HAPPY SUMMER RGV!

Parking

Parking: We are asking you to keep your vehicles off the grass. As we have stated in the past, our irrigation cannot handle the weight of the vehicles driving over them and is being damaged each time it occurs. PLEASE DO NOT PARK ON THE GRASS! This is also a hazard in case of an emergency. If EMS/ Firetrucks come into our community and cannot gain access to your road, it could cost you or your neighbor critical time getting help. Please remember these are large vehicles and need the whole road. We are going to enforce this rule. You will get one warning- then your vehicle will be towed at the owner's expense. If you have guests that cannot park in your drive- we allow parking on vacant lot drives (on the concrete) and there is overflow parking in the large field at the end of Pebble Beach Rd. Please be courteous and do not park in your neighbors drive without their permission.

Pools

Please make sure you shower prior to entering the pools. Also, please make sure you have washed your swimwear after swimming in any other pool, lake or ocean as we don't want to contaminate our pool with anything from the outside. Another contamination we have to deal with is broken glass. If any glass breaks within the pool area, we have to completely drain and refill the pools. This means the pools would be closed for at least a week. No one wants that at the peak of Florida summer. ABSOLUTELY NO GLASS at the pool. If you have any drinks, please keep them by the chairs and tables and not at the pool's edge. Also, please remember you are responsible for your guests at the pool. Please make sure they are wearing their guest bands and following the rules. If you need guest bands, please visit the concierge desk and they will be happy to help you.

What is a guest?

A guest is someone visiting for 2 weeks or less who is planning on going home at the end of their visit. If you have someone living in your home for more than 2 weeks, they will need to fill out an application and get approved to live in the community. It is a simple process but is a necessary rule to keep everyone safe. As we find more and more unregistered residents, I remind you that as a Rolling Greens homeowner it is your responsibility to report these incidents to the office. If you are found to have an unauthorized occupant living in your residence, you will receive a letter. If the issue is not resolved it can end in eviction. Let's work together to avoid any of these extreme measures.

Sincerely,
Terri Passaro
Community Manager

MAINTENANCE HOT TOPICS

HAPPY SUMMER RGV!

Hello, I hope everyone is enjoying their summer and is ready for some cooler weather. Thank you in advance for your cooperation on the matters below.

Yard Waste

Yard Waste MUST be put out prior to 7am on Tuesdays and Fridays. Thank you all for your cooperation with yard trash. With the wind picking up, having yard waste out the night before pickup has helped keep the community a whole lot cleaner. Thank you all who have been putting your yard waste in bags and containers. It helps us tremendously. Please trim all branches to 3 feet or less and stack them neatly so that we can pick them up without hurting ourselves. Thank you.

Sewer issues and water leaks

Please make it a point to locate your water main shutoff. If you do not know where it is or cannot find it, please call the office and one of my maintenance men will help you locate it. I am asking that if you experience a sewer backup or see a leak, please report it right away. I have received quite a few after-hours calls in the last few months about these issues only to find out the resident knew about it earlier in the day. Your cooperation is greatly appreciated. Thank you.

After Hours Calls

A friendly reminder that after hours calls are only for maintenance issues. If you need other emergency assistance, please call 911. Thank you.

Water Usage

I have been noticing for quite some time that folks are running their irrigation way too long and way too frequently. The County has tight restrictions on when we can water our lawns. Please abide by these rules. I am currently working with St. John River Water Management regarding our community water usage. Please be mindful and adhere to the following:

- 1) Water on appropriate days as per local regulations
- 2) Water for no more than 15 minutes.
- 3) DO NOT WATER DURING RAINFALL. Install a rain sensor on your irrigation system if you do not have one.

Employee of the Month

Kimberly Bray, Courtesy Patrol

It is my pleasure to announce Kimberly as employee of the month. Kimberly is an amazing person who always has a smile for everyone. She is very knowledgeable and dedicated. Kimberly is always willing to lend a hand and has been amazing on Courtesy Patrol.

Kimberly is extremely dependable and is very supportive of her teammates. She is always willing to cover extra shifts when needed without complaint.

I received many, many compliments from residents and employees about her. Please help me let her know how much she is appreciated by congratulating her the next time you see her.

Respectfully,
John A Crespo Jr.
Maintenance Manager

Well by the time you are reading this we will have finished our final aerifying of the year. The grass is definitely growing now that the rain has finally started. We apologize for any inconvenience from clippings and debris left behind from the mowers. We are trying to stay on top by blowing but this is difficult at times. We are also working heavily on weed control so some brown areas will be noticeable for a period of time. As always, thank you for your support and your patience. Hit it Hard! Thanks, Brett

CLUB HIGHLIGHTS

Rolling Greens Village Library Corner - by Barbara Critchfield

Oh, my! It's already August! I'm looking forward to October when the temperatures cool down and we can think about our return to Rolling Greens. My husband Mike compares the temperature here in Ohio with the temperature in Ocala every day. Today your "feel like" temperature read 100 degrees and here in Ohio only 92. I kept busy this morning working in the yard and will visit our neighborhood pool this evening. I read on the Forum that Taco Tuesday was canceled recently. I guess it was too hot for tacos. I'm looking forward to trying tacos in the Fall. For those of you reading this column for the first time, I will briefly mention the information you'll want to know about the library. The Library is open 8:00 a.m. - 10:00 p.m. daily and uses a "borrow on the honor" system. We have lots of books, puzzles, movies, magazines and music choices for residents to choose from and we accept donations daily. We do ask that you please leave all returns and donations on the cart so that our VERY faithful volunteers can put them all away. Fran Mysterly is in charge while I am in Ohio for the summer months. Please say "thank you" to the library volunteers, they work so hard each and everyday to maintain the Library. Now would be a good time to pick up some books on gardening or home improvement projects since many of us are not quite as active as usual. I know I'm keeping busy watching my one tomato plant grow and thinking about decluttering our stuff so our kids won't have to do it for us some day. On these hot, hot days, I've also spent a lot of time reading on my Kindle. I do miss reading "real" books and turning the pages. See you at the library in October.

Rolling Greens Village Wood Shop

Interested in joining the RGV Wood Shop? Monthly meetings are held on the 2nd Tuesday of the month @ 9:00 am. and is located in the West Clubhouse. If you would like more information or would like to sign-up please stop by the Community Center Concierge Desk for an information packet and application. The initiation fee is \$25 upon joining and \$30 per year membership.

Rolling Greens Village - Blessing Box

Our summer hours are Monday from 9:00 a.m. to 11:00 a.m.

The Blessing Box is open for donations and distribution of food/beverages from/to our RGV residents. We will accept donations at the main clubhouse during this time. If you are in need, please come pick up food on Mondays. We accept ONLY dry goods at the Community Center on the counter next to the Kitchen. If you are interested in volunteering, please contact Linda Bakos at (804) 921- 2914 and leave message.

Dianne and Debra spent a lot of time with their helpers to get invitations to each of our new residents and invite them to this event and they also assisted me in putting the event together. Marki swooped in at the last minute and assisted me the when I needed to go to the hospital and coordinated the day of the event with Deb and Dianne. Thank you all for your hard work and dedication to the lifestyles program. It is because of your efforts that events like these happen and are so wonderful I appreciate you all so much. - Rachelle King, Lifestyles Manager

Kathy Allen

I would like to nominate my wife Kathleen Allen. Kathy has volunteered to do many things for our Community over the last 14 years. This includes being a first VP and President of the RGHOA. Kathy also was a member of the RG Benevolent Committee and worked the old food pantry on Thursday's. Kathy was also a charter member of the RG AVVA Chapter for years Kathy assisted in arranging trips for the community for six years too Biloxi Casino's and eight years to Tampa Bay Downs race track. She also Co-hosts the VVA's Kentucky Derby party every first Saturday in May for seven years. Kathy was also and assistant helper with water aerobics for many years. Today she works with the BINGO committee, Home fo the Month and Surprise & Delight Committee's She is always willing to help out when needed is she can. That is why I nominated my wife Kathleen Allen.
