News from Strawberry Ridge Village Office

Matthew Clark
Community Manager

Hello Residents of Strawberry Ridge,

Summer is officially here, and we are starting to get some rain. Please remember to keep your yards and trees maintained. Also remember that there are water restrictions in place set by Hillsborough County. There are designated days and times that you can water your lawn. You can find this information at:

<https://hcfi.gov/residents/property-owners-and-renters/water-and-sewer/find-my-watering-days-and-times>

A few other issues that continue to arise that I need to mention.

- Please make sure that your trash and yard waste is curbside by 8 am. Your yard waste needs to be bundled and/or bagged in order for it to be removed.
- We continue to have issues with parking. Please do not park in the grass and overnight parking is not allowed on the streets. If someone is day parked on the street, please do not park on the opposite side of the street as it makes it hard to get around between two cars parked across from each other.
- Please stop at all stop sign and maintain the speed limits.
- After hours and weekend **Access** to the maintenance yard and RV storage lot is restricted to those who pay for storage. If you are provided with the new lock code, please do not give it out to anyone else.
- Noise disturbances have been brought to my attention as well. Remember that between 10:00 pm - 8:00am there should not be loud noises that disturb your neighbors.

I hope everyone has a safe and enjoyable summer.

Sherri Purcell
Bookkeeper

Hi Everyone,

Well, I'm going to start this article off by saying "It has been a pleasure"

So back on May 13, 2024, I was offered a position to move over to our "IT" Team at the Cove Corporate Office and I graciously accepted. I have been on a software support team when I was in my 20's & 30's, and I am very excited to revisit this again. I have been the Bookkeeper here at Strawberry Ridge for almost 6 years and I have learned so much and I also have gotten to know quite a few of you guys. I will not be far away as my new position will allow me to work from home. However, I will be in the office for a while as my replacement gets comfortable in my "old" chair.

Which brings me to the next announcement, Jennifer Singh is my replacement, and she is a wonderful asset to our team. I am still and will be training her for the next month or so. I want to be sure she is comfortable before I take on my new role 100%. Please be kind and patient as she transitions. Like the rest of us in the office, she likes "snacks".... Just a hint and a small funny.

I also want to revisit signing up for the "Portal". I highly recommend this because you can look at your statement at any time after it is released. You do not have to pay through the portal if you choose not to, but it is a very nice tool for you guys to use. If you want to sign up just send Jennifer an email at J.Singh@covecommunities.com and she will make sure you get an invite. If you send her an email, please put this in the subject, this is an EXAMPLE ONLY: **SINGH / SITE #001 (or your street address)** so she knows how to identify you. Please, when signing up for the portal DO NOT USE A WORK EMAIL because once you sign up with all your information and if you leave that job or don't want to use that email any longer, you as the resident cannot change the email. We must request that your account be deleted from the system, and you will have to sign up all over again using the email that you chose. So please pick an email you will have for a very long time.

As always, thank you for taking the time to read my articles as I hope you find them informative and helpful. I'm hoping that Jennifer will continue writing to you all.

Thank you again for the many years of support, you all will be missed.

Sherri Purcell signing off as:
Strawberry Ridge Village's Bookkeeper

THE OFFICE STAFF AT STRAWBERRY RIDGE VILLAGE WOULD LIKE TO WELCOME

JENNIFER SINGH, BOOKKEEPER

Jennifer Singh

Hello all, I just wanted to introduce myself, I am Jennifer Singh the new bookkeeper for Strawberry Ridge Village, I am excited for this new adventure with you all! I enjoy gardening and plants in general! I have been in medical billing for the past 12 years and was the Office manager up north for a few nursing homes before moving here to be closer to family. Strawberry Ridge HOA News, Nuggets and Notes

The weather has been so hot and humid, but we have a lot of indoor fun and events to keep us busy and cool. If you are away for the summer or taking vacations, we hope you are having fun. If you are staying in the Village for the summer, we hope you are taking advantage of the many activities that are available.

GREAT NEWS – the Hillsborough County Mini Grant for technology was approved and we are receiving the items we asked for. With large screens, a projector, camera, microphones, speakers and a laptop, we hope to soon be able to record all the informational and entertainment events for streaming on You Tube. If you can't attend functions, you will at least be able to catch them later. This will be a great help for residents who still work and are unable to attend functions during the day, or those that cannot get out of the house.

- Wednesday Bingo is going strong, we are averaging about 30-40 people in attendance. An anonymous donor has made some beautiful wreaths for us, and we have 2 lucky winners every game night. We are seeing some new faces joining us, we are always glad to welcome new players.
- The Volunteer Luncheon was a wonderful event. It gave us the opportunity to thank the many residents that helped make our events happen. There were over 60 people in attendance, it sure does take a Village.
- Pub Night was a new event and boy what a fun night it was. The Activity Center was transformed and made you feel like you were actually at a pub. The food of course was great, and the waitresses were amazing. Thanks to all who helped make this happen. The entertainment was fantastic, and we even managed to dance.
- Father's Day Lunch attendance was a little disappointing but thanks to those who came and their wives and family for making it a special day for them. Maybe next year we will combine Mother's and Father's Day.
- Our Lunch and Learns has been a success. So far, we have played Prize Bingo with Humana and learned about their health insurance coverage and MRS. Insurance has given us information on all the insurance coverages available to us.
- Karaoke was as always, a fun night. Thanks, Mark, for always making this a good time.
- Trivia is such a popular monthly event. It's amazing how you can be in 1st place and one question makes all the difference.
- Join the HOA. Membership is \$6 a year or \$15 for 3 years. Forms are available at the Activity Center or contact the Chair of the committee, Jodi Hamel, at 813-728-0110. If you are already a member you will be contacted to remind you of your renewal.

Our Facebook page is Strawberry Ridge HOA, you must answer a couple of questions to join. It is for information and event dates only. And for your fun photos of clubs and events join Picture Perfect Fun at the Ridge.

Matthew and Park Maintenance continue to work on everyday issues and repairs. Thank you to them all for their continued hard work. If you have any issues remember that there is a member of the Board handling this.

Your board member contact for such issues is Mazie McMahon who can be reached by email at mam.dirrhoafl@gmail.com or by phone at 813-373-0319.

Lunch and Learns are becoming very popular and every day we are receiving requests from companies and services to come and speak with our residents. Because there are so many two of the Board members will be the contact points for any arrangements for these events. If you visit, use, or see somewhere else any information that you feel would be good for this community please let them know so that they can bring them into the Village.

We are excited to learn about the many opportunities, benefits and services that can be utilized by us.

What is C.E.R.T.? It is Community Emergency Response Team. Are you a member of the Strawberry Ridge Village CERT Team? If not, why aren't you. Just what does this team do for our residents. Well, in the event of a power failure, the CERT Team will make sure those people affected will have a meal which is prepared by our team. If tree limbs come down, we try to get them out of way so cars can get through. There are many other things we do which is too much to list. Why not come to our meeting and ask and learn more about us. We meet 1 evening each month always the second Thursday of the month at 6:30 pm in the Activity Center. Our next meeting will be on July 11th.

LENDING CLOSET

Before you purchase any necessary Durable Medical Equipment:

Check with the Strawberry Ridge Village Lending Closet, located at the Clubhouse, which provides medical equipment to our residents upon request. Call us and one of our volunteers will be happy to assist you by providing many of your needs on an available basis. This service is at no cost to our residents, is a great cost-saving measure, and the loan of the equipment has no time limit. You may keep the equipment if it is necessary.

We have wheelchairs, transfer chairs, crutches, canes, walkers, bed rails, potty chairs, and shower chairs. These items are available for all our residents to borrow. Donations of the mentioned items are also accepted. There are limits on the type of supplies we can accept. We cannot accept respiratory items, diapers, walking boots, medications, stability belts or other disposable items. All that we ask is that when returning borrowed items or donating items please ensure that all items have been cleaned and are fully operational. The volunteer staff does not have the ability to clean or repair any items. Presently, the Lending Closet is in short supply of Rollator Walkers. Any donation of or return of one no longer needed would be appreciated.

If you have any questions or need any of these items, please contact one of the people listed below.

The Strawberry Ridge Book Club meets on the second Monday of each month at 1:30 PM in the Activity Center. Everyone who enjoys reading is cordially invited to join our monthly conversations. We had an awesome group of folks including some newbies this past month discussing our May's book selection "Water for Elephants" by Sara Gruen. As usual our conversation traveled down several "bunny trails" and the banter lasted for quite some time. Did you know that Gibsonton, FL was the winter home of carnival/circus people years ago? It was a delightful afternoon with everyone engaging in discussions around the table. Some of the books that were enjoyed by the group during May included: "Horse" by Geraldine Brooks, "None of This is True" by Lisa Jewell, "Still See You Everywhere" by Lisa Gardner, "The Women" by Kristin Hannah, "Between Two Kingdoms" by Suleika Jaouad and "First Lie Wins" by Ashley Elston.

After a bit of discussion, it was decided that our selection for next month will be "Killers of the Flower Moon" by David Grann. Please come join this great group of SRV residents if you enjoy reading!

Too Many Pink Flags Make One Large Red Flag

I swear I was just trying to do a simple task...cancel a charge against my checking account for a service I no longer needed.

Seemed simple. I called the listed number and was assured that this task could easily be accomplished by my completing a simple form so that it would be documented. The document immediately appeared on my screen. I dutifully completed all the questions with birth dates for myself and my husband, addresses, email addresses and may even had completed the request for social security numbers. #1 pink flag.

Then the “nice” gentleman filled out the amount due me but happened to make a little error by \$3200 overage. Since this was being deposited to my checking account, I now had the obligation to go to the bank, withdraw the excess funds in cash and return it to the company. #2 pink flag.

I checked my computer and “saw” the deposit on the deposit page so I could easily see the “overage” error.

So I headed to the bank with my husband driving. I was requested not to talk while en route as all was being tape recorded and there should be no interference. So I said nothing to my husband to explain this “strange” transaction. #3 pink flag.

After withdrawing the requisite “overage”, we headed to a machine where I could deposit the funds to the corporation. Turned out to be a Bit coin machine in Plant City in a little one horse store. The pink flags are rapidly mounting. But I dutifully deposited the funds, requested a receipt but none was forthcoming. A male stranger in the store was helping me and he inquired whether this was a scam. I assured him that it was legitimate because I had seen the deposit in my checking account. WRONG!

I returned to the car, pulled up my checking account on my phone and saw that the deposit was never made; it was just a scam. And I had cooperated completely. In addition my computer and phone were hacked. I had lost all our money, had to have phone and computer cleaned, and had to borrow a zillion dollars.

So, big lessons learned.

- Scammers are accomplished artists who know the ins and outs of posting a false document on a bank account.
- They are great performers in being persuasive to take a person down the wrong path.
- They are people who have no conscience or remorse for stealing from Jane or John Doe.
- The government has little resources to apprehend these persons.

If something doesn't feel right, it probably isn't. Hang up the phone. When I called the number back, I received a message that the dialed number was a “scam”!

Take precautions early on with any request for exchange of money. Don't be a “scam-me!”

To our valued customers;

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.

*Wishing you good health and safety,

Oftentimes, a bad vapor barrier is to blame for soft, rotten floors. This is because of moisture and humidity from the underbelly of the home. Without a proper vapor barrier, your floors are at a HUGE risk!
