Holiday RV

Welcome Back! Hearing those words is a true sign that our friends and extended family are returning to their homes at Holiday. It is great to see the park filling up and signs of the busy season ahead of us. It is hard to believe it is November already!

Remember, that even though we have been truly blessed this summer with a very mild hurricane season, that it doesn't officially end until December 1st. Again, please stay vigilant, and prepared.

The new 26/27 car stickers are out, you should have one in your mailbox, if you need a 2nd sticker, please bring the current registration for both of your vehicles to the office and you will receive your 2nd sticker.
There are a lot of projects in the works. Below is a short list of things in progress.

- The Poolside Café is still moving forward and will be reopened as soon as possible. We have our Beer and Wine license, so those items will be available for purchase when the café reopens.
- Wastewater Treatment Plant work is still ongoing and should be completed soon.
- The Tiki Hut has been completed and recovered.
- The pool Tables in the Billiards room, have been recovered and look great!
- New basketball hoop is ready to go; new basketballs are available in the office.
- The new pool furniture will be delivered on October 29th, and we will begin the long process of unloading and assembling all 66 boxes.
- 75 Picnic tables have been put together, and several have been utilized at the Softball field, and the Cornhole Courts. There will also be tables where the food trucks park, for guests/residents waiting for their food, or if you would like to sit with friends and eat.
- New lighting has been installed at the Cornhole courts to allow for night or evening play.
- There will be additional streetlights installed along the outer parkway, to match the new lights already installed.

A few items to remember: Inspections are still ongoing; they will be completed quarterly. Remember that even though you are not in the park year around, you do still own your home, and it does need to be kept clean and neat. It is your responsibility to make sure that happens. **SPEED LIMIT IS 10 MPH**. The grassy areas around outer parkway are not parking areas, additional No parking signs are being installed. If you park on the outer parkway without a proper parking pass from the front office, issued with a specific date range, your car will be towed at your expense, these passes differ from your resident sticker. All renters must register in the front office and have a pink pass to enter the park.

Enough with the serious…

We hope that you have a wonderful November. Thanksgiving is right around the corner, make sure to sign up for dinner, buy those dance tickets and get ready for a busy season.

"If you stand in the meat section at the grocery store long enough, you start to get mad at turkeys. There's turkey ham, turkey bologna, turkey pastrami. Someone needs to tell the turkey, 'Man, just be yourself.'" – Mitch Hedberg

Dan Czuk
United States Navy

Dan is from Michigan, entered the U.S. Navy, attended Basic Training then schooling for the Navy SeaBees. There he learned multiple trades. The SeaBees were responsible for building roads, runways, refilling ammo dumps, any construction needed on the bases. He did tours in Okinawa and Vietnam towards the end of the war. Once discharged from the Navy Dan returned to Michigan and worked in construction and sold in construction. Once retired he moved to Florida, lived in a travel trailer until finding a place to purchase here in Holiday.

I have reached out to several Veterans that have chosen not to share their stories or experiences of their military service and I honor and support their decision. Our Veterans gave their all when they joined, some gave everything. Please remember and thank our veterans this Veterans Day.

Cornhole News!

Cornhole is for all ages, skill level, and both genders.

Our daily play is no charge

Cornhole is one of the top activities in the park and it is offered every day. Our schedule is as follows: Sign up starts at 2:00, Play starts at 2:30 sharp every day.

Tournament day is Thursdays; the play is more structured as the winners and runners-up will earn a sign to post in their lots for the week.

We have another eventful season planned with continued improvements to our court area, plans in progress are shade umbrellas, picnic tables (courtesy of Cove), additional astro turf, sound system, lighting, fan bleacher improvements, internet, and of course new players.

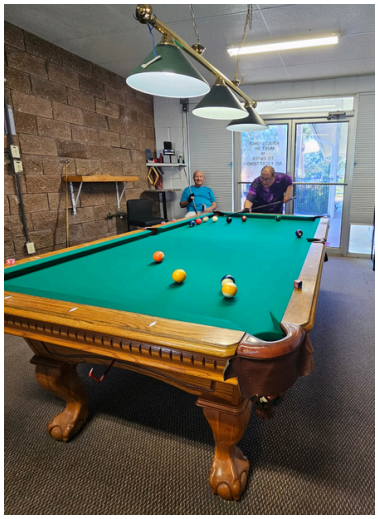

There will be lessons on the 1st and 3rd Saturday at 10:00 AM and many of our more experienced players are more than happy to arrange one on one teaching.

Our fund raisers include: Hotdogs on Dec 10th, Jan 14th, Feb 11th, and March 11th and our annual Dance on January 9th, as well as our Thursday 50/50 drawing.

We would like to acknowledge the Citizens fund committee for budgeting new bags twice a year for our activity.

Cornhole players and fans are proud to be a part of Holiday RV Village and are always willing to help other activities and events. Our members are always willing to step up either physically or monetarily to help others. We always supply a basket or raffle prize as well as being very active in promoting other activities through social media and old fashion face to face conversation.

Billiard Room

Stop in and check out the pool tables, they have had the surface redone and they look amazing! The Billiard room is open daily. The team plays weekly on Tues 9-3pm. New players are welcomed!

Disc Golf

HOLIDAY RV
DISC GOLF CLUB

Playing disc golf at Holiday RV Park "The Cove" is a perfect way to start — the course has just 9 holes, with 3 different layouts, so it's not overwhelming, and it's rated as a welcoming, beginner-friendly layout.

Because it's right inside a 55+ lakeside RV resort, you get a flat, walkable course in a friendly, low-pressure environment where neighbors are known for making newcomers feel at home, plus you get light exercise, fresh air, and time outdoors without needing expensive gear or experience. You can learn to throw at your own pace, meet people through casual weekly groups like the Holiday Disc Slingers, and enjoy a fun, social activity you can do right from your campsite.

We play every Monday and Friday at 9:30am.

If you have any questions please contact Bill Lashua.

Check us out on our Facebook page “Holiday RV Park Disc Golf”

Cancellation due to inclement weather will be posted at least ½ hour prior to departure time.

When our adventures go outside the Park, we encourage ride & transportation shares to decrease the vehicles as well as to assist those with transportation needs for persons &/or crafts. We ask each paddler who needs transportation assistance on a regular basis to get to know our drivers so you can arrange your own transportation. If you plan to join us &/or require transportation assistance of person &/or craft, you must notify us by **5 pm the day before** the scheduled paddle. We have three locations this month where rentals (®) are available for those interested, but your reservations will need to be made individually. Our trips normally involve a 2 to 3-hour paddle. We plan a lunch stop afterwards at a local restaurant, so we need a headcount for restaurant reservations.

All crafts must have a life jacket, paddle & whistle. We strongly encourage dressing in layers, sunscreen, water & snacks in reusable containers. A dry change of clothes is also a good idea to keep in transport vehicle. We do request emergency contact information for anyone paddling with us, just in case.
We will post details of each paddle on our Facebook Page "Happy Holiday Kayakers" & on the Holiday Yacht Club Board in the Ken Jones Building

If you are not using a kayak & might be interested in loaning &/or selling, please give us your details. We would like to remind everyone they can join the Holiday Yacht Club, if you own a kayak, which is another great group of people in our HRVV community. Happy Holidays.

Helping Hands

Another season is upon us again. Welcome back snowbirds we are starting Helping Hands on November 10, 2026. We meet in the Ken Jones Center (Post Office area) on **Tuesdays from 1-3 PM.** Camp Boggy Creek is a seriously fun camp started by Paul Newman for seriously and chronically ill kids.

We make quilts, teddy bears and afghans for the kids. Each child takes a teddy bear and an afghan home with them. If you can tie a knot, we have a job for you. We can use fabric, polyfil for the stuffing for bears, yarn, ribbon for the teddy bears, gently used sheets that are used as backing for our quilts, and any craft supplies that kids would like to create with.

We are also going to continue with our work days at the camp once a month. Our first **work day is November 19th.** Mark your calendars for December 17th and January 21st as the other work days for the year.

The biggest event is the **Bear Stuffing Party which is February 24, 2027** so mark your calendars because it is one you don't want to miss.

As always, we want to thank the residents for all their support and donations. The kids appreciate everything we do and everything that they receive.

Toys for Tots

We are collecting for new toys for Toys for Tots in the 3 areas this year: in our front office, at Ken Jones building and in the Activity Center.

Over the years we have been a huge contributor for the Toys for Tots in our local area.

This year we will be collecting now up till Friday December 4th when we will have a big celebration and a Christmas Dance. Lots of surprises are in the works for the evening!

This is a great cause and a huge need in this area for Toys for Tots. Please donate if you can, money or new toys. We thank you for your generosity.

Happy Thanksgiving!

Thanksgiving is a great time to pause and reflect on all that we are greartful for. We are grateful for our residents and for our ambassadors who lead the activities here at Holiday RV!

November is just the start of our winter season here, and it's a busy one with Veteran's Day events, Billy D Dance, Speakeasy Part 2, Thanksgiving Dinner, and the Craft Bazaar, on top of added activities of all kinds! It's a great time to get out and try something new. Meet new people, and enjoy all that we have to offer!

We have a lot of new residents in our community! Please make them feel welcomed. Invite them to your favorite activity.

Kelly has a great line up of Food Trucks for us this month. Be sure to show your support so they will continue to come. We have a new produce truck starting this month, we think Renie's Country Produce will be a great addition twice a month from 11-3pm.

Campers App has lots of new changes and Kelly has been busy entering everything from all our events and activities to Food Trucks and Softball Schedules! It will really be the best way to find out what's going on when & where throughout the park!

If you have any questions on events, activities, or food trucks, please contact us at the office Mon-Friday 9-4:30pm we will be happy to help.
