Local Activities

National Key Deer Refuge – Admission Donations

Opens 10am – 3pm, Open Wednesday to Friday

(305) 872-0774, 30587 Overseas Highway, Big Pine Key

Key deer are unique to the lower Florida Keys. They are perfectly adapted to living in the wild, they may, however, approach people and vehicles looking for handouts; please help us keep them healthy and wild by not feeding them

The Blue Hole – Admission Free

Opens 10am – 4pm, Open Daily

On Big Pine Key, take Key Deer Blvd (Bayside) until you see the sign for the Blue Hole on the left side.

The "Blue Hole" is home to alligators. These guys are perfectly happy just relaxing on the shorelines, soaking up the sun. But remember, don't try to feed them and don't mess with them. It's not only dangerous but it's also illegal.

Big Pine Key Park – Admission Free

Opens 8am – Sunset, Open Daily

31009 Atlantis Dr, Big Pine Key, FL 33043

Bayside waterfront park with Play area for Children, Tennis, Basketball, Bocce Ball, Walking Trail, and Observation Deck.

Bahia Honda State Park - Admission \$8 per vehicle

Opens 8am – Sunset, Open Daily

36850 Overseas Hwy, Big Pine Key

Bahia Honda State Park is an island in the Florida Keys that offers everything you need to connect to nature, history and recreation. A walk on the Old Bahia Honda Bridge trail is steeped in history and offers a spectacular view of the waters below. The beaches and shorelines provide a place to get away and relax.

The Conch Republic Marine Army Wants YOU!!

The CRMA is a Non-Profit, 501(C)3 Organization, Whose Mission Is To Clean,
Preserve, And Restore The Near Shore Waters Of The Florida Keys.

CRMA Recruits Receive:

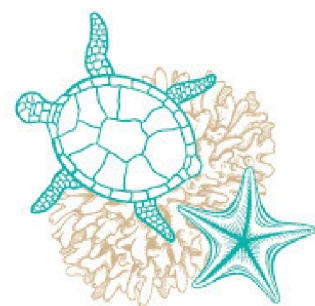

- A FREE Boat Trip into the backcountry, lunch, and some relaxing time on a sandbar in the beautiful backcountry
- You'll be taken to a clean-up spot, only accessible by the water, where you will wade along the shore to extract the debris. Gloves & Wading Boots will be provided.
- The satisfaction of being part of an effort involving more than 4,500 Volunteers who have removed over 215 tons of both storm and man-created trash that threatens this unique Eco-System. The total includes about 480 miles of non-biodegradable trap lines.
