. Information is power and membership numbers speak loudly to our legislative representatives when it comes to issues affecting leased lot communities. Why? Because we vote! Applications are in the Oak Room. Join forces and share your lifetime of experience and abilities! *Park Representatives Gwen Snook 517-937-2921 or Caprice Temple 719-661-8702 or Richard Szarowicz 716-984-4236.*

CERT

October has arrived at Cypress Lakes Village, and with it comes a welcome shift in activity across the community. Many of our seasonal residents are returning after spending the summer months away, while many others have been here throughout the heat, storms, and daily rhythms of Florida's warmest season. As we come together again, this is a perfect time to refresh a few important safety practices.

First, if you're returning to your home, take a moment to walk through your property and check for any issues that may have developed over the summer. Look for signs of leaks, electrical concerns, or pest activity, and test your smoke alarms and carbon monoxide detectors. For those who stayed all season, this is a great reminder to do the same — batteries and detectors should be checked regularly.

Second, please update your emergency contact information. Whether you've been here or away, make sure your preferred contacts, medical needs, and phone numbers are current and posted somewhere visible inside your home. A simple printed sheet near the front door or on the refrigerator can be extremely helpful for neighbors or responders.

Finally, October is a wonderful month to reconnect with your neighbors. Let others know you're back, or if you've been here all summer, check in with those returning. Sharing travel plans, schedules, or any special needs helps everyone keep an eye out for one another. Community awareness is one of our strongest tools in keeping Cypress Lakes Village safe.

Your CERT team remains committed to supporting our residents and promoting preparedness throughout the year. Thank you for continuing to help make our community a safe and welcoming place for everyone.

Mark your calendars for a couple of our favorite fundraisers: Casino Night & The Car Show, more information to follow in future newsletters.

CYPRESS LAKES VETERANS COMMUNITY OUTREACH (CLVCO)

Welcome October, where everything is pumpkin and things are hopping here in Cypress Lakes. The Veterans Community Outreach is no exception. We are looking forward to seeing everyone and getting back into the swing of helping the organizations who help our veterans here in Central Florida.

We will be back in the kitchen cooking up our famous hot dogs and various goodies on the 1st and 3rd Tuesdays of the month in the main hall prior to Bingo. The first dates will be October 6th and 20th. And don't forget we have the dessert table for all those sweet things that go great with anything.

One of our fund-raising events of the year will be our annual Veteran's Day breakfast held on November 11th. Ticket sales will be October 26th, 27th, 28th, Nov 2nd, 3rd and 4th. SINGLES CLUB

Summer is coming to an end, and Fall is on the horizon. Our August potluck was a real success – delicious food and friendly conversation. Our members are great cooks with delicious side dishes and wonderful desserts. The August birthday luncheon was at Ford's Garage – always a treat to visit this restaurant. We celebrated three members' birthdays at the luncheon.

Now we are looking forward to Fall and the return of our Snowbirds. The September meeting featured a speaker from Neighbor to Neighbor – finally since we have had to cancel this speaker due to unforeseen circumstances twice. Our September birthday luncheon was held at Texas Roadhouse. Since it was too hot in September to participate in outdoor activities, a movie day was planned to see "Practical Magic 2".

Plans are being discussed for October, November and December. This is always a busy time due to the holidays. Members bring your ideas so we can make plans early.

If you are single and want to meet new people and enjoy exploring new places, please join us at our regular monthly meetings on the second Thursday of the month in the Arts and Crafts room in the Club House at 4:00 pm.

CLUBS & ACTIVITIES

CYPRESS LAKES LADIES CLUB (CLLC)

A new women's social club called Cypress Lakes Ladies Club (CLLC) will begin the second Monday in January with a Members Only Luncheon.

The background of CLLC began in April 2026, where Vicki Armendinger, Gwen Snook, Janice Simmons, Joan Milley, and Julie Retzlaff met 3 times to adjust the bylaws to be current and flexible for a new women's club. The new bylaws were presented to the HOA Board at their May 2026 Board meeting. The club was approved and the group began working on creating a vision, luncheons and trips.

Those affiliated with CLLC have listened to many women in the community and our goal is to provide a welcoming environment for all ladies within the community. Luncheons will now be on the second MONDAY of the month, with the hope that Tuesday Golf Ladies will join the group.

Bus and carpool trips will not be on a set day. There may be fewer trips but we are hoping to go to new places that will be different and could be further away from our community.

At the Craft Show on Saturday, November 7, at Vivian Holtzinger's booth, (which has been in the Oak Room in previous years) you can put your name in to receive a free membership. We will be drawing 3 names for the free memberships.

More information will be coming in the November and December newsletters and information will also be posted on the bulletin board in the Oak Room. Membership fee will be \$20 which is good from January -December 2027. The first luncheon will be \$15. We can't wait to begin this club and meet you!

HORSESHOE PITCHING LEAGUE

Organized horseshoe pitching here at Cypress Lakes Village meets on Wednesday mornings at the horseshoe courts. Three, 20-shoe, count-all points, handicapped, singles games are played each week, changing opponents after each game. Initial court assignments are by blind draw and play begins promptly at 9:30am. This is a fun and competitive activity for anyone who enjoys pitching horseshoe, and is open to men, women, residents, snowbirds, and visitors. Horseshoes are available at the courts, or you can bring and pitch your own. There are no fees, or any cost to participate. Averages and handicaps are maintained and updated weekly by the league director and emailed to all participants weekly. Come when you can, weekly participation is not required

CYPRESS LAKES RC CLUB

Racing was "BACK" at Cypress Lakes International Speedway (aka Garden Walk Parking Lot) in September following our summer break...it was still "HOT", so much so that we cut the Patriot's Pride RC Race a little short and moved the start time of Summer's Last Lap RC Race to 8:00 AM. The good news is that temperatures should be easing a bit as we enter October and many of our snow birds make their way back to the community. Saturday, October 10th Evel Knievel returns to the speedway for Evel Knievel Ramp Riot RC Race. In addition to a "death defying" jump over shark and alligator infested waters (there may be "fire" involved as well), Hughes Brothers BBQ will be offering breakfast sandwiches for sale. We'll close out the month with the Thrilling Zombie Drift RC Race on Saturday, October 31st...you never know what ghouls may appear. Be on the lookout for the Slingin' Dogs (yummy) food truck with lunch available for purchase to ALL in attendance. Meanwhile, our World-Famous Bake Sale and AMBUCS teams will be on hand for both events. Your Cypress Lakes RC Club raffles continue to focus on raising money for "Flight to Honor"; we hope to send both a veteran and chaperone on the trip to Washington DC in the spring. Watch the kiosks, email and Facebook for updates as we get closer to each event. New members (drivers), pit crew members, volunteers and spectators are ALWAYS welcome. Join us for the next club meeting on Wednesday, October 14th (2nd Wednesday each month) in the Arts & Crafts Room at 4:00 PM. As a reminder, we have the "Loaner Car Program" available at no cost to anyone interested in becoming a driver. Please direct your questions and inquiries to Gary Gentry...813-577-2498. Follow us on our Facebook Page...Cypress Lakes RC Club; ask any club member for access. We'll see you soon!

OWN YOUR HOME AND LAND?

Selling can be this simple.

Putting your home on the market can mean endless showings, waiting on buyers, and wondering if the financing will fall through. Meanwhile, your home keeps costing you, even the months you're away. If you own your home and the land it sits on, you can sell directly to Cove and skip all of that.

WHAT YOU SKIP

- ✂ No realtor commission
- 🏠 No showings
- ⌚ No waiting on buyers
- 🏛 No financing delays
- ☕ No hassle

HOW IT WORKS

1

Call or stop by

Tell us a little about your home. Call the Sales Office, or stop in next time you're here.

2

Get a cash offer

We'll look at your home and make you a cash offer, with no bank approvals to wait on.

3

Pick your date

Close fast, or on the timeline that suits you. We'll take care of the details.

Ready when you are.

Give us a call, and we'll talk through your options.
