Camelot Lakes Community Newsletter
November Edition
Happy November, Camelot Lakes Residents!
Welcome back to all our returning winter Floridians. We're happy to see familiar faces returning to the community. As we settle into another wonderful season together, we'd like to share a few exciting updates and new things happening around Camelot Lakes that you may have missed while you were away.

Camelot Lakes Is Now an Official Wildlife Habitat!
We're excited to announce that Camelot Lakes is officially recognized as a Wildlife Habitat! This is a wonderful accomplishment for our community, and we appreciate everyone's efforts in keeping their lots maintained while helping support our local wildlife and natural habitats. Thank you for helping make Camelot Lakes a special place for both our residents and the wildlife around us.

Thank You for Helping Maintain Our Community
We've seen a marked improvement in lot maintenance throughout the community. Thanks to your hard work and our ongoing 360 reports, we're making progress toward keeping Camelot Lakes looking its best. We appreciate everyone who takes the time to maintain their lots and do their part to keep our community welcoming. Let's keep that momentum going.

New Ways to Pay & A Little Something Extra
There are now several convenient ways to pay through the Resident Portal, including Flex Pay and credit card payments, making it easier to manage your payments from home.
As an added bonus, residents who sign up to pay through the Resident Portal or by ACH will receive FREE Cove Bucks to use toward event tickets.
If you'd like help setting up your Resident Portal account, please give us a call or stop by the office. We'll be happy to walk you through the process and get you set up.

Introducing Our New Maintenance Ticket System
We're also excited to introduce a new digital maintenance ticket system. This system will make it easier to track your maintenance requests, receive updates, and see when your tickets have been completed.
Interested in learning more? Stop by the office, and we'll be happy to provide additional details and help you get started.

Rent Increase Letters
Rent increase letters have been sent out. If you haven't received yours or have any questions regarding your letter, please don't hesitate to give us a call.

Here's to a Wonderful November
We're looking forward to a fabulous end to the year filled with fun, community spirit, and opportunities to enjoy everything Camelot Lakes has to offer.
The Florida weather is finally starting to cool down, which means we can trade those hot summer afternoons for refreshing breezes and more time enjoying the outdoors. After all, in Florida, a little cooler weather is our version of sweater season.
Wishing you all a happy, healthy, and wonderful November.
Warmly,
Your Camelot Lakes Community Team

Thank you,

NOVEMBER IS ALL ABOUT COMMUNITY!

I'd like to extend a warm greeting to our returning seasonal friends, as well as to our terrific friends that choose to stay here annually.We all have so much to be thankful for! I hope you are looking forward to a fun month. There will be several options to choose from.

We will start off the month with laughter as we watch the classic holiday comedy Planes, Trains, and Automobiles. Grab a seat and enjoy the movie with friends in our clubhouse. Snacks will be provided.

Open Mic is starting up again on the 2nd Sunday of each month and will be on the upper deck by the large pool.

Come hungry for the Chi-Phi Food Truck offering delicious food.

Bingo is back to the weekly schedule, so come and pick out your lucky spot.

On Veteran's Day there will be a special luncheon for our Veteran's and their guest to honor and celebrate and thank them for their service and sacrifice.

Women's Golf is starting up again on the 2nd and 4th Mondays. Tee at 12:42.

Then dust off those dancing shoes and step back in time! We're turning Wine Down (or not) Wednesday into a fun-filled Sock Hop with music, dancing, and plenty of nostalgia. Contest prizes will be awarded.

One of your favorite events, the Fall Parkway Party, will be taking place. So get a ticket and enjoy a new food truck Willy-Yums, fun with friends, and even some carnival games! You won't want to miss this one!

Then something special is coming to the community for our four-legged friends! Honey Pets Mobile Van will be bringing convenient pet services right to our community. Contact me at to add your fur baby to the schedule. I have used their services and was very pleased!

We also have a terrific Fall Bazaar planned. It will take place in the Clubhouse and there is still time to sign up. There are sure to be some great homemade items available!

Intertaining Karaoke Konnection will take place in the clubhouse and Good Times Karaoke is being moved into the auditorium. Both are always a fun time!

If you have ever wanted to learn how to crochet, now is your chance to learn for free! We have a 2 week class being offered. Bring Art yarn and a needle.

We all think about Thanksgiving as a special time. So your invited to join us for a delicious meal with friends. Bring your favorite dish and your appetite! Tickets are available at the Lifestyle desk. Mouth watering turkey will be provided by Der Dutchman.

We'll finish November by kicking off the holiday season in style! Join us for our Holiday Festival of Lights, complete with a special concert by Larry Breidenbaut to get everyone in the holiday spirit.

So as you can see there's something planned for everyone!

Come join the fun, bring a friend, and make some memories with us!

Remember to appreciate each day, as every one is a gift!

I always appreciate that residents are reading my column and giving me suggestions for restaurants. This month's choice comes from a recommendation from Bernie and Leslie. It is called "Five Nine Grill and Tavern". Located in a strip mall in Osprey, it is easy to miss but you'll be sorry if you do. It is the second location of this restaurant, the first being in Bradenton. It is a cute place, part sports bar, part gastropub. It has an eclectic menu, leaning on American classics such as burgers, but is also has unusual items such as poutine and osso buco. I had a burger called the Wake-n-Bake which had cheese, bacon, hash browns (yes, that's right) and a perfect fried egg on top. So messy, so delicious. There are specials and special cocktails for each day of the week. I hear the meatloaf is terrific. The whole menu is so enticing with Southern classics, steaks, seafood, interesting starters, wings and so may more offerings. As usual, I had a hard time narrowing down my choice. Some day I am going to order one of everything because to narrow down a choice fills me with anxiety. We also had the best server named Adrienne Sivits. If you go there, ask to sit in her section. She was fun, attentive, and just a joy to be around. The only downside to this place is that they don't take reservations. We only had to wait about 10 minutes on a Friday night which was acceptable. So, keep those recommendations coming when you see me.

VIRUS SHAWL WORKSHOP

A beautifully designed virus shawl, with it's open-lace crochet pattern, is wildly popular among all age groups from Gen Zers to Baby Boomers. This basic bohemian style triangle shawl consists of double crochets, that create fan shell shapes.

Carol is offering a step by step easy pattern which she is happy to share with you in a two week workshop. You can make this gorgeous shawl for yourself or as a gift in time for christmas.

The workshop is free. You only need to bring your own yarn and hook. To make it a perfect weight for Florica weather, buy a lightweight gradient "cake" yarn. Gradient yarn shifts colors with flowing geometry for the lace pattern.
A line of "cake" yarn in 42 is called Yarn Art Flowers and is available from Amazon. It is soft, lightweight, and machine washable.
A size G (4mm) crochet hook is best.
Call Carol Kneisl at 251-609-0764 with any questions.
