LGHV Activities Association President's Message

Hi Everyone!
November is here, and with it comes our snowbirds and some cooler weather! It's also a time to give thanks for all of our friends and families.

We are truly blessed to live in a caring, kind community where we look out for one another and often lend a helping hand to someone in need.

A couple of events this month include the Ladies Christmas Tea on November 14th and Pampering Day on November 15th.

We will also be running our Toy Drive Challenge again this year to coincide with the Ohio State/Michigan football rivalry! There will be large boxes labeled Michigan, Ohio State, and Community in the clubhouse. Let's see who can collect the most new, unwrapped toys for children ages 12 and under! The challenge starts November 16th and runs through November 28th. Be sure to check out the flyer in this issue of Harbor Highlights for all the details.

As we head into this season of gratitude, let's remember that it's the little things we do for one another that make LGHV such a special place to call home. Whether it's lending a helping hand, sharing a smile, or simply taking time to catch up with a neighbor, these moments are what make our community so special.

Wishing everyone a wonderful November filled with friendship, laughter, and many reasons to be thankful. Enjoy the cooler weather, welcome back our snowbirds, and as always, see you around the park!

November Manager's Message

This is a great time of the year to come out and enjoy each other's company. Thank you to everyone that plans and executes these events. Please pay close attention to the calendar in the newsletter for upcoming events. Fall reminds us to be thankful for the harvest we've gathered, the lessons we've learned, and the people who helped us grow. It's a season of plenty, where markets overflow with fresh produce like pumpkins, squash and apples. Make sure to attend local harvest and craft events in the Leesburg area this fall.

Remember that anyone living in your home must be registered at the office and a background done. If you have a cat and you go outside with it, then make sure it is on a leash. Cats cannot roam around the community freely. Any work being done to the exterior of your home must be approved by the office and you need to make sure the vendor is licensed and bonded and obtain permits if they are needed by the City. We will be getting new mailboxes this month and the handicap door will also be completed.

Election day will be November 3rd so the clubhouse will be closed for all activities.

Some Helpful Tips to Remember:

1. Please remember that a catch-up payment for the Pass-Thru Tax will be due in December. This is noted on the back page of your 2027 increase letter, and the estimated amount is $5.46. Once we receive the final tax bill in November, we will notify everyone of the confirmed amount. The catch-up payment is due by December 31, 2026. If you pay by EFT or through the online portal, the amount will automatically be updated. If you use your bank's bill-pay service to pay your lot rent, please remember to adjust your payment to the new amount to avoid any payment issues in January.
2. All pets must remain under their owner's control when outside and must never be left outdoors unattended.
3. All vehicles must be registered and display a current sticker. Please remember that parking on the grass is not permitted.
4. The parking lot near the office is for temporary parking only. Commercial vehicles and trailers must not be parked there long-term. Residents should park their vehicles at their own homes.

Neighbor Helping Neighbor

Is a free benefit of living in LGHV. The program is run entirely on donations. Should you have a walker, wheelchair, shower chair, etc., that you are no longer using, please call me. I'll pick them up to store until someone else has a need.

If you need an assisted device, please call or text before you purchase. NHN probably has what you need. There isn't a time limit on how long you may use an assisted device. Whenever you finish, just call, and I'll pick up. Before delivering, I check the device. I replace skids, tighten bolts, and wash it off.

HOA President's Message

There are a lot of things going on here in LGHV. The marina construction project: Real Projective Company is managing the project, which has involved coordination with engineers, environmental professionals, and surveyors. Crutcher & Associates is handling the design engineering, and Morgan & Eklund is handling the surveying. As part of the planning and evaluation process, these professionals have conducted site inspections, used drones to assess the property and surrounding conditions, and performed water-based inspections by boat. Their work has been necessary to evaluate the site, address environmental and structural considerations, and support the project's development. All of this is being done to support the permitting phase of the project.

A question that has been asked: What are the figures on that letter we received regarding next years lot rent?
Answer: There are five parts to your lot rent:

Base Rent – Paid to Cove.
Property Pass-Thru Tax – Collected for Lake County property taxes.
Fire Tax – Collected for Lake County fire services.
Sewer – Charged by the City of Leesburg.
Trash – Charged by Waste Management.

The base rent is the only thing that is adjusted every year by Cove. The pass-thru taxes, sewer and trash we have no control over. The taxes are done by the County. The sewer is set by the City of Leesburg, and trash is set by Waste Management. We have a 4.3% increase on the base rent for 2027, and then all the other things are added. A question has been what is that $74.28 in yellow that we are being told we have to pay. Well, interestingly, we have been paying that all along and it is the pass through of Sewer, Garbage/solid waste fee. If you look at the line marked Utility Charges on the far-right column the two figures add up to $74.28 It might be easier to look at the left-hand column of the letter and see what you are currently paying which includes everything.

Other things happening are:

- Second notices are going out to people parking where they aren't supposed to be parking.
- Clubhouse front door being replaced beginning of November. Parts are being purchased.
- Mailboxes should be here any day. The post office will come out and put locks on the boxes. Keys will be given to Todd to distributed so we don't have to go to the post office to get them.
- Screening under the screen in deck out back has been installed by our crew, so no bugs.
- The road repair is waiting for Comcast to come and fix their broken piping underneath.
- When the new budget goes into effect in January, plantings will go onto the island at the front entrance.
- HOA is sponsoring Veterans Day. Henry and Debby are working very hard to make it a perfect day. Please sign up in the clubhouse so we know how many to provide lunch for.

HOA Elections are coming up. People get elected to the board for a 3-year term. Terms are staggered to have a few open positions each year completed at the Annual Meeting in January. Donna Kittleman handles our election process. There are two positions open this year. November 18th at 7 pm is the next HOA General meeting. Please join us.

FMO ACCOMPLISHMENTS

FMO has been at the forefront to fight off repeated attempts by the Florida Legislature to impose a sales tax on YOUR monthly lot rent.

Successfully lobbied for a 10-year extension of the Mobile Home Tie-down program, saving thousands of homeowners $3,700 on the cost of their tie-downs.

FMO supported passage of legislation that created a trust fund managed by the Florida Mobile Home Relocation Corporation to compensate manufactured homeowners displaced due to a change in land use.

Established in 1962, FMO is the original organization that is dedicated solely to advocating for manufactured and mobile homeowners on rented lots throughout Florida.
